TOWN OF EATONIA NEWS

Watering Hours...

Even house numbers can water on even calendar day and odd house numbers can water on odd calendar days. You can water morning and evening from 7:00 to 10:00.

Numbers on Buildings

To help with 9-1-1 we would ask your assistance by putting visible number(s) on all buildings, commercial and residential in front for easy identification of civic (Street/ Avenue) locations.

Elm Trees

Elm trees can only be cut or pruned before April 1st and then not again until after August 31st each year to prevent the spread of Dutch Elm Disease.

Litter – Dogs and Cats Bylaw No. 3/08

If a dog or cat defecates on any public property other than the property of the owner, possessor or harbourer of the said dog or cat, the owner, possessor or harbourer of the dog or cat shall cause such defecation to be removed immediately and disposed of in a sanitary fashion. Failure to cause such removal shall be an infraction of this Bylaw. Penalty (fine) for first offence is \$50.00.

Keep your Pets Immunized... Your pet is a vital family member which keeps companionship in times of need and it keeps your children happy in the worst of times. It is always important to remember immunizations you need to give to your pet. Important pet immunizations can vary depending on the type of pet.

**The Town Office will be

Sorry for any inconvenience**

The Town is offering tax discounts for prepayment of 2012 taxes. The following discounts will be applied to any tax payments made during that month:

May - 2%

June - 1%

Back Alley Garbage Pick Up

Back alley garbage pickup is scheduled to begin Monday, May 7, 2012.

Weather Permitting

Please watch for posters.

***** Water meter reader will be going out around in the last part of April beginning of May.***

If a note is left on your door to read your meter please call the town office as soon as possible with your reading. **

Dogs and Cats have different types of important pet immunizations that it could be a little confusing.

Some important pet immunizations are:

1. Worms Prevention Immunization- Every animal whether cat or dog can get worms. By getting this important pet immunization there is protection from worms which could kill your beloved animals. Worms deprive your animal of nutrients because the worms eat the food before the animal can absorb it. Worms can also infect family members.

2. Rabies Immunization- We all know what happened to Old Yeller and Cujo from this dangerous virus. Rabies is an infectious virus transmitted through a bite. Whether this is from a wild animal or someone's pet, this is why it is important to get your animals immunized to prevent the spread of the rabies virus. No one wants this to happen to their animal.

3. Parvovirus Immunization for Dogs- This important immunization is very essential to your dog. This is a viral infection which affects the white blood cells. In young puppies this could lead to instant death because it affects the heart muscle. The only good thing about this virus is that it is not transmittable to humans. Through immunization, the dog can be protected from this virus.

4. Feline Leukemia Immunization- This is retrovirus that infects the cells and is similar to the human HIV. The blood cells, depending on the environment they live in, can be more infected. The immunization is not 100% preventative because of the care you need to make to keep your cat in clean and non-infectious areas. Indoor cats have a very low risk to the virus.

Whatever the breed of your dog or cat, it is very important to immunize your animal. Important pet immunizations vary from specie to specie and are always good to search for others on the internet. Talk to your vet and see what the best treatments for prevention are, he or she will tell you the important pet immunizations which could help your pet. It is very hard to remember the different vaccinations and immunizations your pets have to go through.

Animal Control – Cat Traps ...Reminder Cat traps are available through the Town Office. We have had complaints regarding other cat traps in the area. If you do own a trap you must report when the trap is being used and the Town will deal with any animal trapped. The Town must hold the animal for 72 hours so if they are someone's pet they have time to claim their pet. There are fines if you are caught using a trap without the Town's approval.

Untidy and Unsightly Property ...No owner or occupant of land shall cause or permit any of their property or adjoining boulevards or lane to be overgrown with weeds; Or to become untidy and unsightly due to the accumulation of new or used lumber, cardboard, paper, newspapers, appliances, tires, cans, barrels, scrap metal or other waste materials or junk.

Junked Vehicles ...Shall cause or permit any junked vehicle to be kept on any land owned by that person.

Outdoor Storage of Materials ... Any building materials, lumber, scrap metal, boxes or similar items stored in a yard shall be neatly stacked in piles and elevated at least 0.15 meters off the ground so as not to constitute a nuisance or harborage for rodents, vermin and insects.

Accessory Building

Accessory buildings shall be kept:

1. In good repair
2. Free of infestation by rodents, vermin and insects; and
3. Free of health, fire and safety hazards

Yards will be inspected throughout the year and if required an order will be sent, in which you will have 15 days from the date of notice to get the order done. If not done the Town ensures that the necessary work is completed and all charges related shall be added to property taxes.

Noise Bylaw ... From the hours of 11:00 p.m. to 7:00 a.m. no noise is allowed that is loud/ unusual or unnecessary and is persistent. There are people who work shift work, etc. and you should take consideration for this between 7:00 a.m. and 11:00 p.m. playing of music, pets, revving engines, etc. Talking with your neighbor could save a lot of grievance in the long run.

All Terrain Vehicles, Etc. (dirt bikes, quads, etc.)... These vehicles are not allowed (All Terrain Vehicle Act) to be driven on any highway, alleys and/ or ditches in the Town. In order to ride on private land, you need the owner's permission in addition to following the rules given The All Terrain Vehicle Act. In addition, the operator can be fined under the Noise Bylaw – first offence \$500.00.

Remember – ATV'S need Liability Insurance

Vehicle and Trailer Parking – The Traffic Bylaw No. 2/10

Vehicles – 72 Hour Limit

All Trailers – 96 Hour Limit

No person shall park any vehicle continuously longer than the time specified.

- A motor vehicle may be parked in any lane for the purpose of loading or unloading, provided that such motor vehicle shall be parked for a period exceeding fifteen (15) minutes, unless written permission has first been obtained from the Bylaw Enforcement Officer for an extension of such time.
- No operator of a vehicle shall stop such vehicle in any of the following places, except when necessary to avoid collision or conflict with each other traffic or in compliance with the directions of a Peace Officer or traffic sign or signal:
 - (a) On the driving lane of any street
 - (b) Within an intersection
 - (c) On a sidewalk
 - (d) On a crosswalk
 - (e) On a boulevard
 - (f) Within four and one-half (4.5m) meters of the driveway entrance to any fire station.

Take consideration for other homeowners, intersections, alleyways, etc.

EATONIA OASIS LIVING

APRIL NEWS

Spring has arrived at E.O.L! The Residents have had an exciting month celebrating the Easter Season, and welcoming the warmer, sunny days. We have started our tomato plants, and are looking forward to planting our stand up garden!

We currently have 22 residents staying at our facility. We welcome Dora Mullen from Dodsland, who has made E.O.L. her new home, and we welcome Alice Marble from Eston and A.C. Steiert from Alsask who are both here for respite care. We bid a fond farewell to Catherine Busby. You will be missed dearly, and we wish you well.

This month's activities have included our usual morning exercises and work bee. We have been doing a lot of baking, and enjoying our wares at our afternoon get together's. Weekly Bingos are still very popular, as well as Balloon Badminton and Guess the Word. Manicures are well attended by the ladies, and there are a few men who come to watch! Marie Smith continues to come up with creative ideas for the bulletin board. Thanks Marie, for doing crafts with the residents!

The United Church ladies hosted our monthly birthday party. Happy Birthday to Violet Wallis, Laviah Hayes and Dora Mullen. We had a wonderful afternoon visiting together over tea and birthday cake. The party was complete with a few rounds of Five Card Bingo. Thank you to everyone who was involved in organizing this!!

The residents have enjoyed visits from the Catholic Church children who are receiving First Communion and celebrating Confirmation. Part of their education is learning that it is important to give back to the community in any way they can. They adopted a "Grand Friend" and spent time getting to know the residents and doing

activities together. Hopefully they will continue to visit after their program is done! Thank you to Eva Rudolph, Jacob Knuttila, Jackson Schuh, Johnathon Stevens, Weelar O'Connor, Kyle Theaker and Johnny Knuttila. It was wonderful having you around!

To all the men and women who volunteer their time to help fulfill the residents' spiritual needs, we thank you. You are greatly appreciated by the residents and staff of E.O.L. for the important service you provide!

We need to thank the Eatonia Health Care Auxiliary for all they do for us. They raise money to purchase linens, equipment and supplies for the residents of E.O.L. Watch for posters advertising the Monthly Bingos! On May 12th the Health Care Auxiliary will be hosting a "Come & Go Mother's Day Tea & Bake Sale." The Tea goes from 2:00 – 4:00 p.m. with the Bake sale starting at 3:00. Please stop by and view the selection of baking available and enjoy an afternoon visiting with the E.O.L. residents. Make sure you buy your tickets for the Mother's Day Raffle!! Any donations of baking would be greatly appreciated as well!

Thank you to all of you who volunteer at Eatonia Oasis Living. Chase and Brody Oomen helped serve Evening Lunch. Becky Hiebert, Donna Henry and Sharon Price delivered Meals on Wheels. Thanks!

The residents always like having visitors. They love to see children and pets. If anyone would like to drop in and spend a few minutes having coffee, participate in an activity or just to say hello, please contact Vicki or Cora at 967-2447.

Our sincere gratitude goes out to all of you who have made a donation of any kind to our facility. We appreciate it very much!!

HAVE A GREAT MONTH!!

The Eatonia Library is having a fundraiser to be drawn on May 6, 2012 at the Eatonia Spring Blingo Brunch. First prize is a necklace and earring set valued at \$356.00. Second prize is a handbag donated by 12th Avenue Fashion. Tickets are \$5.00 each or 3 for \$10.00. The prizes can be viewed at the Prairie Centre Credit Union. The library board would like to thank 12th Avenue Fashion for donating the handbag. E-books for Ipads, Kobos, Kindles, etc can be downloaded and borrowed from the library for 3 weeks. Go to the Wheatland Regional Library website, www.wheatland.sk.ca and click on Library2go to search and download e-books. After you are done reading it you return it just like real books.

The federal government has cut funding to the CAP Program. The CAP is money given to libraries to purchase computers, printers, scanners, ink, desks and chairs that we have in the library. If this program is cancelled, it will mean that the local library board will have to raise money to purchase these items. The libraries are writing letters to the MP's and Prime Minister Harper to ask them to reconsider this cut and let them know how important it is to our library. Please write a letter to the MP in our area.
