November has been an exciting and busy month. We have been enjoying our usual activities of baking, shuffleboard and playing the Wii, as well as morning exercises and work bee. With Christmas fast approaching, we have been busy making all kinds of crafts for the Resident Tree. Thank you to Marie Smith for all your time spent of decorating and organizing our crafts. The residents truly enjoy the time you spend with them.

On November 1st, the Grade 1 and 2 classes had a tour of the Eatonia Oasis Living as part of their Social Studies program. They are learning about workers in the community. Afterwards, they colored Remembrance Day pictures and had juice and cookies with the residents. Thank you, Mrs. Follensbee, for bringing your class to spend time with us. Hope to see you again soon.

On Nov. 9th, some of the residents took the bus to the school for the Remembrance Day program. This month we celebrated 3 birthday's. They are Joyce Barr, Alice Osmachenko and Catherine Busby. The residents had a great time playing Card Bingo. Joyce had birthday luck winning 3 out of 4 hands! Afterwards, everyone enjoyed cake and coffee. Thank you to the Catholic Church ladies for hosting the Monthly Birthday Party.

We also had our monthly auxiliary bingo night which was held on Nov 16. They always enjoy their bingo and visiting with everyone.

On Nov 29th the residents were entertained with the beautiful music of The Songbirds. Thank you so much for playing for us.

This month our volunteers were Brenda Simon, Brenda White and Trudy Veldhoen. We cannot forget the ladies and gentlemen that provide us with the church services. Thank you all so much. If anyone else would like to volunteer their time, please contact Vicki or Cora at EOL.

Protect yourself from Old Man Winter

Don't wait until your car slides through an icy intersection or a tree falls on your truck during a blizzard to find out if you need additional auto insurance. Here are some reasons why you may need an SGI CANADA Auto Pak to keep Old Man Winter at bay!

1. **Are you a snowbird?** Did you know that if you're travelling through U.S. jurisdictions you can be sued if you're responsible for causing injuries? Your basic plate insurance provides \$200,000 in **injury liability coverage**, but with an Auto Pak you can **purchase up to \$5 million** very inexpensively.
2. While down south on your winter vacation you may rent a vehicle. Did you know that you **do not need** to purchase additional **rental insurance** if you have an Auto Pak? Your coverage automatically transfers to the rental vehicle and saves you the high cost of rental insurance.
3. An Auto Pak can provide **Family Security coverage** up to \$2 million if you're in an accident caused by an **underinsured or uninsured driver**. This is especially important if you drive outside the province or into the United States.
4. Icy winter driving conditions increase your chance of fender benders. With an Auto Pak you can **lower your deductible** to as little as \$100 so your next fender bender won't break the bank, just ... well, your fender.
5. If you are held at fault for a fender bender this winter, you may need a replacement vehicle to drive while your ride is in the shop. You can purchase **Loss of Use coverage** with your Auto Pak and it will pay for the cost of a rental vehicle.
6. Did you follow that sanding truck too closely? An Auto Pak can provide you with **Road Hazard Glass coverage** to replace a cracked or broken windshield. Or your Pak can provide a **reduced deductible** for rock spray damage to the body of your vehicle.
7. Taking your **new vehicle** out in the blizzard? SGI CANADA's Auto Pak offers **Replacement Cost coverage** so that if you're involved in an accident, you can replace your new vehicle without depreciation – just be sure to buy coverage in the first four months (120 days) of ownership.
8. Parking your "baby" or other recreational vehicle for the winter? SGI CANADA's Auto Pak offers **Unlicensed and In-Storage coverage** options to provide protection during those long winter months.
9. If you're heading out on the trails with your **snowmobile** this winter, your Auto Pak can provide coverage for collision and other losses, as well as liability, so all you have to worry about is frostbite.
10. With an SGI CANADA Auto Pak you can have your **deductible waived** in the event of a collision with a reindeer or any other **wildlife** – even if you never saw him.

FOWL SUPPER NEWS

Eatonia has again had a successful Fowl Supper through everyone's attendance, volunteering and financial support! The 2011 Community Fowl Supper served 425 people, which was great considering there were a few other events going on! The winner of the 50/50 was Austin Hamilton from Kindersley. The Committee had their wrap-up meeting to consider the Request for Funds that were received and designated funds to the following:

The Heritage Committee - \$ 1,000.00
S.W.A.T. (Spartan Wilderness Adventure Team) - \$ 1,000.00
Eatonia Oasis Living - \$ 1,500.00
Parks Committee (by Pool) - \$ 1,000.00
Rec. Board (Rink) - \$ 500.00

We hope these donations will help each of these organizations with their endeavors.

The Fowl Supper Committee would like to say "thank-you" to the following, for without your help this event would not be the success it is:

Fowl Supper Committee members
Prairie Centre Credit Union for letting us display the Help List Poster, this is a HUGE help as it eliminates valuable time spent on the phone trying to catch people!
School classes for making posters, they were great!
Mr. Hoult and Grade 11 class for setting up tables & chairs, bringing items from garage, and various other duties, they did very quick & efficient job! Big Thanks!!
Shannon Leslie and Vanessa Price for decorating

All those who donated food articles and other supplies that were needed
All who cooked turkeys, vegetables and pies for the Supper.
Eatonia Lions for always being our "turkey carvers".
Those who were "Runners"
All those who worked at the supper
Mike Craney for the use of the shop and always being available when we need him
To all the helpers who did the phoning.
To all those who gave monetary donations this helps with paying for turkeys!!
To Nicole for getting the turkeys & delivery of them
To the last shift workers who always stay till everything is cleaned-up
To those who helped take down tables & chairs etc.

Especially to our up-coming "Volunteers" the young people that helped at the end shift this was such a "Big" help!

A Special "Thank You" to the businesses and personal donations towards purchasing the turkeys etc., this helps out greatly, making more funds for donating to the various groups: ***Bews Agrow Ltd., Bredys Construction, Hoffman Paint & Body, Bredys Country Store, Prairie Oasis Drinking Water, Somerville Farms Ltd., Bryan/Sam/Ken Somerville, Kindersley & District Co-op, Lora's Beauty Salon, Janeil Enterprises Ltd., Eatonia Agencies Ltd., Prairie Centre Credit Union Ltd., Nipisi Farms (Ray & Leah Cooper), Lenora Bews.***

If we have neglected to mention anyone - please accept our apologies now - for this ***Thank You*** is meant for everyone who helped in any way to make this Fowl Supper a HUGE Success!! Thanks again everyone!!

***Just a Reminder..... that it is events like this that give monetary donations to keep pool, rink, parks, etc., going for the young peopleBUT we Need the Young people.... to give a just a couple hours of their Time to Help make this happen.....
Let's Give It Some Thought!!***
