EATONIA OASIS LIVING-Sept 2014 News

The residents of E.O.L. have been very busy this month, spending a lot of time outside enjoying the beautiful Autumn weather. The gardens have been cleaned out and we are enjoying the fruits (or vegetables) of our labor!

Janice Burns is leading "Chair Yoga" three mornings a week for the residents. Something new is always good. We have had a few guests join us from the community. That is wonderful! Thank you so much, Janice! We will soon have to get a bigger room! Craft sessions are also very popular. Thank you to Marie Smith for planning the crafts and to Janice Burns and Nicki Bailey for assisting. The residents were busy baking as well. They made a delicious butter tart square and Eatmore bars which we have been enjoying at our afternoon coffees. The ladies were pampered by manicures. They always look forward to that! Thank you to Linda Radies and Pat Tilbert who assisted with this. A special thanks to Pat, who took over from Vicki when she was called away from work. The residents were happy that their manicures did not have to be postponed! We also held our weekly Bingos. Thank you once again to Alyssa Evans for helping out. The residents appreciate it very much. It is also nice when family members and friends can join us. The more the merrier! Other activities included Guess the Word, Shuffleboard, Movie Afternoons and playing the Wii. We also enjoyed Wheel Chair races again! They are a blast! As you can see, the residents have been busy!

We need to say a special thank you to Taryn Green and Korie Marlow. The hand-made a pillow case for each of the residents! That was very thoughtful, and the residents love them! I am sure you had some help from Grandma Janine!

A "Harvest Tour" was arranged and seven residents took part. We travelled to Eston where we met up with Barb Oliphant (Ida Antony's daughter) and some others at DJ's restaurant to have coffee and a

visit. It was a nice change of scenery, and the residents thoroughly enjoyed it. Six of the residents who went are from the Eston area. Pat Tilbert and Jessie Williams came along to lend a hand. Thank you to all of you! Without volunteers, we would not be able to plan these field trips. Thank you as well, to the Eatonia District Health Care Foundation for letting us use the Handivan. It was a great afternoon.

On September 12, the residents held a Terry Fox Bingo to raise money for the cause. Thank you to everyone who supported us in this fundraiser! There were several people from the community playing Bingo with us. Marie Smith and Pat Tilbert were our helpers. Thanks, ladies!

We had one birthday to celebrate this month. Happy Birthday to May Hill! Thank you to the United Church Women for hosting the party. They led the residents in a few rounds of Five Card Bingo then served a delicious angel food cake. Thank you so much, ladies!

We have had some four legged friends visit us this month. Thank you to Darlene Cogger and her dog, Sage and to Gail and Graham Morgan along with Maggie, for making time for us. The residents love this!

Our sincere gratitude goes out to all the men and women who provide church services for the residents of Eatonia Oasis Living. Thank you to those from the United, Lutheran, Catholic and Christian Fellowship churches. As we have said before, fulfilling the residents' spiritual needs is a very important part of their care. Services are held every Wednesday at 2:30 if anyone would like to join us.

Other volunteers include Winnie Larson and Scott Hilts for helping with evening lunch and Trudy Bews for helping serve our Bacon and Egg Brunch. Thanks to you and all our volunteers. Your time spent here is greatly appreciated. If there is anyone else out there that would like to volunteer at E.O.L. please call Vicki or Cora at 967-2447.

Last, but certainly not least, our sincere gratitude goes out to all of you who have made a donation of

September Rec News

Arena: Arena Registration was September 8. If you missed registration please do so asap.

If you need a form I can mail or email a registration package out.

There is a public skating /shinny pass for all residents that are not registered in the hockey or skating program but still use the arena for public skating or shinny, you will be required to have this pass.

Two deposit cheques of \$500 each per family are required for kitchen and caretaking responsibilities.

Payment is due by December 31, 2014. We accept post-dated cheques for Arena Registrations.

If you have any questions about the forms please contact the rec office.

ICE MAKING: If everything goes well this will begin the Monday after Trade Show (Oct 20). Watch for posters, texts, emails of what's going on and when help is needed.

WORKERS FOR HIRE: We are currently compiling a contact list of people that would be willing to help out at the arena to fill in for caretaking or concession duties. Please call or email the rec office if you're interested or have any questions. We will have 2 separate lists, one for those willing to do caretaking duties and one for concession. We will post your name and phone number for the other workers to contact if they need someone to fill in. We will also gladly accept anyone that wants to volunteer to help out!

Youth Rec Hockey: We are looking at starting a youth rec hockey program this upcoming season.

There will be no travel involved, it will be 1 or 2 nights a week for 1 hour, you will register using the Eatonia hockey registration form, and volunteer shifts will be the same as for other programs. This program will depend on how much interest there is. Contact the rec office if you have any questions about the program.

Skating Club: Watch for more info on this.

Minor Hockey Meeting: TBD -- A date will probably be decided last minute—a rainy day. Everyone involved in Hockey or are new to hockey should attend.

Upcoming Coaching and Referee Clinics are posted on the SHA website at www.sha.sk.ca. Make sure you have all the proper certification requirements.

We are always in need of referees and certified coaches, if you love hockey and enjoy working with kids please consider becoming a coach or referee. Refereeing is a great way to help the community and earn some extra cash.

Arena Clean-Up will be October 14 @ 7pm

Help from all groups, organizations and individuals that use the arena would be greatly appreciated.

Automated External Defibrillator.

An automated external defibrillator (AED) is a portable device that checks the heart rhythm. If needed, it can send an electric shock to the heart to try to restore a normal rhythm. AED's are used to treat sudden cardiac arrest (SCA).

SCA is a condition in which the heart suddenly and unexpectedly stops beating. When this happens, blood stops flowing to the brain and other vital organs.

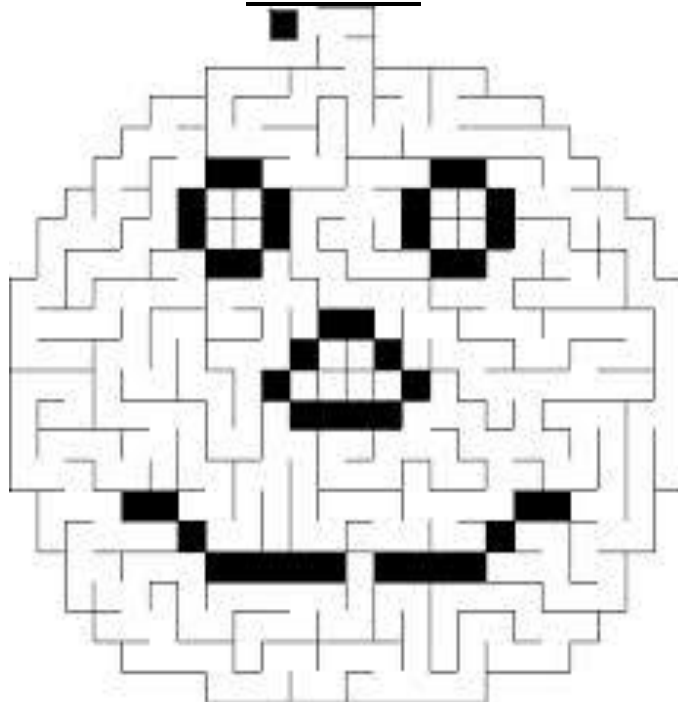

SCA usually causes death if it's not treated within minutes. In fact, each minute of SCA leads to a 10 percent reduction in survival. Using an AED on a person who is having SCA may save the person's life.

The Automated external defibrillators (AED) are located

- 1) Community Hall
- 2) Arena/Pool
- 3) Fire Truck
- 4) Rover
- 5) Co-op Grocery Store
- 6) Co-op Lumber Yard
