The **Eatonia Catering Group** has had a very successful past 15 1/2 years catering to functions held at the wonderful hall we have here in Eatonia.

This group has **donated funds**, in the excess of **\$5,000 twice a year**, to various organizations in need of funding within the community, plus we purchase what is needed for the kitchen to run efficiently. This has been accomplished by the very small group of women who setup, organize and serve with the help of some of the community members... which we **always appreciate greatly**, to make these events successful...

like the Stew Supper we just held which was the largest attended so far....175!! Thanks to everyone for the support and the Help!! **BUT** this small group is getting **"burnt out"** ... and most of the members will be stepping down.... this is where we **need some new people** to step in and hopefully carry on.

Without this group there would have to be private cater group needing to be hired to accommodate various functions and being they are private.... we the community would see no funding whatsoever.

So please **consider joining this group**...it really doesn't take that much time ... for it does benefit many different non-profit groups along with keeping our Hall utilized.

## June Rec News

### Swimming Pool

The pool is scheduled to be open on or around June 27<sup>th</sup>. Swimming lessons start on July 11<sup>th</sup>.

### Swimming Lessons

All lessons times are decided once registrations are in and instructors can plan according to numbers, everyone will be notified of their times once they've been decided (this can be a week to a few days in advance). There are no lessons on weekends. Lessons take place in the mornings. We offer all levels of Red Cross swimming lessons in each set. If you are unsure in which level to register call the pool at 967-2401 or the rec office at 967-2557.

Important: To those attending swimming lessons please keep distractions at a minimum while lessons are in progress. Talking or other kids playing or running on the deck can distract the students from learning and make teaching more difficult. Absolutely no one is allowed in the pool other than those participating in lessons during their lesson times.

Registration forms will be available at the Rec office, swimming pool, by email, or download from the town website at [www.eatonia.ca](http://www.eatonia.ca)

**1st Set: July 11-15**

**2nd Set: June 18-29**

**3rd Set: August 1-5**

**4th Set: August 8-12**

**5th Set: August 15-19**

**6th Set: August 22-26**

Space is limited so register early. Register at the pool or the rec office (until the pool is opened for the season)

\* Please keep in mind when registering your children in the one week sets that they are more intense and are better suited to stronger and more proficient swimmers. Some swimmers are unable to complete all the skills required in one week.

If you have taken lessons from a different provider than Red Cross just mark on the registration form the last level completed and the name of the provider (i.e.: Lifesaving Society, etc) and you will be placed in the appropriate Red Cross level.

### Programs:

One of the biggest obstacles we face in offering new programs for youth and adults in town is finding skilled, qualified and willing instructors to lead these programs. If you are interested in leadership or training courses and willing to commit your time and some travel for training or certification we can help you out. Contact the rec office for more info.

## Eatonia Oasis Living – May 2016

It is nearing the end of May and all is well at E.O.L. The residents have enjoyed spending some time outside now that the weather has improved, even going out to watch the rain fall. A few bulbs have been planted, and the flower beds have been cleaned up, with the help of the CWEX students from Eaton School. We are waiting for warmer weather now to seed our stand-up gardens.

We have 19 residents living at E.O.L. Maurice Healey from Rosetown has decided to make Eatonia his new home. We are glad you decided to stay, Maurice!

This month's activities included our usual Morning Exercises. Thank you to Janice Burns and her group of ladies for continuing with the Chair Yoga. The residents who attend appreciate you very much. We had our Craft session with Marie Smith. Thanks, Marie for making time for us. Manicures were well attended by the ladies. We made ice cream sundaes with all the trimmings and we can't wait until we can enjoy them out on the patio. A few Shuffleboard sessions have been played, and some games of Wheel of Fortune have been won on the Wii. Our weekly Bingo's are still well attended! Watch for posters advertising our fundraising Bingo for the Heart and Stroke Foundation. The Big Bike is coming back June 8<sup>th</sup>. Contact Vicki Oomen if you would like to be a rider. There are still a few seats left!

Vicki and the residents have also been baking for their upcoming Bake Sale along with the Garage Sale they are holding on May 28, the Town Wide Garage Sale Day. All money raised will go towards the activity program at the home.

We continued with our painting. A group of residents, along with the CWEX students and a few staff members finished up their projects, and submitted their artwork to the Eatonia Arts Council's "Visual Art Showcase" which will be held this weekend at the Eaton House. Hope you all get a chance to check this out! We will have their artwork on display at E.O.L. following the show.

There was a wonderful turnout for the Mother's Day Tea & Bake Sale which was held on May 7<sup>th</sup>. Thank You to the Eatonia Health Care Auxiliary and their team of volunteers for making the event so successful, and to everyone who donated baking, prizes and to the Silver Collection. The Auxiliary raises money to purchase supplies and equipment for E.O.L. Anyone who would like to help out with this group, contact Brenda Hoffman or Cora Knuttila.

A bus trip was enjoyed by several residents, touring around the town and down a few back roads, ending the afternoon with ice cream at the 21-44 Store. We didn't go too far, but it was good to get out for a few hours. Thank you to the volunteers who came along, and to the Eatonia District Health Care Foundation for letting us use the Handivan. We hope to plan a few more outings this summer. If there are any individuals or groups who would like to volunteer their time to assist with activities such as this, provide entertainment or just come for a visit, please contact Vicki or Cora at 967-2447.

There were no birthdays to celebrate this month, but the C.W.L. hosted a party anyway. The residents enjoyed visiting, as well as the delicious cake and ice cream! Thank you very much, ladies!

We must thank the ladies and gentlemen who provide our weekly Church services. Fulfilling the residents' spiritual needs is a very important part of their care, and the residents and staff appreciate your efforts very much.

Finally, our sincere gratitude goes out to all of you who have made a donation of any kind to our facility. We appreciate it very much!!

HAVE A WONDERFUL MONTH!!
