If your house does not have a house number on it we ask that you please get one and mount it in an area that is visible from the street.

Numbers on all Buildings

To help with 911 we would like to ask your assistance by putting visible number(s) on all buildings, commercial and residential in front for east identification of civic (Street) locations.

Litter – Dogs and Cats Bylaw No. 3/08

If a dog or cat defecates on any public property other than the property of the owner, possessor or harbourer of the said dog or cat, the owner, possessor or harbourer of the dog or cat shall cause such defecation to be removed immediately and disposed of in a sanitary fashion. Failure to cause such removal shall be an infraction of this Bylaw. Penalty (fine) for first offence is \$50.00.

Mosquitoes

In order to keep the mosquitoes population down we need to ensure that they are not creating breeding ground around your house or business.

Here are some tips:

- Look for places where rainwater collects and stands
- Check and empty items such as birdbaths, flower pots, wading pools, fountains, fish ponds, cans, bottles, tires, rain barrels, tree holes and any other items in your yard that may hold water
- Fill holes where you find standing water

Mosquitoes Cont'd

- Swimming pools need to be maintained
- Remove water that collects on pool covers
- Turn over wading pools when not in use
- Eaves troughs and drains. Don't let things pile up! Clear leaves and twigs from eave troughs, storm and roof gutters throughout the summer. Make sure drainage ditches are not clogged.
- Check flat roofs for standing water
- Cut lawns frequently. Clear away lawn cuttings, leaves and other debris
- Clear out dense shrubbery where mosquitoes like to breed and rest

Vehicle and Trailer Parking – The Traffic Bylaw

No. 2/10

Vehicles – 72 Hour Limit

All Trailers – 96 Hour Limit

No person shall park any vehicle continuously longer than the time specified.

- A motor vehicle may be parked in any lane for the purpose of loading or unloading, provided that such motor vehicle shall be parked for a period exceeding fifteen (15) minutes, unless written permission has first been obtained from the Bylaw Enforcement Officer for an extension of such time.
- No operator of a vehicle shall stop such vehicle in any of the following places, except when necessary to avoid collision or conflict with each other traffic or in compliance with the directions of a Peace Officer or traffic sign or signal:

- (a) On the driving lane of any street
- (b) Within an intersection
- (c) On a sidewalk
- (d) On a crosswalk
- (e) On a boulevard
- (f) Within four and one-half (4.5m) meters of the driveway entrance to any fire station.

Take consideration for other homeowners, intersections, alleyways, etc.

Trees and Shrubs – On your property, including portions hanging off your property are your responsibilities to maintain and trim.

Just a reminder to keep your trees and shrubs on the corner lots trimmed so that the traffic at the intersections/ laneways can be seen in every direction no more than three (3) feet high. Also remember to keep your trees along sidewalks trimmed, so pedestrians are able to use the sidewalks properly. Laneways are to be trimmed back as well for vehicles to get through.

“Elm Trees” – means any tree or part of a tree, living or dead, of the Ulmus genus and its cultivars, including the American Siberian and Japanese elm trees, and includes any elm tree in the form of fuel wood, nursery stock, lumber, woodchips, log, branches or bark.

Observe the annual pruning ban. Do not prune your Elms between April 1st and August 31st.

The Elm Bark Beetle that spreads the DED fungus is attached to freshly cut elm and is most active during this period. Don't use, store, or transport Elm wood. It's illegal! One piece of elm firewood can carry over 1800 infested elm bark beetles. The DED regulations apply to all Elms including Siberian & Manchurian Elms.

Pest Prevention Tips

Here are some tips to follow to deter pest from inhabiting any property:

- Do not allow garbage, lawn waste or other debris to accumulate on your property
- Keep all materials such as building materials and fire wood neatly stacked and off the ground a minimum of 0.15 meters (6 inches)
- All sheds should be placed on a cement/asphalt pad or a six (6) inch base of crushed rock to prevent pests from burrowing underneath
- Secure garbage in containers with lids and eliminate any standing water
- Inspect property, building, vehicles and trailers on a regular basis for signs of pests
- When using poisons to control pests please use extreme caution to avoid any unwanted poisonings
-

Bylaw #6/10

- Hours for outside watering are 7:00 to 10:00 morning and evening.
- Odd numbered addresses shall be allowed to use water for outdoor purposes on odd numbered calendars days.
- Even numbered addresses shall be allowed to use water for outdoor purposes on even numbered calendar days.
- Water restrictions are in effect January to December of each year.

• Penalties:

- First infraction of this Bylaw is \$100.00 (one hundred dollars)
- Second & subsequent infractions is \$250.00 (two hundred & fifty dollars)

Burning In Town

As per Bylaw No. 5/07, proper collection and disposal of garbage, no person shall burn any garbage or refuse within the town limits.

As per the Fire Pit Bylaw No. 3/09, only charcoal, cut seasoned wood, or manufacturer's logs are to be burned in fire pits. You are not to burn leaves, grass clippings, garden refuse, or any material that when burned will generate excessive smoke or an offensive odor. If smoke from a fire causes an unreasonable interference with the use and enjoyment of another person's property, the fire must be extinguished immediately.

Nuisance and Abatement Bylaw No.

Junked Vehicles

You must have a valid license plate on vehicle, and they can't be rusted, wrecked, partly wrecked or dismantled on your property. If you have a junked vehicle it has to be enclosed within an approved structures, or you have a business dealing with junked vehicles.

Management's Responsibility

To the Ratepayers of the Town of Eatonia:

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian generally accepted accounting principles and ensuring that all information in the annual report is consistent with the statements. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Council is composed of elected officials who are not employees of the Municipality. The Council is responsible for overseeing management in the performance of its financial reporting responsibilities. The Council fulfills these responsibilities by reviewing the financial information prepared by the administration and discussing relevant matters with external auditors. The Council is also responsible for recommending the appointment of the Municipality's external auditors.

Gilchrist & Co., an independent firm of Certified Management Accountants, is appointed by the council to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and administration to discuss their audit findings.

AUDITOR'S REPORT

To the Mayor and Councilors
of the Town of Eatonia

We have audited the accompanying consolidated financial statements of the Town of Eatonia, which comprise the statement of financial position as at December 31, 2010 and the statements of operations, changes in net financial assets and cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Town of Eatonia as at December 31, 2010, and the results of its operations, change in its net financial assets and its cash flow for the year then ended in accordance with Canadian public sector accounting standards.

Eatonia Oasis Living July News

July has been a busy month!! We have been enjoying the warm weather and have been getting outside. The sun and rain has sure been good for the beautiful flowers planted and looked after by our very own residents! They are also watching the progress of the standup garden. We have already sampled the radishes and lettuce. Delicious! The rest of the vegetables are not far behind!

This month's activities included our daily morning exercises and work bee, as well as baking and scrapbooking. Thanks again to Marie Smith for organizing our Craft sessions. The residents always look forward to what project they are going to do next! This month they helped Marie with some decorations for Vacation Bible School. We enjoyed ice cream sundaes a few times...a nice treat when the weather is hot. The soft ice cream from The 21-44 Store made them especially tasty...Thanks, Elana! When the weather is not so hot, we have indoor activities...one of the favorites is Bingo. We gathered up our quarters and played all afternoon. We also played games on the Wii a couple of times...our new game this month was Wheel of Fortune...lots of fun!

Some residents also enjoyed walking down to see the railroad speeders that came to town on July 11th. Thank you to Amanda Longmuir for volunteering her time to come with us!

Our monthly birthday party was held on July 28th. We had two residents celebrating in July. Happy Birthday to Harvey White and Elizabeth Schmaltz! Thank you to the Christian Fellowship ladies for hosting the party. The residents love to visit with different faces.

On July 23rd Florence Palmer, Mary Skjei and friends entertained the residents with their musical talents. On the 29th they enjoyed Dorothy Clarke and The Song Birds. Thank you to both groups for coming... the residents truly loved the

music, and always reminiscing about the dances and get-togethers they used to have.

We currently have 20 residents staying at E.O.L. If there is anyone out there that would like to volunteer their time to help out, please call Vicki or Cora at 967-2447. The residents would love to see you. Our volunteers this month include: Debi Christman, Ann Verhoeven, Janine Specht, Morgan Specht, Amanda Longmuir and Kaylee Vandale ... they helped with evening lunches, manicures, baking, crafts, bingo...as well as just visiting with the residents. Gail Morgan helped serve our monthly Bacon and Egg Breakfast. Thank you so much...you are all greatly appreciated!

DONATIONS RECEIVED THIS MONTH...

THANK YOU!!

HEAT STROKE

This is a friendly reminder to everyone, with the temperatures that we have been experiencing over the last week. I would just like to remind everyone how easy it is to get heat stroke. Heat stroke is very easy to get in this heat especially with the high humidity.

Heat stroke can affect everyone including animals, but those people who it affects the easiest are the young and the elderly. Heat stroke can be very serious some symptoms to watch for are:

The early symptoms are thirst, fatigue and light-headedness. Later signs and the more serious ones are vomiting, fever and lack of sweat. When are bodies get to hot we no longer have the ability to sweat and this can be fatal.

To prevent heat stroke it is very important to remember to drink water we need to replace what are bodies are losing when we sweat. It is recommended to drink water as Pop, Gatorade and Juice tend to not work as well because of the sugar content. Also remember to wear hats when we are in the sun this helps to keep the sun off of our heads, if you get really hot then get out of the sun. Everyone also needs to remember to wear sunscreen to prevent burning and to reapply every few hours.

Thank you

August Rec News

Swimming Pool: The pool season is well under way with one month of swimming left before its back to school. Sunday August 21 is a Family Luau Pool Party with lots of games, prizes and fun for the whole family. Check out posters at the pool or ask the lifeguards for more information. Watch for other upcoming events at the pool this month.

Soccer: Bonnie Adams and Shelly Eckstein are willing to coach soccer this fall. The plan is to have a low-key local soccer league with two co-ed groups from grades 1-3 and grades 4-6. This could vary depending on the involvement of parents and kids. They will need co-operation from other parents to help with coaching. If you or your kids are interested please contact the rec office by phone or email or for more information contact Bonnie at 967-2309 or Shelly at 967-2221.

Arena Registration: It's getting that time to start thinking about hockey and skating but first let's enjoy the rest of the summer and you can expect registration the beginning of September.

Proceeds from the sale of Saskatchewan Lotteries products such as Lotto 6/49, Western 6/49, and Scratch & Win are placed in the Saskatchewan Lotteries Trust Fund. Grants from this fund are used to support more than 12,000 sport, culture, recreation and community groups in the province. Community groups in Eatonia receive funding from the Saskatchewan Lotteries Grant Program.
