## **December Rec News**

### **Arena:**

The Arena season is in full swing with hockey practices, skating club, hockey games and plenty of kids taking part in shinny and public skating.

Many kitchen shifts and all the caretaking shifts are posted at the Arena, so please sign up for those if you are required to do so. I will do my best to inform everyone when we are short kitchen workers for games but if the shifts do not get filled it will be up to the team playing to work in the kitchen.

**Reminder:** If you are not registered in Minor Hockey or Skating Club, you do require the \$25.00 Family Pass to use the Arena for any shinny or public skating. I have noticed a few people participating in these activities without a pass. The Recreation Board drastically reduced the fee this year to make it affordable for everyone with the hopes that the Arena would be used more for shinny and public skating. If you plan to use the Arena for these activities, please stop by the Recreation Office or find me at the Arena to get your fees paid. Thank you!

We would like to thank Troy Becker for taking care of hooking up and paying for the dish subscription in the Kitchen lobby for the season!

**Christmas Holidays: The Eatonia and District Recreation Board offers free Public Skating and Shinny from December 23<sup>rd</sup> – January 4<sup>th</sup> for your family and friends to enjoy over the holidays!**

Please check the Arena for the most up to date schedule of Public Skating and Shinny times or join Eatonia and District Recreation on Facebook.

### **Co-ed Rec Volleyball:**

Volleyball started Sunday, November 20<sup>th</sup>. We will be playing every Sunday at 7p.m. These evenings are always lots of fun and never fail at providing plenty of good laughs. At this point, we will make teams each week based on who drops in. If we consistently have good numbers, then we will look at making up some more permanent teams. I have decided to implement something extra for those who come play so you may want to make sure you have a few quarters with you! The last night of volleyball before Christmas will be December 18<sup>th</sup> and we will resume on January 8<sup>th</sup>. Again, it doesn't matter how much experience you have, if you're looking for something fun to do then please come on out!

### **Eatonia and District Recreation Board:**

The Recreation Board is currently looking for a new board member. If you are interested in joining the Recreation Board please stop by the Rec Office or call Vanessa at 306-460-7130. Thanks!

DECEMBER 2016

**Payment Policy:**

The Eatonia and District Recreation Board has passed a new policy regarding payment for activities.

All Hockey/Skating fees must be paid in full by December 31<sup>st</sup> of that year. Two deposit cheques of \$500 to cover your kitchen shifts and caretaking duties must be included with your payment and be dated no later than December 31<sup>st</sup> of that year (these are only cashed if your kitchen shifts and/or caretaking shifts are not fulfilled by the end of the season).

Swimming lessons must be paid in full the first day of lessons. Swimming fees must be paid in full by August 31<sup>st</sup> of that year. Punch cards must be paid in full at time of purchase.

Thank you in advance for your cooperation!

**Safe Food Handlers Course:** We are looking at offering a Safe Food Handling Course in Eatonia. In order to do this, we need at least 15 people signed up. Having this course is a great idea if you are going to work in the kitchen at the arena or at the hall. The cost of the course would be about \$60. Please contact the Rec Office if you are interested in signing up.

**Sask Lotteries Trust Fund Grants:**

Proceeds from the sale of Saskatchewan Lotteries products such as Lotto 6/49, Western 6/49, and Scratch & Win are placed in the Saskatchewan Lotteries Trust Fund. Grants from this fund are used to support more than 12,000 sport, culture, recreation and community groups in the province. Community groups in Eatonia receive funding from the Saskatchewan Lotteries Grant Program. Please contact the Recreation Director if you have more questions about this program.

*The Eatonia Recreation Director hours are Monday to Friday 8:30 am – 4:30 pm. Please be considerate of the Rec Director’s evenings and weekends.*

*If you have an urgent matter please contact her, if it is not urgent please email or leave a message at the office and she will return your message during regular office hours.*

*Thank you*

## EATONIA OASIS LIVING - NOVEMBER 2016 NEWS

November is almost over and winter has yet to arrive. We have been fortunate to avoid the snow. Hopefully, it doesn't get too cold out when it does get here!!

We currently have 18 residents living at Eatonia Oasis Living. We bid farewell to Charlotte Preston who has moved to Heritage Manor. It was a pleasure to get to know you, Charlotte. We will miss your big smile!

This month's activities included our usual Morning Exercises. Thank you once again, to Janice Burns and friends for leading us in Chair Yoga Exercises. We had our Craft session with Marie Smith. We built wooden Snowmen to decorate outside. They look quite cute! Thanks to Janice Burns and Winnie Larson for helping with this, and to Marie for coming up with such good ideas. Manicures were well attended and the residents who didn't want their nails done enjoyed having coffee together. We bowled a few rounds with the Bowling Set purchase for us by the Eatonia Health Care Auxiliary. The Auxiliary raises money to purchase items for the residents of Eatonia Oasis Living, as well as bringing in luncheons and hosting afternoon teas. We baked up a storm for the Auxiliary Bake Sale that was held at the Christmas Small Business and Craft Fair. We thank you, ladies for all you do for us! We are glad we could help you back. The E.L.M. Club is still meeting at E.O.L. every Tuesday for cards and BINGO is still held every Thursday afternoon. Come and join us anytime!

Several residents attended the Remembrance Day Service at Eaton School. Thank you to Vicki Oomen for transporting them on the Handivan and to the Eatonia and District Health Care Foundation for the use of the van. It meant a lot to the residents that went. Thank you also to the Eaton School for including us in your programs. It makes our residents feel like they are part of the community.

Thank you to the C.W.L. ladies who hosted the monthly Birthday party. Happy Birthday goes out to Harry Hauta, Margaret McConnell, Charlotte Preston and Katie Dietz. We were entertained by the musical talents of Bob and Rose Hammerlindl, who played some old-time music for us on the keyboard and violin. Thank you to everyone who attended! It was a lovely afternoon. We can't wait to see you again, Bob and Rose!

We will be going to a Christmas Tour of Ann Davey's home. She has amazing decorations! Thank you, Ann for inviting us! We will definitely be in the Christmas spirit when we are done!

We must thank the ladies and gentlemen who provide our weekly Church services. Fulfilling the residents' spiritual needs is a very important part of their care, and everyone at Eatonia Oasis Living appreciates you very much. Our weekly church service is on Wednesday at 2:30 if anyone would like to join us.

Last, but not least we thank everyone who has made a contribution of any kind to our facility. We appreciate it from the bottom of our hearts!

 Eatonia Health District Foundation Board

**Become a First Responder in your community!**

## First Responders are a vital component of the Emergency Medical Services team

To ensure that this vital resource remains available to residents,  
the Heartland Health Region provides a minimum of two First Responder Courses each year.

The role of the first responder is to work with ambulance services to provide emergency care. They ensure the EMS system has been activated, gain safe access to the patient, assess the patient's condition and provide emergency treatment until the ambulance arrives. In rural Saskatchewan first responders reduce the time that patients wait for initial care in the EMS system.

The first responder program consists of 48 hours of classroom instruction that includes CPR, AED training, lectures and hands-on practical training using medical equipment. The training modules covered include anatomy, patient assessment, oxygen therapy, and medical and trauma emergencies to name a few.

If you are interested in providing this valuable service to your community, or if you would like to find out more about the First Responder Program, please contact:

**Eric Blosky, First Responder Program Coordinator**  
306-882-2672 ext. 2234 or [eric.blosky@hrha.sk.ca](mailto:eric.blosky@hrha.sk.ca)

**Jim Cheyne, EMS Care Team Manager**  
306-867-8676 ext. 419 or [jim.cheyne@hrha.sk.ca](mailto:jim.cheyne@hrha.sk.ca)

*Applicants will be required to complete a course application. Approved applicants will be contacted.*

**A First Responder Information Night**  
will be held in Eatonia December 5<sup>th</sup> at 7 PM  
at the Community Hall.

If you would like more information about the First Responder Program or if you have questions please attend this meeting or contact Eric Blosky or Jim Cheyne (numbers listed above).
