## Eatonia Oasis Living July 2010

June has been a summer fun-filled month at E.O.L. We have enjoyed many outdoor activities and sunny afternoons drinking coffee and playing games out on the patio. The heat and abundance of rain has been good for the beautiful flowers that have been planted and tended to by our very own Residents.

The Residents enjoyed participating in the various daily activities during June which included; the morning exercise class followed by a work bee, visiting and coffee, many rounds of laughter filled card games, board games, outside walks, bird watching, planting and watering flowers, Wii Baseball and Bowling, Shuffleboard, Manicures, Bingo, Balloon Badminton, Bean Bag Toss and also the weekly Church Services. For crafts the Residents made little Bumble Bee's and Butterfly decorations for the flower beds. Thank you to Marie Smith for the exciting craft afternoons. The Residents also did more baking this month and lovingly made six dozen sprinkled sugar cookies for everyone to enjoy. On Manicure day the ladies enjoyed getting their nails done while listening to the toe tapping entertainment by our very own Nels Erker on his Accordion. Thank you Nels!

On June 26<sup>th</sup> the Residents were served a special Bacon and Eggs Breakfast. Thank you to Susan Dearborn for volunteering your time to serve.

The monthly Birthday Party was held on June 18<sup>th</sup>. Happy Birthday to Maynard Mastel (June 14<sup>th</sup>), Ray Somerville (June 19<sup>th</sup>) and Cecilia Pinceman (June 21<sup>st</sup>). The Birthday Residents had an entertaining afternoon of listening to a musical performance, visiting and eating birthday cake.

Thank you to the Lutheran Church Ladies for hosting the party, and to Steve and Kathy for the beautiful singing.

This month we said farewell to Fran Craney, who relocated to Kindersley. E.O.L sends our heartfelt condolences to the Sabey family on the passing of Guy Sabey. With June coming to a close E.O.L has a total of 20 Residents.

If you would like to volunteer or come in for a visit, our Residents would love to see you! We are tentatively planning a Residents' field trip to the Kindersley Museum for mid July. If you would like to attend this event, or meet us at the museum to accompany your friend/family member just let us know! Please call Krista or Heather at 967-2447.

Thank you to the Eatonia Auxiliary for paying for the newsletter space each month.

## **BYLAW UPDATES**

### **Care & Control of Animals Bylaw #**

Please remember that all dogs and cats are to be licensed, whether they go outside or not and that they are not to “Run of Large”, which means i.e.

(1) in direct and continuous charge of a person competent to control it, or

(2) securely confined within an enclosure or

(3) securely fastened so that it cannot room at will.

Remember not all people enjoy pets and do not appreciate picking up after your pet or being approached by a wandering pet when out and about.

### **Dog / Cat Licensing Importance:**

All dogs & cats in the town require a license if spayed / neutered \$10, 00; neither spayed or neutered \$15, 00; and is to be renewed each January, as a license is good until December 31<sup>st</sup> of each year. This helps in identifying your pet and may save them from spending the night in the pound. Remember the limit is five dogs &/or cats per household. Not licensing your pets is an infraction of the Bylaw. Penalty (fine) for first offence is \$50.00.

### **Development Permits:**

You must first apply for a Development Permit. No building or structure shall be erected, reconstructed, moved off or moved on a lot nor shall any building structure or land be used for any other use than is permitted in the zoning district conceded, and then only after applying for and securing all development permits, building permits or other permits and licenses required by all bylaws in effect within the municipality.

### **Business Licenses Bylaw #**

Any business that is operating within the town of Eatonia requires a License. This includes out of town contractors / trades people, direct sellers etc. Failure to purchase a license prior to conducting business may result in a fine. Business licenses must be renewed annually.

### **Noise Bylaw #**

From the hours of 11:00pm to 7:00pm, no noise is allowed that is loud / unusual or unnecessary and is persistent. There are people who work shift work, etc. Any you should take consideration for this between 7:00am and 11:00 pm at night (playing of music, pets, swining engines, etc.) Talking with your neighbor could save a lot of grief in the long run if you try to be considerate.

### **Numbers on the Building**

To help with 9-1-1 we would like to ask your assistance by putting visible number(s) on all buildings, commercial and residential in front for easy identification of civic (street/avenue) locations.

### **Regulate Property & Nuisance**

#### **Abatement Bylaw #**

It is the responsibility of the property owner to maintain their yards as well as the boulevards and back alley way. Garbage and debus are an immense attraction to rats and other animals therefore this kind of refuse will not be tolerated. Weeds & grass must be cut & maintained. All yards are not kept clean of debus; a letter is mailed to the property owner(s) in which you will have 15 days of the date to get the order done. Should clean up not be completed in the set time frame given, the town does the cleanup and the costs of work are added to the property taxes.

JULY 2010

No property owner shall permit any junked vehicle to be kept on any land owned by that person.

## **Outdoor Storage of Materials:**

Trees and shrubs on your property, including portions hanging off your property are your responsibility to maintain and trim accordingly. Communication among neighbors prior to trimming. Just a reminder to keep your trees and shrubs on the corner lots trimmed to a height of no more than three (3) feet so that the traffic at the intersections can be seen in every direction. Also remember to keep your trees along the sidewalks trimmed, so pedestrians are able to use the sidewalk properly.

## **Saskatchewan Dutch Elms Disease Regulations.**

Observe the annual pruning ban – Do not prune or cut down your elms between April 1<sup>st</sup> & August 31<sup>st</sup>. The Elm Bark beetle that spreads the DED fungus is attracted to freshly cut elm and is most active during this period. The DED regulations apply **to all elms including Liberian & Manchurian elms.**

## **Mosquitoes and West Niles**

Clean up around your property:

- Any type of standing water- needs to be emptied, barrels or tin cans etc. Birdbath water should be changed weekly.
- Swimming of Wading Pools – Remove water that collects on pool covers. Turn over washing pools not in use.

- Check \_\_\_\_\_ and drains – Don't let things pile up. Clean leaves & twigs from down & roof gutters throughout the summer. Make sure drainage ditches are not clogged. Check flat roofs for standing water.

## **Burning in fire pits**

You must only burn clean wood – no debris / household garbage etc. These fires are to be kept in a proper container and not allowed to get out of control. Please make sure they are properly put out when unattended & do not burn on s.... winding days. Take considerations for your neighbors

## **Watering**

Mowing is the best time to water most lawn areas and other plants. Especially before 10:00 am because rising heat later turns to steal a lot of water by evaporation. If the weather gets cool and moist cut down. The simple test is to step on a patch of lawn briefly and see if the grass blades spring back up (no water necessary) or tend to stay flat (time to sprinkle deeply again).

## **Bylaw #6/10**

- Hours for outside watering are 7:00 am to 10:00 pm?????????
- Odd numbered addresses shall be allowed to use water for outdoor purposes on odd numbered calendar days.
- Even numbered addresses shall be allowed to use water for outdoor purposes on even numbered calendar days.
- Water restrictions are in effect January to December of each year.
- **Penalties:**

  - Second & subsequent infractions is \$250.00 (two hundred & fifty dollars)

These are just a few of our Bylaw ..... If there is something you are unsure about, please phone The Town of Eatonia Administration Office, Monday to Friday between 9:00am to 5:00pm. For emergencies you can call depending on your situation.
