The **Eatonia Catering Group** has had a very successful past 15 1/2 years catering to functions held at the wonderful hall we have here in Eatonia.

This group has **donated funds**, in the excess of **\$5,000 twice a year**, to various organizations in need of funding within the community, plus we purchase what is needed for the kitchen to run efficiently. This has been accomplished by the very small group of women who setup, organize and serve with the help of some of the community members... which we **always appreciate greatly**, to make these events successful...

like the Stew Supper we just held which was the largest attended so far....175!! Thanks to everyone for the support and the Help!!

**BUT** this small group is getting **"burnt out"** ... and most of the members will be stepping down.... this is where we **need some new people** to step in and hopefully carry on.

Without this group there would have to be private cater group needing to be hired to accommodate various functions and being they are private.... we the community would see no funding whatsoever.

So please **consider joining this group**...it really doesn't take that much time ... for it does benefit many different non-profit groups along with keeping our Hall utilized.

## Eatonia Oasis Living – April 2016

April has been a busy month for the residents. The weather has been unpredictable, with rain showers, wind storms and snow storms. There have been a few nice days in-between, and we have been able to get outside. Hopefully, Spring has now arrived and we can get out more often. We are planning our gardens, and can't wait to get started! If anyone is cleaning out their flower beds, and has some perennials they would like to get rid of, bring them our way!

At present, we have 19 residents living at Eatonia Oasis Living. Our condolences go out to the family of Kelly Assmus. We will miss him. We welcome Maurice Healey from Rosetown. He is with us for a few weeks of Respite, and may decide to stay!

On behalf of the residents and their families, we would like to extend a huge thank you to the Eatonia Health Care Auxiliary and the Eatonia Oasis Living Board of Directors for planning and preparing the Easter Supper. It was delicious! The Eaton Band students helped with serving and clean up. They did an awesome job! After the supper, we were entertained by the "Cash Back" band, back by popular demand! Thank you to Eatonia Agencies, 4Hire Welding, B & J Farms and the Prairie Centre Credit Union for sponsoring the music. A great time was had by all!

This month's activities included our daily Morning Exercises, Manicures, Shuffleboard and playing the Wii. We have been baking lots for the Auxiliary Bake Sale and for our afternoon coffee cart. The weekly Bingos are still very well attended! Watch for posters for upcoming Bingos to raise money for the Heart and Stroke Big Bike! We hope to have a good crowd!

We are enjoying our time with the Eaton School CWEX students. They painted some pictures with us. You may see some of our work in an upcoming Art Show! The students are getting very involved with all departments in our facility. Maybe we have some future employees!

A group of residents attended the Calvin Vollrath and Friends concert at the Eatonia Hall. It was enjoyed by all who attended. The desserts were wonderful! Thank you to Vicki Oomen for driving the Handivan, Linda Radies and Debbie Lothammer for helping load and unload, the Eatonia Foundation for letting us use the van and the Eaton Band Association for including us. The music brought back a lot of memories for the residents.

We must thank everyone who contributes to our weekly Church services. Fulfilling the residents' spiritual needs is a very important part of their care. You are appreciated by the residents and staff. Sometimes, attendance may seem low, but the service is very important to the ones who do come! Our sincere appreciation goes out to all of you!

This month we celebrated the birthdays of Lavia Hayes and Yvonne Smith. Happy Birthday, ladies! Thank you to the United Church Women who hosted the party. As part of the birthday celebration the residents enjoyed a Sing-Song and cake and ice cream. It was a wonderful afternoon!

Finally, a big thank you to everyone who has made a donation of any kind to Eatonia Oasis Living. We appreciate it very much!

**HAPPY SPRING!!**

MAY 2016

The Community Hall Maintenance Board would like to give a HUGE thank you to the Eatonia & District Chamber of Commerce and the Eatonia/Marengo Travel Group and Past & Present Eaton School Staff for their very generous donations towards the replacement of the bridge at the rear of the hall. This new bridge will be dedicated to the memory of Lenore Bailey, whose passion for travel, love of theatre & drama, pride for our beautiful hall and pride for the town of Eatonia, resulted in so many great events and memories for the people of this community and many outside of it. The following letter was received with the donation from the Eatonia/Marengo Travel Group & Past & Present Eaton School Staff and reads as follows:

**Following Lenore's passing, a collection of money was gathered from members of the Eatonia-Marengo Travel Groups who had travelled to Europe with Doug and Lenore, as well as past and present Eaton Staff colleagues. It is our goal to make a donation towards a project that was near and dear to Lenore's heart.**

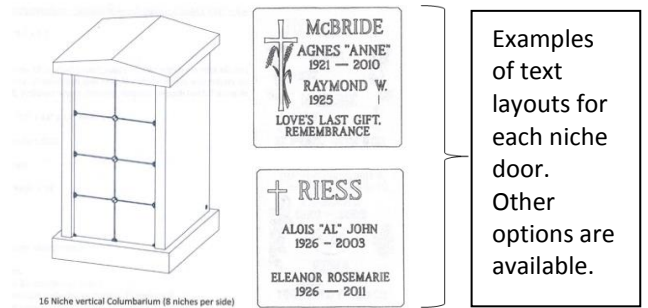

**Over the years, Lenore contributed to the building and upkeep of the Community Hall and she was a member of both the Catering Committee and the Hall Committee. As director of the Eatonia Oasis Players, she also gave to the community and the hall. It is our understanding that she had previously looked into the design/building of a bridge for the courtyard of the Hall and that the Hall Committee is hoping to see this project through.**

**As a group, we would like to make a donation in Lenore Bailey's memory to be put towards a bridge in the Hall courtyard, in recognition of her dedication and commitment to community.**

The bridge is currently being built by Kelly Dearborn and will be installed some time this summer. Again, thank you to both organizations for their donations and tribute to Lenore.

## Eatonia Cemetery

The council is considering placing a columbarium at the Eatonia Cemetery if there is an interest for it. A columbarium is a vault with niches for urns. A columbarium can range in sizes from 16, 32, 48 or 64 niches. A family can purchase a niche and place up to 2 urns in it. The door on the niche would be engraved like a headstone.

If you would like more information or are interested in purchasing a niche in the columbarium, please stop by the town office or call the office at 306-967-2251 or Cliff Neufeld, Remco Memorials, at 306-463-7497

## Cat Repellant for summer use:

**3 cloves Garlic  
1 Tbsp. Cayenne Pepper  
3 ounces Water**

**Mix in a blender until mixture looks like water. Use air atomizer to spray mist over forbidden area.**

## West Nile Virus

Warmer weather is here and it is important to protect yourself from mosquito bites. Not only are bites uncomfortable, but the mosquito that bites you may also give you West Nile virus. Although the chances of contracting West Nile virus are generally low, there are still risks. There are simple and effective measures you can take to reduce the risks.

The risk of being infected is the greatest during the warm summer months. In Canada, this can start as early as mid-April and last until the first hard frost in late September or October.

The majority of people infected with West Nile virus has no symptoms and do not feel sick.

Mild symptoms may include:

- Fever, headache, body aches, mild rash, and swollen lymph glands

While anyone infected with West Nile virus can be at risk of developing more severe symptoms and health effects, such as meningitis and encephalitis, adults 50 years of age and older, and those with underlying conditions and/or weaker immune systems are at greater risk.

Symptoms of severe illness may include:

- Rapid onset of severe headache, high fever, stiff neck, nausea, difficulty swallowing, vomiting, drowsiness, confusion, loss of consciousness, lack of coordination, muscle weakness, and paralysis

Some patients with severe illness could experience a variety of health effects for many months to years after their initial illness.

There is no specific treatment or vaccine for West Nile virus. Serious cases are treated with supportive therapies (e.g., intravenous fluids, respiratory support and prevention of secondary infections) that may require hospital or nursing care.

You can protect yourself from mosquito bites and reduce your risk of contracting West Nile virus by following these simple measures:

- Use insect repellent that contains DEET-Icaridin or other approved ingredients
- Wear light-colored clothing, a long-sleeved shirt and long pants
- Make sure screen doors and windows are in good repair to keep mosquitos outside
- Empty standing water around your home and property

## A HUGE THANK YOU FROM THE EATONIA CAMPGROUND COMMITTEE...

- ...to all the volunteers who helped out that day
- ...to all those who donated pies
- ...to Ray & Leah Cooper for donating the hamburger buns
- ...to Bredy's Country Store for donating the hotdogs
- ...to the Co-op for allowing us to us the BBQ
- ...to the Eatonia Recreation Board for letting us use the Zamboni room
- ...and to Kramer Auctions for allowing us to do the BBQ for the auction.

The campground revitalization project began in 2013 after winning \$4000.00 from the Prairie Centre Community Project Contest. Since then we have upgraded the 8 original sites with water, sewer and power, we have installed a new transformer, so that we are able to have power and water to the 12 new sites that are in the process of being built, we have gravelled the original sites and will gravel the new sites once they are complete. We are also planning on re-planting established trees, planting grass, building a new shower/washroom, building a new sewer dump, installing a communal fire pit and installing an area light.

To date we have received \$24,186.00 in donations from the following organizations/people:

- |                                 |  |
|---------------------------------|--|
| - Prairie Centre Credit Union   | - Mantario Lions Club                    |
| - Eatonia Bull-A-Rama Committee | - RM of Chesterfield #261                |
| - Eatonia Fowl Supper Committee | - Ray & Leah Cooper                      |
| - Clifford & Iris Brummund      | - Ken & Elana Somerville                 |
| - Bryan, Sam & Ken Somerville   | - Eatonia Small Business Loans Committee |
| - Somerville Farms (2014) Ltd.  | - Daryl Lothammer                        |

We have raised \$28,205.77 from the Kramer Consignment Auction lunch which is our major fundraiser.

Our costs, so far, have been \$31,159.38 and we estimate that it will still cost approximately \$85,000 to finish this project.

We appreciate everyone who has donated their time or materials to this project. It has been a huge undertaking but in the end it will be worth it for the residents of Eatonia, guest of Eatonia, and the businesses of Eatonia.

If you have any questions or would like to donate to this project, please feel free to contact one of the committee members.
