TOWN NEWS

4 Saskatchewan hockey rinks to be powered by Sask Power wind project.

Sask Power has announced four communities that were chosen from more than 150 communities that expressed interest in participating in the project. It's all part of a demonstration project aimed at testing the province's wind potential. The goal is to determine if self-generating electricity will lower power bills associated with operating municipal rinks in each community. The following turbines will be installed and operational in Central Butte, Eatonia, Shaunavon and Strasbourg by late summer and will be monitored for up to five years. The wind turbine will be situated on town land SW of town.

Summer is here and along with it comes summer activities. Majority of our kids ride bicycles. Did you know bicycles are associated with more childhood injuries than any other consumer product except an automobile? Bike riders who acquire a head injury are 20 times more likely to die. Bike helmets have been shown to reduce the risk of head injury by 85% and risk of brain injury by almost 90%.

Here are some tips to keep your child safe:

- *Buy a helmet that says CSA or CPSC Standards*
- *Do NOT use second hand helmets*
- *After a helmet has been in a crash, Replace it*
- *Make sure helmets fit properly and chin strap is done up snug (fit no more than 1 finger under chin strap)*
- *Bikes should be in good working condition. Chains oiled, tires have enough air and reflectors are on front, back and pedals*
- *Teach your kids to walk their bikes across the street, don't ride.*

REMIND YOUR KIDS TO PUT A LID ON IT!!

Have a happy and safe summer.

and the residents spent time visiting with family and friends.

This month's activities included our daily morning exercise classes and folding towels work bee, baking for Mother's Day tea and bake sale, ladies manicures, bingo, Wii bowling, shuffle board, crafts and the weekly church services of various denominations. This month we celebrated Marj Cooke's birthday on May 10th and Doris Richardson birthday on May 31st. Thank you to the CWL who hosted the birthday party on May 16th. The residents enjoy a couple of games of 5 card bingo as well as delicious angel food cake. At the end of May we have a total of 20 residents.

There was a wonderful turnout for the Mother's Day Tea & Bake Sale which was held on May 7th. Thank You to the Auxiliary and their team of volunteers for making the event so successful.

On May 17th the residents were excited to help plant flower bulbs outside; with the warmer weather they are enjoying being out. We also purchased the supplies to build a stand up garden and should be completed by the end of the month.

If anybody would like to arrange a time to volunteer, help out with an activity or serve evening lunch please call Vicki at 967-2447.

The Housekeeping department is also hiring employees on a casual basis with wages starting at \$14.09 per hour; if interested please call to inquire at 967-2447.

EOL would like to thank the following people: Marie Smith for the organizing the Mother's Day craft this month, Marianne Serfas and Kathy Nunweiler, for delivering Meals on Wheels and Amy and Kara for helping serve evening lunch. Thank you to Sharon Price who volunteered serving Bacon & Eggs on May 7, 2011.

1st Set: June 13-17 & 20-24. Lessons will be after schools and times will be decided once registrations are in. There will be no public swimming during the week for these two weeks.

2nd Set: July 25-29

3rd Set: Aug 8 -12

4th Set: Aug 15-19

Space is limited so register early.

The 2011 crop is underway and it is once again time to start thinking about Hail Insurance. With the increase in crop inputs and the history of hail losses in our area, townships are expected to sell out quickly.
