ROAD CONSTRUCTION

The Municipality is currently repairing 3 miles of road on N1/2 of sections 8, 9 and 10-24-27 W3; also known as Scrap Iron Valley. The municipality is hoping to finish construction at the end of summer or beginning of fall.

ROAD ALLOWANCES

In Bylaw 2/79, farmers are reminded that cultivation offences will carry penalties as set out in the General Penalty Bylaw of the Municipality. Cultivating and spraying road allowances destroys grass which is necessary to preserve the road. The municipality will have to re-plant grass in areas where it has been destroyed, and the cost of doing so will be charged to the abutting landowners. The grass takes about one (1) year to become established; so there will be weeds during the establishment period. Once grass is growing, the road shoulder will be preserved, and the life of the road will be lengthened.

Road allowances are a minimum of 66 feet in width, and many are 100 feet or more. Farmers who spray and cultivate the road allowances are trespassing.

ELECTIONS

On **October 24, 2018**, municipal elections will be held for the positions councillors representing even-numbered divisions (2, 4, 6 & 8). The term of office for all members of council is four years, which typically commences at the first meeting following the election.

The nomination period begins with publication of the call for nominations (on or before **September 4, 2018**). Nominations may be filed any time during regular office hours from the time the call for nominations is posted until the deadline of 4:00 p.m. on Nomination Day, which is **Wednesday, September 19, 2018**.
