TOWN OF EATONIA AWARD SPONSORED BY THE TOWN OF EATONIA

In an effort to support and recognize the youth in our community, the Town of Eatonia is bestowing an **award to a deserving student of Eaton School.**

This award will be given to an individual who has made an outstanding contribution to enhance the quality of life for the citizens of the Town.

To be eligible, this student must meet the following criteria:

1. Must currently attend grade 10, 11 or 12 at Eaton High School
2. Must have demonstrated various volunteer involvement throughout the community.
3. Must demonstrate good work ethic, be in good academic standing and present an overall willingness to assist others.

The successful nominee will be given an award of \$200 which will be presented at Color Night 2016.

To nominate an individual or individuals, forms can be picked up at the town office

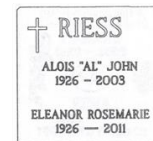

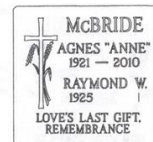

Deadline for nominations is April 29, 2016

Eatonia Cemetery

The council is considering placing a columbarium at the Eatonia Cemetery if there is an interest for it. A columbarium is a vault with niches for urns. A columbarium can range in sizes from 16, 32, 48 or 64 niches. A family can purchase a niche and place up to 2 urns in it. The door on the niche would be engraved like a headstone.

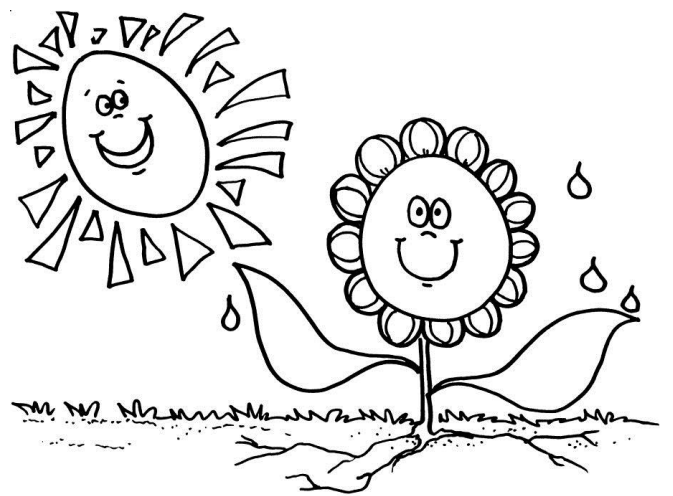

16 Niche vertical Columbarium (8 niches per side)

Examples of text layouts for each niche door. Other options are available.

If you would like more information or are interested in purchasing a niche in the columbarium, please stop by the town office or call the office at 306-967-2251 or Cliff Neufeld, Remco Memorials, at 306-463-7497

April Rec News

Arena:

Another season over at the Arena! It went fast and was a fun year! The Curling Funspiel this year was a great success, with 22 teams entered it was one of the most well attended Funspiel events. Thank you to Castle Lumber for the generous donation of lumber to make the boards for the curling surface! Thanks to Brett Becker for all his efforts in putting in the curling ice this year. Not only did Brett and his crew put in the ice, they also painted all of the donated boards for the ice surface. Thanks to Duane Cridland who put the draw together (no easy task) and to all those who worked the concession and entered the event. IT WAS A SUCCESS!

Swimming Pool:

Swimming registration will be available near the end of April beginning of May.

Eatonia Minor Ball and Soccer:

Registration for Minor Ball and Rec Mini Soccer and Ball went home with students on March 24th. Please fill out and return these forms to the Recreation office at the town hall by April 8th. These forms apply to kids and anyone wanting to coach.

For the last two seasons, Eatonia has entered a soccer team into the Kindersley Minor soccer league. Each year our kids made an impression, and this year we will do the same. Anyone who is interested in organized

minor soccer, can call Ryan @ the Rec office, 306-967-2557

The Sportsman Supper and Auction

The response to this event has been awesome! Thanks to all so far who have bought tickets and donated items for the auction(s). Anyone needing information regarding tickets, or donations for this event can call the Recreation Office.

Proceeds from the sale of Saskatchewan Lotteries products such as Lotto 6/49, Western 6/49, and Scratch & Win are placed in the Saskatchewan Lotteries Trust Fund. Grants from this fund are used to support more than 12,000 sport, culture, recreation and community groups in the province. Community groups in Eatonia receive funding from the Saskatchewan Lotteries Grant Program.

APRIL 2016

I would like to extend a huge thank you to the community of Eatonia for all of the well wishes and congratulatory messages that I received at the time of the 50th anniversary of my business. I was overwhelmed by the kindness of my customers and the community in general. Special thanks to the Prairie Center Credit Union staff, Eatonia Chamber of Commerce, the Town of Eatonia and all of the customers who brought cards, gifts or dropped in with well wishes. Another special thank you goes to my family for standing by me and supporting me through all of my years in business. I wouldn't have been able to stay in business for 50 years without the unending support of my family and this wonderful community!

The **Eatonia Catering Group** has had a very successful past 15 1/2 years catering to functions held at the wonderful hall we have here in Eatonia.

This group has **donated funds**, in the excess of **\$5,000 twice a year**, to various organizations in need of funding within the community, plus we purchase what is needed for the kitchen to run efficiently. This has been accomplished by the very small group of women who setup, organize and serve with the help of some of the community members... which we **always appreciate greatly**, to make these events successful...

like the Stew Supper we just held which was the largest attended so far....175!! Thanks to everyone for the support and the Help!!

BUT this small group is getting "**burnt out**" ... and most of the members will be stepping down.... this is where we **need some new people** to step in and hopefully carry on.

Without this group there would have to be private cater group needing to be hired to accommodate various functions and being they are private.... we the community would see no funding whatsoever.

So please **consider joining this group**...it really doesn't take that much time ... for it does benefit many different non-profit groups along with keeping our Hall utilized.

Eatonia Oasis Living – March 2016

March has been a busy month at E.O.L. We are patiently waiting for the weather to warm up! The snow is back, but surely it won't be here for long! We are anxious to start digging in the flower beds and getting the gardens ready to plant.

We have 19 residents living at E.O.L. There are four empty beds, so spread the word!

The activities this month included baking goodies for our afternoon coffees, manicures, and playing the Wii. We continue to offer morning exercises, and we welcome Janice Burns back to lead the group in Chair Yoga. Thank you once again, to Betty Lou Klein for doing this while Janice was enjoying her holiday. She did a great job while you were gone, Janice! We had some special guests this month. The Eaton School Power Hour group (Grade 1 to 4) was here. They played the Wii, some rousing games of shuffleboard, colored some pictures together and just visited with the residents. EOL was a lively place that day! Thank you for coming to spend time with us. We hope you come back again. Weekly Bingo is still well attended! It is usually on Thursday afternoons, if anyone would like to join us. Bring your quarters and come on down to try your luck!

Birthdays celebrated this month were Peggy Kornelson and Otto Wormsbecker. Happy Birthday to both of you! The Lutheran Ladies hosted the Birthday Party, with Dennis Kanasevich providing entertainment by playing the accordion. A good time was had by all!

World Day of Prayer was held at Eatonia Oasis Living. It was a beautiful service followed by a delicious lunch. Thank you to all that were involved in planning the program and making the afternoon so successful. Thank you to all of the ladies and gentlemen who provide our weekly church services as well. As we've said before, spiritual care is an important part of the resident's lives, and the time you spend here is much appreciated.

We are getting ready for Easter, with Marie at her craft sessions. There are many Easter bunnies crossing our nursing station! Thank you to Winnie Larson for helping. Amy and her Playschool children are coming later this month to decorate eggs with the residents! This has become an annual tradition that we all look forward to! Thank you for thinking of us!

We are fortunate to have four students doing their Career and Work Exploration Program at Eatonia Oasis Living. They are Scott Hilts, Skye Radies, Brett Stimson and Breanne Follensbee. We will enjoy having you here.

Thank you to everyone who has made a donation of any kind to Eatonia Oasis Living. We appreciate it very much!

HAPPY SPRING!!

A great variety of vendors

The families of Catherine Busby would like to thank everyone that supported us after her passing. The hugs, words of sympathy, phone calls, food and baking brought to our house, cards and flowers were all very much appreciated.

We would also like to thank Brenda Simon for the comforting sermon, the UCW for the lunch and Carol Peters for the music at Mom's funeral service.

A special thank-you to the staff at the Kindersley Funeral Home for all the help and support they gave us. It meant a lot to us to have so many details taken care of.

We also want to thank the staff at the Eatonia Oasis Living and Heritage Manor for the care they gave when she was a resident there.

The loss of our mother, grandmother, great grandmother and great, great grandmother will be felt for a long time but the friends and families of a caring community will help us through this difficult time.

We are sincerely grateful.

Joyce Follensbee
Glen (Sarah) Busby
And all our families.

Hantavirus Precautions

Hantavirus is a rare but serious disease that is spread through rodent urine, saliva, or feces. Exposure to rodent saliva, urine or feces can lead to Hantavirus infection, usually by inhaling dust contaminated by these rodent products, especially in a closed or poorly ventilated space. This typically occurs while cleaning out buildings, vehicles or other contaminated spaces. Contaminated dust is easily stirred up inside sheds, cabins, grain bins, wood piles, vehicles and garages.

Hantavirus is not spread from person to person or from pets to humans, only by direct inhalation of contaminated dusts that contain the virus.

While Hantavirus illness is unusual, people who do get sick may have flu-like symptoms and sometimes nausea and vomiting. In rare cases, people may develop a severe lung infection known as Hantavirus Pulmonary syndrome.

To protect yourself during spring cleaning:

- Aerate any potentially affected areas by allowing them to air out for at least 30 minutes before entering.
- Wear goggles, filter mask and gloves when coming into contact with dusts and surfaces that may have been contaminated by mice saliva, urine or feces.

- Avoid using dry cleaning methods such as dusting, sweeping, vacuuming or air-hosing.
- Use wet mopping methods. Rodent droppings should be sprayed with a 10% solution of bleach, and all potentially contaminated surfaces should also be washed with bleach. Allow to air out for another 30 minutes.
- Remove food sources and hiding places for mice.

For more details on preventative measures, visit: <http://www.lrws.gov.sk.ca/hantavirus-disease-guidelines-protecting-workers-public> or email public.health@hrha.sk.ca
