Eaton School
Virtual Remembrance Day Service
Wednesday, November 10th
@ 11:00am

Eaton School is committed to ensuring our students and staff remember and thank
all who have served and sacrificed for our country.

We will honor the many men and women and what they sacrificed for our freedoms
on Wednesday, November 10th at 11:00am
in a live-streamed virtual ceremony.

Our families and our community are welcome to join us at the following link:

11 NOVEMBER
REMEMBRANCE DAY

Lest we forget

The Act of Remembrance

*They shall grow not old, as we that are left grow old;
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them.*

Remembrance Day

Every soldier was loved

Millions of soldiers died

Every year we wear a poppy

Memories of war

Bad days in war Brave Battle

Every day we stand on guard for our country

Remember

In Flanders' Fields

*In Flanders' fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.*

*We are the dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved, and were loved, and now we lie
In Flanders' fields.*

*Take up our quarrel with the foe:
To you from failing hands we throw
The torch, be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders' fields.*

Major John McCrae, 1915

Reminder

Please watch for children walking and riding their bikes when they are crossing the street.

Thank you to Prairie Centre Credit Union for the Halloween treat bags for the students and Staff!

Thank you to Debbie Adams at Eaton Agencies for the donation of mask leashes for the students and staff. It is Greatly appreciated and they work great!
It is greatly appreciated!

Kindergarten

The Eaton Kindergarten class wants to thank the Eaton Fire Department, specifically Brett Becker and Dave Becker, for allowing our class to come visit the Fire Hall. The students were so elated to be able to explore the fire trucks, see the fireman's equipment and to learn about fire safety.

Kindergarten Halloween

Gr. 1/2

Grade 1 & 2 Halloween spooky stuff: The class painted pumpkins with the Kindergarten class. The students always enjoy working online on activities on Seesaw.

Students learned about the First Nations talking sticks. They now know that the talking stick is used in sharing circles to take turns talking.

Gr. 3/4

Grade 3/4 were very lucky this month to participate in a few different activities. We would love to thank Matt Mckinnon from Achieve and Randi Somerville from Nutrien, who gave us the opportunity to learn about the importance of healthy soil and how they test it. The kids loved asking questions, and getting the chance to take their own soil sample home! We also had a fun day of pumpkin carving. The weather was beautiful, so we were able to enjoy our time outside with our families. We also enjoyed dressing up for our day of Halloween fun!

Gr.5/6

A special Spartan thank you to our Eaton School Families for attending our annual pumpkin carving. It was wonderful to have families interact in our school again. Special shout out to Ms. Bauml and Mrs. Connolly for your help.

GSA

Eaton GSA would like to send a huge shout out to the Eatonia Recreation Board and Saskatchewan Lotteries for their generous donation of \$500.00 to our GSA group! We are excited at the possibilities this will help us achieve!

The GSA has started up again and we are excited to welcome new members to our group! We are working on the mural and it is coming along! We had our first breakfast meeting and it was a great success! Everyone brought their own beverages and two members brought muffins, cinnamon spread and fruit. It was a great way to start the day and we will definitely try it again!! We have been sharing ideas on what we'd like to do this year! One thing we are looking into is getting Virtual Speakers! Last year we had fun with a virtual group that we were able to join and get to know! We'd like to do some team building activities and games with our group to get to know each other better and have some FUN!

We are planning on doing a "Mask Fundraiser" this year and will be sending notes home soon. We are happy to be back at school, where we can encourage others to follow our message,

SASK HIGH SCHOOL SPORTS WEEK—Oct 10-16

Spartans Celebrated on the football field and the volleyball court

**GO
SPARTANS!**

As Sask High School Sport Week wrapped up, Spartans took a trip down memory lane when viewing the banners of past Spartan athletic achievements.

SASK HIGH SCHOOL SPORTS WEEK—Oct 10-16

Junior Girls Volleyball

This year was another great year for junior girls' volleyball. After COVID restrictions meant we were unable to play other teams last year, it was good to get the kids out on the court facing competition. It was also great to see how many kids were interested in junior girls volleyball, with a whopping 16 players this year.

This year we played league games in Kindersley and Eatonia, as well as tournaments in Plenty, Lucky Lake, Eatonia, and Leader. The girls worked hard at practice to develop their volleyball skills and it was really cool to see them put these skills in action on the court.

Playing this year were Addisyn, Ariel, Mikayla, Dakota, Peyton, Dekiera, Addison, Macy, Kaylin, and Brooklyn in grade 9. In grade 8 we had Trista and Rihanna. In grade 7 were Angela, Teahanna, Betty, and Madison. With such a fierce group of girls you know it was a great volleyball season.

The girls were coached by Mr. Hault, Mrs. Facca, and Ms. Bauml. We really had a good time working with the girls this year. Thank you to the parents who took time out of their busy schedules to drive us to our away games. Also thank you to Lindsay Larock who did a lot of hard work organizing our tournament canteen. Finally, thank you to all of the parents, grandparents and others who helped make our tournament canteen a huge success through their hard work and food donations.

To the girls who are in grade 9 we wish all the best in senior volleyball, and to our grade 7&8 girls, we look forward to working with you again next year.

Michael and the Environmental Science 20 students accepted a \$1000 donation from Owen & Switzer (Eston Equipment) and Agcorp. These two corporations had a promotion over the summer that Ken Somerville took advantage of. With the purchase of a new sprayer, Agcorp would donate \$1000 to an organization of their choice upon receipt of a proposal of how to use the \$1000 funds. Ken chose Eaton School. Michael submitted a proposal for expanding the crop boxes area of the outdoor classroom, doing soil testing, chemical application, etc. So yesterday, a couple of representatives from Agcorp and a couple from O&S, as well as Spencer Somerville visited Eaton, saw the outdoor classroom, presented the cheque and took pictures.

Forever grateful for the opportunities presented by our Spartan #Outdoor space!

The Eaton School Community Council (SCC) is a group made up of parents, students, community members and school staff. The goal of the SCC is to engage parents and the community in the learning and well-being of our youth and to support Eaton School goals and activities.

The SCC meets once a month, September - June.

Some past activities the SCC has supported are an annual Reading Challenge, Book Exchange, in-school and online Family Bingo, monthly Healthy Snack for grades K-12, student mental wellness kits during exam week, Welcome Back Family BBQ and Dance, Welcome Back Family Pancake Breakfast, Family Ultimate Warrior Challenge and Family Scavenger Hunt. Our first event this year is a Spartan Pumpkin Scavenger Hunt. 

Don't want to join the committee? We have a volunteer bank too where you can help with events or activities that the SCC organizes.

We are always looking for ways to support our students and staff so please contact us with any suggestions.

If anyone would like more information or has any questions, you are welcome to attend the annual meeting or contact any SCC Member!

Student Violence Threat Risk Assessment

FAIR NOTICE

Sun West School Division is committed to creating and maintaining school environments in which students, staff, parents/guardians/caregivers and others feel safe. Schools cannot ignore any threat of violence.

What is a threat?

- An expression of intent to do harm or act out violently against someone or something
- May be verbal, written, drawn, posted on the Internet, or made by gesture

Duty to Report

To keep school communities safe and caring, staff, parents/guardians/caregivers, students and community members must report all threat related behaviors to the school principal.

What is the purpose of a Student Violence Threat Risk Assessment?

- To ensure and promote the emotional and physical safety of students, staff, parents, the student making the threat, and others
- To ensure a full understanding of the context of the threat
- To understand the factors that contribute to the threat maker's behavior
- To be proactive in developing an intervention plan that addresses the emotional and physical safety of the threat maker
- To promote the emotional and physical safety of all

What behaviors warrant a Student Violence Threat Risk Assessment to be initiated?

A Student Violence Threat Risk Assessment will be initiated for behaviors including, but not limited to:

- Serious violence or violence with intent to harm or kill
- Verbal/written threats to harm or kill (clear, direct, and plausible)
- Online threats to harm or kill others
- Possession of weapons (including replicas)
- Bomb threats (making and/or detonating explosive devices)
- Fire starting
- Sexual intimidation or assault
- Gang related intimidation and violence

What Parents and Students Need to Know?

- Any threat must be reported to the school principal
- Investigation may involve the student services counsellor, the police of jurisdiction, or other community agencies
- Investigation may involve locker or personal property searches
- Interviews will be held with the threat maker and other students or adults who may have information about the threat
- Parents of students who are directly involved will be notified
- Threatening behavior may result in disciplinary action
- An intervention plan may be developed for the student making the threat and a support plan developed for any individuals targeted by threats.

The information in this brochure reflects the thinking and work of J. Kevin Cameron, Director of the Canadian Centre for Threat Assessment and Trauma Response.

The complete West Central Community Threat Risk Assessment and Support Protocol may be found on the Sun West School Division's website at www.sunwestsd.ca.

BOARD OF EDUCATION HIGHLIGHTS

The Sun West School Division Board of Education held its regular meeting on Tuesday, October 26, 2021 in Rosetown at the Sun West Learning Centre.

- The Board held its annual Organizational Meeting, which is when the Board chair and vice-chair are elected and committee assignments are made for the upcoming year.
- Long-time chair Karen Itterman (Subdivision No. 3) did not seek another term and John Collins (Subdivision No. 6) was elected the new chair. Collins had been serving as vice-chair for the last several years. Michele Whitfield (Subdivision No. 2) was elected as the new vice-chair.
- Board members expressed their gratitude to Itterman for her many years of service as Chair and Collins and Whitfield both indicated they were looking forward to the challenges presented by their new positions.
- There was discussion about potentially developing an Administrative Procedure (AP) regarding requiring Division employees to provide proof of COVID-19 vaccination or negative COVID-19 tests. Senior leadership has been tasked with developing a draft AP for further discussion.
- Randy Emmerson, director of education, reported that online training for the provincial government's Mental Health First Aid course has been going well. Approximately 30 Sun West teachers have already completed the training. Through this training it is expected that every Saskatchewan school will have at least one staff member trained to ensure students have access to mental health resources and help remove the stigma around mental health.
- The Board prepared for the upcoming Saskatchewan School Boards' Association (SSBA) annual meeting that is scheduled for November. Preparation included reviewing proposed resolutions, committee recommendations and bylaw amendments.

The next regular meeting of the Board of Education is scheduled for November 23. For more information on the Sun West Board of Education:
