EATONIA OASIS LIVING SEPTEMBER NEWS

The residents of E.O.L. have been very busy this month, spending lots of time outside enjoying the beautiful fall weather. We had our usual Morning Exercises and Work Bee, along with Crafts, Baking and Bingo! George Meyer celebrated a birthday this month. Thank you to the United Church Ladies for hosting the Birthday Party this month!

On September 12th, Diane Kronberg did a slide show presentation, showing pictures from her trip to Argentina. Everyone loved learning about the different culture, asking lots of questions. Thank you so much, Diane, for sharing your journey with us.

The Keystones from Rosetown were here to visit us again! They spent the afternoon entertaining us all with songs and stories. The residents really enjoyed listening to the music and visiting with the entertainers over coffee and cookies. Thank you to the Keystones for coming ... we hope you come again!

On September 16th, the residents held a Terry Fox Bingo to raise money for the cause. Pledges were collected from staff and friends, and there was a Silver Collection at the door. The residents also baked cookies to serve with coffee at intermission. The grand total raised was over \$215.00! Thank you to everyone who supported us in the fundraiser! We hope to double our donation next year!! Special thanks to Joanne Stusrud, Candice Connolly, Amanda Longmuir, Marie Smith, Gail Morgan, and Lynn Assmus for their help at the Bingo. Greatly Appreciated!!

We had another special treat this month ... Dorothy Clarke and the Songbirds!! The residents always enjoy the afternoon with this group of people. They love music, the sing-song and the visits! You are welcome to come back any time!

We would like to also give our thanks to all the churches for providing services here. We appreciate the time you take to fulfill the residents' spiritual needs. The ones that attend church are very grateful.

Other volunteers include Debi Christman for helping with the evening lunch and Darlene Olson for helping serve our Bacon and Egg Lunch. Thanks!! If there is anyone out there that would like to volunteer at E.O.L. please call Vicki or Cora at 967-2447.

The Eatonia town council is planning to purchase a Memorial Wall that is similar to the picture below to place at the Eatonia Cemetery. Anyone who has had a loved one pass away but their ashes have been placed elsewhere can have the loved ones name engraved on the wall. Along with the loved one's name will also be the dates (year) that they lived.

The memorial wall will commemorate those people who have lived in the area but do not have a final resting place in the cemetery. Remco Memorial, Cliff Neufeld, will be at the Eatonia Trade Show this year and will answer any questions you might have about the memorial wall.

Anyone interested in donating towards the purchase of this memorial wall or if you would like to have a loved one's name engraved on the wall, please contact or stop by the town office.

The area north of the South Saskatchewan River is the home of Big Sky Rail, Saskatchewan's 12th and newest shortline railway, serving Laporte to Macrorie west to east and Beechy to Delisle south to north.

"The Government of Saskatchewan is proud to play a role in helping establish this latest addition to the provincial rail transportation network," said Highways and Infrastructure Minister Jim Reiter at the official opening Sept. 22.

"Shortline railways support economic development in rural Saskatchewan, give shippers another option to move their goods and help reduce truck traffic on our busy highways."

Big Sky Rail is a partnership that includes Mobil Grain Ltd., which has been hauling grain cars with locomotives on the track since Sept. 6, and West Central Road & Rail, which has five grain-loading facilities along the shortline and will have an equity position in Big Sky Rail.

"The creation of Big Sky Rail has been a great team effort with CN, Mobil Grain, West Central Road & Rail, and the Government of Saskatchewan," Big Sky Rail President and Mobil Grain President Sheldon Affleck said. "A special thanks goes to CN for encouraging and promoting this shortline railroad. Mobil Grain will market and ship all crops and looks forward to serving farmers in the area."

"We believe this new shortline, under a competitive rate and service structure, will enhance our current operations and open doors to new business opportunities," West Central Road & Rail President and CEO Rob Lobdell said.

Big Sky Rail will receive a \$5.6-million interest-free provincial government loan toward a portion of the purchase of 354 km of track from CN. Big Sky Rail took over operations of these two segments of track from CN in early September, but formal purchase agreements and land title transfers will be finalized later this year.

"This is all about working together to find the most effective way to move grain from southwestern Saskatchewan to export," CN Western Region Senior Vice-president Mike Cory said.

EATONIA NEWS BULLETIN

OCTOBER 2011

"West Central Road & Rail and Big Sky Rail, with the support of the Government of Saskatchewan, have the local expertise to source the grain that CN will move to markets across North America and around the world."

The Government of Saskatchewan supports shortline rail through programs that include grants for feasibility studies and infrastructure, along with loans to purchase existing track.

Saskatchewan now has 12 shortlines and more than 2,200 km of provincially-regulated track. These provincial shortlines connect to about 6,400 kilometres of federally-regulated rail lines in Saskatchewan.
