K/1/2

The K-2 students spent the afternoon on December 13 learning through the Christmas Past and Present Virtual School Program by the Western Development Museum. This program has ties to the Social Studies curriculum. Students learned how people of Saskatchewan celebrated Christmas 150 years ago in comparison to today. They built a ca-boose (a sleigh with walls and a roof on skis) that they used in the past to get to places like school or a hospital. They listened to a story about family on Christmas Day 150 years ago and saw what they needed to do to prepare for Christmas and learned what they would have received as gifts. After, they made a tambourine. Music has always been a fun activity in Saskatchewan. Did you know in 1903, with only a few hundred people, Saskatchewan already had three music halls, a choir and a band!

Grade 1/2

Grade 1 & 2 have picked out their new word to focus on for 2023! We are looking forward to working towards our goals .

2022 SPARTAN CHRISTMAS TURKEY DINNER

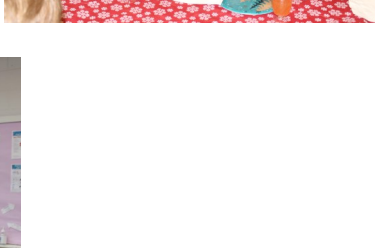

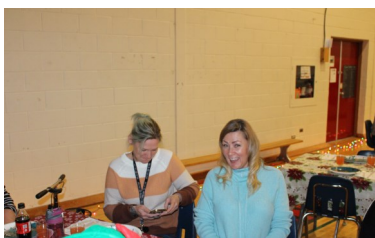

The long awaited Spartan Christmas Turkey Dinner had arrived!

Our 150 students and staff sat down to a feast at noon: turkey, stuffing potatoes, gravy, cream corn, peas, cranberries, three salads, pickles and buns, followed by dessert of mini cherry cheese cakes and sugar cookies. Everyone enjoyed both the meal and fellowship as we gathered as a Spartan family.

THANK YOU to all those who donated food items or made a cash or gift card donation. We would especially like to acknowledge the Mantario Lions Club for their generous donation, the Eatonia Hutterite Colony for donating the buns, and the PAA 9 & 10 classes for baking the desserts. A huge Spartan Shout Out to the amazing helpers who came in Sunday afternoon to prep food and on Monday for final preparations, cooking and cleanup! A special Thank You to the Eatonia Lions Club members for carving turkeys and serving. This event would not have been made possible without your generosity, so Thank You!

Is My Child Ready For Their First Cellphone?

As social media safety experts, advocates, and coaches who present to thousands of parents throughout Canada and the United States, one question we are usually asked is, "What age do you think a child should be gifted a cell phone.", – this is especially true during the Christmas season when youth are hoping for a phone as a gift under the tree. In this podcast, we are going to provide the information that parents and caregivers need to help you make an informed decision. The Spartans' lineup features:

#3	Becca Marshall (Leader)	#9	Mikayla Fensom (Eaton)

The Coaching Staff includes Elana Somerville, Cora Laich, Madison Somerville and Manager Lisa King.

Practices are Tuesdays and Thursdays from 6:30-8:00 with shooting practices on Monday, Wednesday and Friday mornings.

The Team headed to Rosetown for their first tournament of the season in early December. This tournament gave them a chance to get their feet wet and learn to play together as a team. They also played in Kindersley against the KCS Kobras before the Christmas break.

This month, be sure to come out on Thurs Jan 19th to see the Senior Spartans in action and cheer them on as they play host to the Kobras. Tip off is at 5:00.

Basketball really amps up for the remainder of the season. If you aren't able to make it on the 19th, the Spartans Home Tournament on January 27th & 28th will provide lots of entertainment and some great basketball! Feb 3 & 4, the Team is Kenaston bound, followed by the Kindersley tournament on Feb 10 & 11, and the annual trek to Maidstone on March 3 & 4 before Conference Playoffs on March 11th.

The Spartans are looking forward to a great season and they appreciate having Elana, Cora and Madison share their knowledge and passion for the game! [#spartanpride**](#) [**#gospartansgo**](#)**

The Drama Club had a very successful fall which concluded on December 21st with the presentation of "Who Ran Over Grandma?" This was a one act play developed and performed by the club members which saw many different unique characters being showcased. This play also involved many new members on stage for the very first time. Veterans and first timers learned new skills and took on all the responsibilities involved in getting a play onto the stage.

The Drama Club will take a break for the month of January to prepare for exams. Things will gear up again in February with the goal of another public performance later in the year.

We would like to thank everyone who supported the Drama Club in any way, including staff, students, parents and the community. We couldn't do it without you!

Bottle Drive

The Eaton School Grade 11/12s will be holding their graduation bottle drive in the spring. Did you know, however, that you can actually drop off your bottles at SARCAN any time and Eaton School will get the credit for it.

Therefore, if you don't want to wait or if you have relatives elsewhere in Saskatchewan that might want to donate their bottles to Eaton School, you can drop off the bottles at any SARCAN offering the drop and go service. The code for Eaton School is: **eaton|school** (it's not case sensitive, but you need the space).

If you would rather wait until the bottle drive in the spring, that's OK too. We will be happy to come and get your bottles like always. But if you're looking to clear them out early, please keep the drop and go in mind.
