- Midget Co-Ed basketball has also started up. They have many participants willing to learn some new skills. They had two home games and did fantastic.

- February 7-8, will be a blast for Eaton girls from grade 4-12 as they can participate in the "Roar" event. It will have mini classes, movies, special guests and most important... a sleepover in the gym!

- On February 13<sup>th</sup> love is in the air with our high school valentine's dance.

Following the dance on February 14<sup>th</sup>, students may buy candy grams to give to a friend or a "lover."

## **Hot Tips for Preventing Cold Weather Damage**

**Most home insurance policies do not cover damage to your home caused by water seepage. Here are a few tips to help prevent damage to your home caused by melting snow & ice:**

- ❖ Move snow away from basement windows and the foundation of your home.
- ❖ Keep eaves clean & free of debris. Make sure downspouts are directed away from the foundation
- ❖ If your basement is prone to flooding, move belongings off of the floor or store them in plastic containers.
- ❖ Make sure roof vents are clear & soffits are not blocked with insulation to prevent ice damming.
- ❖ Remove excess snow from roof. Check your sump pump to ensure it is working properly.

**If you have any questions regarding water damage and your home insurance policy, please call Eatonia Agencies Ltd. @ 967-2201**
