I would like to extend a huge thank-you to everyone who sent cards, gifts and congratulations on my graduation. It was an unforgettable day, and would not have been the same without the support of my family, friends and community. I would also like to thank my classmates and teachers who made Eaton School so special each day. In lieu of this, I have made a donation to the Eatonia Oasis Living in memory of my Grandfather Raymond Somerville. In September, I will be attending the University of Saskatchewan,

And will be taking Arts and Science.

Once again, thank you to everyone.

The Eatonia town council is planning to purchase a Memorial Wall that is similar to the picture below to place at the Eatonia Cemetery. Anyone who has had a loved one pass away but their ashes have been placed elsewhere can have the loved ones name engraved on the wall. Along with the loved one's name will also be the dates (year) that they lived.

The memorial wall will commemorate those people who have lived in the area but do not have a final resting place in the cemetery. Remco Memorial, Cliff Neufeld, will be at the Eatonia Trade Show this year and will answer any question you might have about the memorial wall.

Anyone interested in donating towards the purchase of this memorial wall or if you would like to have a loved one's name engraved on the wall, please contact or stop by the town office.

Numbers on all Buildings

To help with 911 we would like to ask your assistance by putting visible number(s) on all buildings, commercial and residential in front for east identification of civic (Street) locations.

Litter – Dogs and Cats Bylaw No. 3/08

If a dog or cat defecates on any public property other than the property of the owner, possessor or harbourer of the said dog or cat, the owner, possessor or harbourer of the dog or cat shall cause such defecation to be removed immediately and disposed of in a sanitary fashion. Failure to cause such removal shall be an infraction of this Bylaw. Penalty (fine) for the first offence \$50.00.

Trees and Shrubs – On your property, including portions hanging off your property are your responsibilities to maintain and trim.

Just a reminder to keep your trees and shrubs on the corner lots trimmed so that the traffic at the intersections/ laneways can be seen in every direction no more than three (3) feet high. Also remember to keep your trees along sidewalks trimmed, so pedestrians are able to use the sidewalks properly. Laneways are to be trimmed back as well for vehicles to get through.

“Elm Trees” – means any tree or part of a tree, living or dead, of the *Ulmus* genus and its cultivars, including the American Siberian and Japanese elm trees, and includes any elm tree in the form of fuel wood, nursery stock, lumber, wood

Now is the time to trim your Elm trees. Take advantage of the warmer weather and trim

your elms now before the snow falls. Once the spring thaw arrives it will be too late! Remember elm trees cannot be pruned between April 1st and August 31st to prevent Dutch Elm Disease. chips, log, branches or bark.

The Elm Bark Beetle that spreads the DED fungus is attracted to freshly cut elm and is most active during this period.

Don't use, store, or transport Elm wood. It's illegal! One piece of elm firewood can carry over 1800 infested elm bark beetles. The DED regulations apply to all Elms including Siberian & Manchurian Elms.

Pest Prevention Tips

Here are some tips to follow to deter pest from inhabiting any property:

- Do not allow garbage, lawn waste or other debris to accumulate on your property
- Keep all materials such as building materials and fire wood neatly stacked and off the ground a minimum of 0.15 meters (6 inches)
- All sheds should be placed on a cement/ asphalt pad or a six (6) inch base of crushed rock to prevent pests from burrowing underneath
- Secure garbage in containers with lids and eliminate any standing water
- Inspect property, building, vehicles and trailers on a regular basis for signs of pests
- When using poisons to control pests please use extreme caution to avoid any unwanted poisonings

Dog:

- Remember that dogs are to be leashed at all times when walking anywhere around town, including play grounds. You never know when something will startle your animal. Be safe. Pets can get aggressive under certain situations.
- Also please remember to pick up if your dog defecates. Always carry a bag with you.
- We are getting complaints of dogs barking at all hours. Please try to monitor and avoid this when you "**are or are not**" at home. You may not be aware that your dog is causing a disturbance.

Bylaw #6/10

- Hours for outside watering are 7:00 to 10:00 morning and evening.
- Odd numbered addresses shall be allowed to use water for outdoor purposes on odd numbered calendars days.
- Even numbered addresses shall be allowed to use water for outdoor purposes on even numbered calendar days.
- Water restrictions are in effect January to December of each year.
- **Penalties:**
 - First infraction of this Bylaw is \$100.00 (one hundred dollars)

You are not to burn leaves, grass clippings, garden refuse, or any material that when burned will generate excessive smoke or an offensive odor. If smoke from a fire causes an unreasonable interference with the use and enjoyment of another person's property, the fire must be extinguished immediately.

Traffic:

School is starting and the Town of Eatonia is asking that drivers use **extreme caution** on all streets and at crosswalks particularly around the schools and play grounds as safety may not be the first priority in our children's minds.

Please spend a moment with your children to remind them of the basic rules of the road and that the vehicles don't always stop when they are supposed to.

Street lights:

Whenever you see a street light not working, please contact the town office so we can inform SASK Power to fix it.

The town of Eatonia Bylaw officer is Pam Wake @ 460-8908 please Phone her if you have a concern.

Eatonia Oasis Living August News

EATONIA NEWS BULLETIN

SEPTEMBER 2011

August has been a busy month! With the warm weather, the residents have enjoyed spending time outside. They have been tending to the garden and sampling the vegetables, as well as watching all the flowers bloom.

We currently have 21 residents staying at E.O.L. We would like to say Farwell to Nels and Rose Erker, who have returned home to Macklin; and Maynard Mastel, who is now a resident of the Seniors Home in Leader. Good Luck to all of you...you will be missed! We would also like to welcome three new residents... Odelia Pincemen, Lawrence & Violet Wallis. We also had Mabel Knight from Eston stay with us for 2 weeks. Good Luck to you as well, Mabel.

This month's activities have included morning exercises and work bee, as well as baking, bingo, and sitting on the patio making their own ice cream sundaes. On rainy days they like playing the Wii. Wheel of Fortune is definitely becoming a favorite! The ladies also loved getting their nails done on Manicure Day.

Our monthly birthday party was held on August 10th. The residents enjoy a few games of Card Bingo, as well as birthday cake. We would like to thank the Catholic Church ladies for hosting the party. Happy Birthday wishes go out to Dick Turner, Rose Erker, Mollie Herman and Odeila Pincemin.

On August 2nd, Florence Palmer and friends entertained the residents with music and led them in a sing-song! They stayed and shared fresh baked cookies and coffee. Thank you so much ladies!! The residents love music and love to visit with you!

Our volunteers this month included: Ann Verhoeven, Amanda Longmuir and Kaylee Vandale (who helped with a variety of activities); Marie Smith (who organizes all of our crafts); and Amy and Kara (who helped serve our Bacon and Egg Brunch). Your help is greatly appreciated!!

If there is anyone out there that would like to volunteer their time to help out, please contact Vicki or Cora at 967-2447.

Swimming Pool: We would like to thank everyone for another terrific season at the pool and for their patience and understanding as we implemented a new format for swimming lessons. We had a lot of mixed reactions to the one week set and if you didn't get a chance to comment on the new format we would like to hear from you, either call or email the rec office.

The Recreation Board would like to thank the pool staff for all their hard work: Brooklyn Assmus, Randi Somerville, Brooke Parton, Skylor Eisenkirch, Carson Assmus, and Dustin Lee. A lot of time and money goes into training to be a lifeguard and we appreciate all they do. We couldn't open the pool without them. A Big thanks to the kids that helped out in the office, etc. when it was busy too.

Summer Playground: Thanks to the summer playground staff: Morgan Follensbee, Jaydeen Bailey, and Randi Somerville for organizing and running another successful playground program.

Arena: Registration deadline is September 7.
PLEASE register on or before this date so we know the numbers in case we need to contact other communities for hockey teams and to meet SHA deadlines. Post-dated cheques are accepted with registration. This year's registration form is asking for those interested in Figure skating or Power skating as well. Do not register or pay for these programs yet but please return the form if you are interested so that we can assess whether it's feasible to offer these programs and then we will have registration for them.

Soccer: Bonnie Adams and Shelly Eckstein are willing to coach soccer this fall. The plan is to have a low-key local soccer league with two co-ed groups from grades 1-3 and grades 4-6. This could vary depending on the involvement of parents and kids. They will

need co-operation from other parents to help with coaching. If you or your kids are interested please contact the rec office by phone or email or for more information contact Bonnie at 967-2309 or Shelly at 967-2221.

KidSport™: KidSport™ is a children's charity designed to help children of families facing financial obstacles to participate in sport. The KidSport™ goal is to provide these children with the opportunity to achieve physical, social, intellectual and moral development through participation in sport. **For more information contact the Eatonia KidSport™ Committee, Nicole at 967-2557.**

Proud Moments.... Don't forget about new section in the Newsletter called Proud Moments. This section will feature accomplishments from youth in the community worth bragging about, whether it is sports, recreation or cultural achievements, we want to hear about it and tell everyone in the community about your proud moment. Anyone can submit a proud moment to be published either for you or for someone else, just email the rec office at eatoniarec@yourlink.ca and give a brief description.

Saskatchewan Lotteries Trust Fund Grant: Proceeds from the sale of Saskatchewan Lotteries products such as Lotto 6/49, Western 6/49, and Scratch & Win are placed in the Saskatchewan Lotteries Trust Fund.
