APRIL 2017

It's Budget time! At the time of writing this, both Federal and Provincial budgets are set to be released. At the same time your local administration and council are preparing Eatonia's municipal budget; we have a close eye on the provincial budget as we expect a significant drop in a provincial revenue sharing grant due decreased spending and less PST revenue.

Additionally, 2017 was a re-assessment year (you should have received your notice) which values were increased from 2011 levels to 2015, as well as taxable value increased to 80% from 70%.

Did you know that our budget is 35% property taxes, 35% fees for services, and the remaining 30% is grants and donations, Including the recreation board?

As the new town council moves forward we will be reviewing our long-term capital asset maintenance and replacement plan to ensure our facilities are up to date and can continue to attract new residents (2016 Census of 524 persons, up from 508 in 2011) and businesses.

In other town news:

- A new town office is being renovated at 202 Main Street (Previously Prairie Centre Credit Union)
- Tender for replacement of our main water supply line has started. We received a Federal and Provincial grant to cover 75% of the total cost; towns estimated contribution totals \$150,000.
- Planning for Eatonia's Centennial celebration in 2020 has begun.
- Council will undergo strategic planning session later in 2017

If you have any questions, concerns, or suggestions, please contact me via email ([Steven@stevecpa.ca](mailto:Steven@stevecpa.ca)) or text/call (306-838-3919).

I would love to hear from you!

Yours Truly,

Steven Schwartz

Mayor

### **Arena:**

The arena season ended on a good note with the Eatonia and District Recreation Board's Annual Funspiel. This year we had 22 teams join in the fun. The games started on Thursday night with two draws and continued on through the weekend with finals being on Sunday. This year the "A" side winner was the Chad Nunweiler rink, the "B" side winner was the Kurt Douglas rink and the "C" side winner was the Brett Becker rink. We had a Blind Calcutta on Friday night, a Pasta Supper and Barefoot Draw to the Button contest on Saturday as well as a Silent Auction that ran Friday and Saturday. We also had a Double Take Out Board and a Button Board that were sponsored by Leader Electric and the Leader Pharmacy, this was a great way to add a little more fun into the weekend! Many thanks go out to Brett Becker and his crew for the many, many hours that they spent getting the curling ice put in, as well as the many hours of maintenance done this past few weeks to keep the ice in nice shape. Thanks also goes out to Duane Cridland for doing the Funspiel Draw and for answering the many questions that I had throughout the weekend, your experience is a wonderful asset to the Funspiel! Without the many volunteers and sponsors Funspiel would not have been the huge success that it was, many thanks to everyone who helped out in any way and to the many businesses and individuals who donated items or provided cash donations to help us out. Thank you to the many people who supported the Canteen, Bar, Silent Auction, Blind Calcutta, and Barefoot Draw to the Button. Also, a huge thanks to all the people who put teams together to join in the fun...it wouldn't be possible without all of you!

Brett Becker organized a Curling Clinic for ages 6 to Adult. This proved to be a huge success with 24 children taking part in the earlier session a few adults joining in during the later session. Thank you to the members of the Kindersley Curling Club who came out to run the clinic and for lending us extra curling equipment to help make the clinic a success. The participants were treated to free pizza donated by the Harvey Somerville Memorial Slo-pitch fund and drinks and a treat were sponsored by the Eatonia Kitchen Committee. Thank you to Brett, all his helpers and the sponsors for providing such a great opportunity to the participants and for making great use of the curling ice.

We also held a few nights of Rec Co-ed Curling down at the rink and it was just another opportunity to take advantage of having the curling ice in. Thanks to all those who came out and joined in the fun!

Eaton School has also had the opportunity to learn some curling in their Phys. Ed classes this past couple of weeks and they wrapped up with a Mini Funspiel for Grades 3-8. It sure is great to see so many people using the curling ice, it makes the time and effort of putting it in so worth while!

### **Ball/Soccer:**

Minor Ball registration was held on Monday, March 27<sup>th</sup>. If you missed the meeting, no worries, just drop off or email your ball registrations in as soon as possible. With the current registrations, it looks like there will be a T-ball/Rec Soccer team for the 3-4 year olds and a T-ball team for the 5-8 year olds. If you are interested in coaching or helping out, please let me know.

### **Co-ed Rec Badminton:**

On Sunday, April 9<sup>th</sup> we will start Co-ed Rec Badminton at the Eaton School gym. I am going to try offering this to ages 12 to adult in hopes of getting a few more regular participants. We will do this on a trial basis and if for some reason, it does not work out, we will go back to having it for adults only. This will run Sundays at 7pm for a month or so and then we will switch over to Co-ed Rec Slo-pitch. Come on out for some exercise and fun!

### **Pool:**

I am really looking forward to the pool season! I am busy working on getting lifeguards and swimming lessons in place. Please watch the Eatonia and District Recreation Facebook page for updates on lessons and more pool information soon. It is our hope that we can have the pool open and ready to go by mid June at the very latest.

***We are currently accepting applications for full and part time Lifeguards and Swimming Instructors for the Eatonia Pool. Please submit your resume including certifications and experience to the Eatonia Recreation Director no later than April 15<sup>th</sup>. Please include a list of requested days off that you may need. Resumes can be dropped off, mailed or emailed to the Recreation Office. Thank you!***

### **Summer Fun Program:**

I just received word that we were successful in our grant application to make improvements to what was the Summer Playground Program. The new name for this program will be the Summer Fun Program. This year we are going to make some changes to the program. With the help of the Summer Grant that we received from the Community Initiatives Fund, we will be purchasing more equipment and supplies for games and activities and we will also be providing healthy snacks. It is our hope to run the program 3 days a week with a session in the morning for younger children and a session in the early afternoon for older children. Each day the children will begin with an art/science project and will finish off with a physical activity. During this time, they will also be getting a healthy snack and drink. Our goal is to be able to provide organized activities and games for the duration of the summer to as many youth as we can. We also plan to send home information on the importance of physical activity and suggestions for healthy snacks and fun activities for children to do at home. The cost to participate in the program will be very minimal. Please keep your eyes open for more information on this new and improved program soon. It would be really great to see lots of kids take part in the "Summer Fun" on a regular basis!

### **Summer Fun Program Co-ordinators:**

*We are currently seeking 2 or 3 motivated and dependable individuals that enjoy working with children to co-ordinate and supervise the Summer Fun Program in Eatonia this summer. Employment will be 3 days a week throughout July and August. You will be expected to help prepare and plan crafts, projects, games and activities for children ranging in age from 3-14 years. You will be provided paid time for the planning and preparation portion of your work. Please submit resumes stating qualifications, experience and days off that will be needed this summer to Vanessa at the Rec Office by May 1<sup>st</sup>, 2017.*

### **Eatonia and District Recreation Board Bursaries:**

The Eatonia and District Recreation Board will provide two \$100 Bursaries to individuals attending sports/recreation camps this summer. Please submit your application for a bursary no later than May 31<sup>st</sup>, 2017 to Vanessa at the Recreation Office.

### **Sask Lotteries Funding:**

*Please note that all organizations that received funding for April 1<sup>st</sup>, 2016 – March 31<sup>st</sup>, 2017 must have their final report submitted to Vanessa at the Recreation office no later than April 30<sup>th</sup>, 2017.*

Proceeds from the sale of Saskatchewan Lotteries products such as Lotto 6/49, Western 6/49, and Scratch & Win are placed in the Saskatchewan Lotteries Trust Fund. Grants from this fund are used to support more than 12,00 sport, culture, recreation and community groups in the province. Community groups in Eatonia receive funding from the Saskatchewan Lotteries Grant Program.

## *Thank You*

The darkest cloud may bring the greatest shower of blessings.

Such has been the overwhelming outpouring of compassion for our family in losing Naomi and Gram (May) one month apart.

Naomi touched the lives of so very many with her big smile and her big heart. May connected her family and friends with traditions and love. Each has left an immeasurable void in our hearts and lives.

There are simply no words to adequately convey our heartfelt gratitude for the magnitude of caring gestures we have received. To quote a line written in a beautiful message from Naomi's school friend, Jodi Cooke Keeler - "Though the years may go by, it's the heart connections made in the simplicity of a small town that we are forever grateful for."

With sincerest thanks,

*Jim and Belva*
