3.2 This Regional Emergency Measures Organization & Aid Agreement is separate from any existing Fire Service Mutual Aid Agreements and does not in any way void, negate, or replace any such agreements.

3.3 It is agreed that each Member Municipality will retain its own autonomy to respond to emergencies or other incidents at a local, municipal level including authority for the power to declare, renew or terminate a state of local emergency for its respective jurisdiction.

3.4 Each Member Municipality shall maintain its own local emergency operations centre, incident command post and/or equivalent along with local personnel with the ability to access and activate additional regional resources, support, coordination, and facilities based on the anticipated or actual impact of the emergency or incident.

4.1 The council of each Member Municipality passed emergency management bylaws to establish the Regional Emergency Measures Organization, Emergency Advisory Committee and Regional Emergency Planning Committee.

4.2 The Regional Advisory Committee is a branch of the Organization and consists of municipal Councillors from each Member Municipality to represent their jurisdiction. Each member will act as a liaison between the Committee and his/her municipal Council by communicating information from each meeting and bringing forth items requiring Council decision or approval on behalf of PWEF.

Local level support may be requested when one of the Member Municipalities is experiencing a localized emergency or incident and requires additional support from another municipality or municipalities within the region in the form of personnel, equipment, facilities, supplies, hosting arrangements, or other resources as mutually agreed upon.

b). Regional level support may be requested when an emergency or disaster affects more than one Member Municipality within the District, and a comprehensive regional response is required to effectively respond to and manage the emergency or incident. In this case additional support will be requested from within the region as needed.

This includes but is not limited to all claims, losses and costs resulting in any injury, death and/or damage to any property.

7.2 In the event of any dispute arising under this Agreement which cannot be resolved by mutual agreement between the respective parties the same shall be submitted to arbitration. The decision rendered in respect of the proceedings shall be binding upon the respective parties. The cost of the arbitrator shall be shared equally by the parties involved in the dispute.

8. Severability

9.1 Any amendments to this Agreement shall be unanimously approved by all signatory parties to this Agreement.

9.2 This Agreement is considered effective when it has been signed by each of the signatory parties.

9.5 Any party may withdraw from this Agreement given six (6) months written notice to the other parties. A notice is deemed to be received seven days after it is sent by mail or on the day following transmission if sent electronically. Upon the withdrawal of any party the Agreement shall continue in force between the remaining Member Municipalities.

9.6 The terms and conditions provided within this Agreement shall extend to and be binding upon the respective successors and permitted assigns of the Agreement signatories.

9.7 This Agreement shall be governed by and construed in accordance with the laws of the Province of Saskatchewan.
