## **Cat and Dog Licenses for 2011**

Any cat or dog living in the Town of Eatonia requires a license. These licenses must be renewed annually. Remember, if your pet is lost or even hurt, and is wearing their license, contacting its owner is simply a phone call away! If we don't know who the owner is, it makes it very difficult to handle the situation your pet is in. For example, we can't always approve medical attention if required. Please note even if your pet(s) never go outside – they are still required to have a license.

**Annual licensing fee for Cat and dog are as follows:**

**Spayed or Neutered Cat and Dog License - \$10.00**

**Cat and Dog, not spayed or neutered - \$15.00**

**Failure to license your Cat or Dog - \$50.00 plus the cost of the license for the 1<sup>st</sup> Offence.**

Remember that dogs are to be leashed at all times when walking around town, including playgrounds. You never know when something will startle your pet or they may not like another animal. Be safe. Pets can get aggressive under certain situations. Also please remember to pick up your pets defecates. Always carry a bag.

## **Business Licenses for 2011**

Any business that is operating within the Town of Eatonia is required to purchase a business license prior to conducting business. For example: home based business, out of town contractors/ trades people, transient traders, direct traders, etc. Failure to purchase a license prior to conducting business may result in a fine as per the General Penalties Bylaw. Business licenses must be renewed annually. Home based businesses are also required to obtain a Development Permit first.

## **Drainage of Excess Water**

With the amount of snow in the area we could have a lot of runoff this year. Please be cautious as to where you will be trenching to get water away from your building. Home and business owners are required to pump or trench groundwater onto their lot or to the street or lane.

## **Parking Time Frame**

The parking time frame for any vehicle is 72 hours and then it must be moved. Recreational trailers are not to be parked on any street from November 1<sup>st</sup> through March 31<sup>st</sup>. A parked vehicle etc. slows down snow removal. Take consideration for other home owners, intersections, laneways, etc.

## **Elm Trees**

Now is the time to trim your Elm trees. Once the spring thaw arrives it will be too late! Remember trees cannot be pruned between **April 1<sup>st</sup> and August 31<sup>st</sup>** to prevent **Dutch Elm Disease**. Any trees and shrubs on your property, including portions hanging off your property are your responsibility to trim and maintain accordingly. This includes sidewalks and alleys. Any boulevard trees are the town's responsibility. Do not trim or prune these trees. Any issues or concerns with boulevard trees contact the town office or the bylaw enforcement officer.

## **Noise Bylaw**

From the hours of 11:00 p.m. to 7:00 a.m. no noise is allowed that is loud/ unusual or unnecessary and is persistent. There are people who work shift work, etc. and you should take consideration for this between 7:00 a.m. and 11:00 p.m. playing of music, pets, revving engines, etc. Talking with your neighbor could save a lot of grief in the long run if you try to be considerate.

## **Numbers on Buildings**

To help with 9-1-1 we would ask your assistance by putting visible number(s) on all buildings, commercial and residential in front for easy identification of civic (Street/ Avenue) locations.

**These are just a few of our Bylaw provisions. If you have any questions or concerns on the Bylaws, please phone the Town Office (967-2251), Monday to Friday between 9:00 a.m. & 5:00 p.m.**

**For afterhours**

**Call Pam, Bylaw Enforcement Officer, 460-8908.**

## *High Blood Pressure: The "Silent Killer"*

### **Did you know?**

High BP can be linked as a cause or contributing factor to more and more health problems affecting your heart, kidneys, and even your brain. High BP can be treated and controlled, which will in turn reduce your risk of heart attack, stroke and other illnesses. Your blood pressure is a number that everyone should be aware of!

### **What does "blood pressure" mean?**

Blood pressure is the force that your heart produces in your arteries as it pumps blood around your body. High BP puts you at a risk for developing narrow arteries.

### **The "Silent Killer"**

Symptoms of high BP sometimes doesn't produce any symptoms, hence the nickname of the "silent killer". It can easily go unnoticed. This is why it is important to have your blood pressure measured. You can do this by asking your doctor to do it for you, by yourself at home with a BP monitor, or even at some pharmacies.

### **Causes?**

As a general rule, if your BP is 140/90mmHg or higher, you could be considered to have high blood pressure. High BP can be caused by an underlying illness, but is more commonly caused by being overweight, high cholesterol, poor diet (excessive amounts of fats and salt), excessive consumption of alcohol, smoking, lack of exercise, and stress or emotional upset. The good news is that you can change or improve all of these factors!

## Eatonia Oasis Living - February 2011

February has come and gone quickly this year and we are all starting to look forward to spring. This month the residents were celebrating Valentine's Day as well as Family Day. In honor of Valentine's Day the residents received handmade Valentine's Day cards in the mail from various elementary schools across Canada. They were made to honor our Veterans and thank them for fighting for our country. This month we celebrated Nels Erker's birthday. Happy Birthday Nels! On February 17th we were pleased to welcome a new resident; Dick Turner from Plato, Saskatchewan. With February coming to a close we have a total of 20 Residents.

February's activity schedule was packed full of fun! This month the Residents participated in a very exciting Shuffle Board Tournament, Bean Bag Toss, and many rounds of Wii Bowling. We also had our daily exercise class, morning work-bee, and the weekly church services all with good attendance. The residents were treated to a musical afternoon on February 18th by Laura Hayes (granddaughter of Laviah Hayes). EOL would like to thank Laura for sharing her beautiful music with the residents.

EOL sends out a very special thank you to the following: Jessie Donald for volunteering, Marie Smith for the Valentine's Day crafts this month, Shelly Eckstein and kids for serving the night lunch on February 17th. EOL would like to also thank Leah Arsenault, Mac Marchant, Laurie Adams and Marianne Serfas for delivering Meals on Wheels throughout month.

The residents always enjoy having visitors, and they love seeing your children and pets! If anyone would like to drop in and spend a few minutes visiting, having coffee, or participating in an activity, our residents would love it! Please call Heather at 967-2447 to set up a time, or just drop on by.
