EATONIA NEWS BULLETIN

JULY 2011

June has been a busy month!! The residents have been enjoying the warmer weather and have been getting outside a lot more. In between all the rainy days, we have managed to get quite a few flowers planted! Our big project this year is our "Stand up Garden." The seeds have already started to sprout and we are all looking forward to our fall harvest. Thank you very much to Leroy Mackrell and Darryl Oomen for setting it up for us.

This month's activities included our daily morning exercises and work bee, as well as baking and crafts. We must thank Marie Smith for organizing our craft days... she has been volunteering with us for ten years now! Ann-Patricia Verhoeven helped Marie this month. Thanks, ladies! Other activities included shuffleboard, balloon badminton, Guess the Word... we tried a new game on the Wii-The Price is Right. Some of the ladies also were pampered with a manicure!

On June 8th the residents were treated to Chinese Food. Thank you so much to the Eatonia Oasis Living Auxiliary for organizing the supper. The residents always enjoy seeing different faces! Speaking of different faces ... Annie Warrington was thrilled to have visitors all the way from B.C.! She gave them a tour of our facility, and said they were very impressed!

Our monthly birthday party was held on June 23. We celebrated two birthdays in June, Maynard Mastel and John Steinkey. The Lutheran Church ladies were our hosts and Amy's Playschool children were our entertainment. Thank you to everyone!! The afternoon was enjoyed by all!! Father's Day was celebrated with an afternoon picnic and games. Happy Father's Day!

On June 20, twelve residents travelled by bus to the Kindersley Museum. We started off by enjoying a lovely lunch. Thank you to all the ladies at the Museum!! We were joined by Annie Warrington's daughter Lorrene Johnson and Margaret Russell's daughter Brenda White. Annie's son, Bill Warrington was also there sharing some history about the exhibits ... the residents were reminiscing about the past and marveled at how much has changed in their life time.

Thanks to Ann-Patricia Verhoeven and Linda Radies for volunteering their time to come along to help. We wouldn't be able to plan these trips without volunteers! It was a wonderful day!

We are sad to say good bye to Jesse Donald. He has been doing work experience at E.O.L. for the past few months. The residents enjoy his smiling face. Maybe we'll see you back in the fall? The ladies from the Eatonia Library were here this month with reading material... the residents who use this service sure appreciate it. Thanks!

Our Bacon and Egg Brunch was held on June 11. Bernice Radies was kind enough to come in and help. The residents enjoyed visiting with her, as they do with all our volunteers. Also Thank You to Amy and Kara for helping with night lunch as well as Debi Christman. If there is anyone out there that would like to volunteer their time to help out at E.O.L. call Vicki or Cora at 967-2447.

Communities In Bloom

EATONIA NEWS BULLETIN

JULY 2011

We have again joined the C.I.B. to beautify our community and to foster pride in keeping our town neat and tidy. So we are again asking residents to assist by cleaning up their property(s) and keeping the weeds and grass under control.

As you have noticed, new self-watering planters have been purchased for flowers at the corners on Main Street. If anyone is willing to make a donation towards the cost of these planters, it would be greatly appreciated. The donation could be made at the Town Office (to the C.I.B.) or mailed to Box 248, Eatonia, Sk,

We also would appreciate any manual assistance, especially nearer to the judging date ~ which will be held on Wednesday, August 3rd, 2011. You can contact Darlene Olson or Leah Cooper.

Thanks Again goes to Laurie Adams and Joy Assmus who planted the flowers at the Herritage Park and to all who help with the watering of the flowers.

The Eatonia Library Board would like to thank Gary Francis from Palliser Land for the photocopier he donated to the library. The charges for printing are \$.25/pg. the copier is only black and white but there is a scanner that will copy in color. Color printing is \$.50/pg. Both are for patron use.

The board welcomes Bunty Maggrah as the new assistant librarian. The board also thanks Garnet Nunweiler for her years as assistance.

A **huge** thank you to Donna Henry for the new hardcover books she donated to the library. They have been sent in to be barcoded and are available for lending. There is a huge selection of authors, some favorites and some new. Also we would like to pass on a huge thank you to Carol Bailey and Garnet & Jerome Nunweiler for going through the books and bringing them in to the library.

If anyone has westerns or large print books they want get rid of please donate them to the library. Please do not put donated books in the outside box as this is for returned library books.

There is an ongoing book sale of donated books. Paperbacks are \$.25 each or 5/\$1.00, hardcovers are \$1.00 each and all others are at the librarian's discretion. We have a big variety of mystery paperbacks and hardcovers, romance, non-fiction, crafts, kid's books etc. Come and check out the selection. Any donations could be put to purchasing large print books for our library as we could use some new ones.

Thanks to Milton Specht for donating his 2 books to the library. There are also Bill Wardill's books', and displays of books for winter, summer, fall, back to school, valentine's day, Christmas, spring, aboriginal books and many more.

The Summer Reading Program is starting June 28th and ends Sept 7th. The theme is **SPLASH! Celebrate Summer**. Come to the library to join and receive your log book, poster, & stickers. There are super prizes so read over summer and return your log to enter in for the **Big** prizes. There will be small ones through summer to win, also a Guess How Many contest. Your name can be entered for every 5 books read for all

ages and for every 5 books read your name is entered for the big prize at the end of the program to be drawn by Central.

There is also a Teen Reading Challenge for grades 8 & up. For every book read there is a ballot to fill out and enter to win prizes at the end of summer. There is a book that goes with the contest with different things to do and the book needs to be returned by Sept 9th. Come to the library to join and let's take part in these contests over summer.

The idea is to use library books, so bring the children for books and read, read, read this summer. The more books read the more chances to win prizes. We have new junior books and graphic novels, also a good selection of young adult books. We are always getting new books in.

The library is doing a **Huge** renovation this November the library will be closed for 2 weeks in November while Cooke & Cooke Company Reno's will be painting the library and new carpet will be installed.

Everything will need to be moved from the library so we will be in need of boxes for books so if you have extra books please keep them for the books. We are using fundraising money and a grant from the government for this project.

Remember library cards are free and for any age, the only charge is if books are returned late. The library has all kinds of books and talking books for all ages, magazines, CD'S, DVD & VHS movies both adult and kids for borrowing. We can receive books from the whole province and if your book can't be found Central can go elsewhere to get it or purchase it.

Wed - 1:00 p.m. - 4:00 p.m.

Thurs - 6:30 p.m. - 9:00 p.m.
