2014 Financial Statement **As per Section 185 of The Municipalities Act** **summary of the 2014 Financial Statements** **for the Town**

Management's Responsibility

To the Ratepayers of the Town of Eatonia:

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian generally accepted accounting principles and ensuring that all information in the annual report is consistent with the statements. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Council is composed of elected officials who are not employees of the Municipality. The Council is responsible for overseeing management in the performance of its financial reporting responsibilities. The Council fulfils these responsibilities by reviewing the financial information prepared by the administration and discussing relevant matters with external auditors. The Council is also responsible for recommending the appointment of the Municipality's external auditors.

Gilchrist & Co., an independent firm of Certified Management Accountants, is appointed by the council to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and administration to discuss their audit findings.

INDEPENDENT AUDITORS' REPORT

To the Mayor and Councilors
of the Town of Eatonia

We have audited the accompanying consolidated financial statements of Town of Eatonia, which comprise the statement of financial position as at December 31, 2014 and the statements of operations, changes in net financial assets and cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Town of Eatonia as at December 31, 2014, and the results of its operations, change in its net financial assets and its cash flow for the year then ended in accordance with Canadian public sector accounting standards.

Swimming Lessons

All lessons times are decided once registrations are in and instructors can plan according to numbers, everyone will be notified of their times once they've been decided (this can be a week to a few days in advance). There are no lessons on weekends. Lessons take place in the mornings with the exception of Set 1 which is after school. We offer all levels of Red Cross swimming lessons in each set. If you are unsure in which level to register call the pool at 967-2401.

Important: To those attending swimming lessons please keep distractions at a minimum while lessons are in progress. Talking or other kids playing or running on the deck can distract the students from learning and make teaching more difficult. Absolutely no one is allowed in the pool other than those participating in lessons during their lesson times.

Registration forms will be available at the swimming pool, by email, or download from the town website at www.eatonia.ca

2nd Set: June 29 – July 10

3rd Set: July 13-24

4th Set: July 27-31*

5th Set: August 10-14*

6th Set: August 17-21*

Space is limited so register early.

Register at the pool or the rec office (until the pool is opened for the season)

* Please keep in mind when registering your children in the one week sets that they are more intense and are better suited to stronger and more proficient swimmers. Some swimmers are unable to complete all the skills required in one week.

If you have taken lessons from a different provider then Red Cross just mark on the registration form the last level completed and the name of the provider (i.e.: Lifesaving Society, etc) and you will be placed in the appropriate Red Cross level.

Eatonia Oasis Living News ~ May and June 2015

We have had a couple of very busy, fun-filled months at E.O.L. We have our flowers in and the stand-up gardens planted. We have been spending a lot of time outside, when the weather cooperates, watching everything grow! The recent rain has been a blessing! Thank you to everyone who has donated flowers, seeds, pots and such. It is much appreciated. If anyone would like to help with watering and weeding, let us know! There has also been a lot of construction happening around us—a building is going up at the edge of town and some upgrades going on at the camp ground across the street. There are a few residents who are enjoying watching the action! We have 20 residents living at E.O.L. We welcome Ernal Plum and Gladys Dearborn, who have both moved to our care home. Ernal was here last fall for a short time as a Respite resident, and of course Eatonia was Gladys' home for many years! We hope you both make Eatonia Oasis Living your new home!

We have been continuing with our Morning exercises and Chair Yoga. Thanks once again to Janice Burns and friends for coming and including the residents in your program. They miss you when you aren't here! Other activities include our craft sessions with Marie Smith. Thanks to her and her helpers-Pat Tilbert, Janice Burns and Nicole Bailey. They made some beautiful centre pieces for the Mother's Day Tea. We are still holding our weekly Bingos. Nikki Solvberg has been doing her Work Experience through Eaton School with us and has been able to assist at Bingo, among other things. It has been great having you around, Nikki!

We must thank the ladies and gentlemen who provide our weekly Church services. Fulfilling the residents' spiritual needs is an essential part of their care. You are appreciated by the residents and staff. Sometimes, attendance may seem low, but the service is very important to the ones who do come! Thank you to all of you! Our service is held on every Wednesday at 2:30 if anyone would like to join us. The Eatonia Health Care Auxiliary held a Mother's Day Tea and Bake Sale on May 9th. This was very well attended and enjoyed by all who were there. The Auxiliary raises money to purchase items for the residents of Eatonia Oasis Living. We thank you for your support!

Thank you to the Catholic Church ladies who hosted the monthly Birthday party in May. There were no residents with birthdays this month, but Vicki, our activity director, celebrated hers! The ladies brought a cake and shared it with all the residents. It was a great afternoon. The party in June was hosted by the Lutheran Church ladies, and three residents celebrated their birthdays. Our best wishes go out to Paul Eremenko, Gladys Dearborn and Ernal Plum

The residents had the opportunity to visit the Eaton House in town. The Eatonia Heritage Board presented an interactive art show in May, featuring seniors sharing their life stories and memories. Each exhibit had a personal art project with an audio excerpt to listen to. The Handivan made two trips to the Eaton House while the exhibit was on display. It was thoroughly enjoyed by all that went. Thank you to Wendy Reis, Gail Morgan, Anne Reinhardt and Janice Burns for helping with these trips. We wouldn't be able to go on trips such as these without volunteers. If there are any individuals or group who would like to volunteer their time to assist with activities, provide entertainment or just come for a visit, please contact Vicki or Cora at 967-2447.

Our sincere gratitude goes out to all of you who have made a donation of any kind to our facility.
We appreciate it very much!! Have a Great Summer!!
