MAYOR'S MESSAGE

Greetings,

November has come and gone and while not as eventful, thankfully, as October things continued to happen. At the time of this writing we have not yet had the public meeting that was held on November 29th, but I'm sure it went well with a good turnout.

We are entering the later part of the year and will be reviewing our budget for 2018, and while I can't be certain, I don't expect quite as much for capital expenditures; at least planned expenditures.

Speaking of planned expenditures, we've had a few unplanned capital expenses through the year and heading into 2018, most recently some issues with roof leaking at the arena. We are looking at a proper fix which could cost north of \$50,000 which we are looking to work with other stakeholders to complete that project.

Another hot topic at council has been waste and how we can protect the nuisance grounds and keep that a viable asset for many years into the future. We are implementing a bi-weekly curbside recycling program, we hope you utilize it and help divert some of the unnecessary waste. Other potential parts of a solution include tipping fees, weekly bin limits, and closing the open garbage truck; details to be finalized.

Do you ever wonder what council does or is supposed to do? Exert from www.saskatchewan.ca:

Council's responsibility is to make decisions about municipal services, establish policies and provide direction for the operation of the municipality in a manner which encourages participation in the governance process.

While every council is a little different, we are largely a governance board as opposed to operational but do retain some minor operational components. This means rather than being involved in the daily operations we provide the direction and oversight to administration. Our council consists of one mayor and six councillors, all which have an equal vote and voice; the mayor chairs the meetings and has few additional authorities.

It has now been a year since council undertook our current 4 year term. As a newcomer, I had some expectations but there were many things I did not expect; it has been an interesting 12 months and I look forward to the remaining 36.

I hope to see you all out and about through December as there are many local events happening (See upcoming events listed elsewhere in the newsletter.

Happy Holidays & Merry Christmas,

Steven Schwartz

The family of Joan Bailey would like to express our sincere gratitude to our family & friends for all of the hugs, prayers, phone calls, cards, food, flowers & visits during Mom's illness. A huge thank you to those who were there to support Mom when we couldn't always be there. Family, Louise & Avis always a stones throw away.

We would like to thank:

- Eatonia/Mantario United Church
- Barbara Hansen for Presiding
- UCW for the lunch & all the ladies that set up & served

The Brightest Stars Glow Gold

The seas are raging
And the earth throws a fit
Why did you have to leave
You will be sorely missed

Our journey together is now over
Here we have to part
So go, climb your mountain and travel onward
But you'll never leave our hearts

Now, you've reached the highest point
And from there you can touch the stars
So dance on the clouds and sing with the breeze

We know you're never far

Everyone here will miss you
You were truly one-of-a-kind
The brightest stars always glow gold
To match the heart inside.

December Rec News

Arena:

The Arena season is in full swing with hockey practices, skating club, hockey games and plenty of kids taking part in shinny and public skating.

Many kitchen shifts and all the caretaking shifts are posted at the Arena, so please sign up for those of you are required to do so. Hockey families are required to do 8 kitchen shifts and a total of 2 week of caretaking and Skating Club families are required to do 4 kitchen shifts and a total of 2 weeks of caretaking.

Reminder: If you are not registered in Minor Hockey or Skating Club, you do require the \$25.00

Family/Individual pass to use the Arena for any shinny or public skating. Once again, we are having issues with people participating in these activities without a pass. The Recreation Board drastically reduced the fee from previous years to make it affordable for everyone with the hopes that the Arena would be used more regularly for shinny and public skating. The people who have been consistently using the arena for these activities without pass will have their names posted at the arena if they have not paid their fees by mid December. Please stop by the Recreation Office or find me at the Arena to get your fees paid or to purchase a pass. Thank you!

We would like to thank Troy Becker for taking care of hooking up and paying for the dish subscription in the Kitchen lobby for the 2017-18 season!

Christmas Holidays: The Eatonia and District Recreation Board offers free Public Skating and Shinny from December 23rd – January 7th for your family and friends to enjoy over the holidays!

Please check the Arena for the most up to date schedule of Public Skating and Shinny times or join Eatonia and District Recreation on Facebook to view the schedule.

Canada 150 Skating Day:

On Sunday, December 10th from 1-3pm the Recreation Board will be hosting a Canada 150 Skating Day. There will be Skating Days held all across Canada on this day to celebrate Canada's 150th year. This event is free of charge thanks to a grant that we received from the Government of Canada. We will be serving hot dogs, hot chocolate, cupcakes, and will have plenty of games, fun and prizes. Come on down to the Arena with your family and friends to join the rest of Canada while we skate our way into winter!

Co-ed Rec Volleyball:

Volleyball has started! We will be playing every Sunday with Youth Rec (ages 12-16) at 6:30pm and Adults (17 years & up) at 7:30pm. These evenings are always lots of fun and never fail at providing plenty of good laughs. Again, it doesn't matter how much experience you have, if you're looking for something fun to do then please come on out!

Fitness Class:

There will not be a Zumba class on November 27th and the last Zumba class will be on December 5th. Starting Tuesday, December 12th we will be having a one-hour fitness class with the same instructor for 6 weeks. This class will be ½ hour of cardio and ½ hour of weight training. The cost for this class is \$75 and you can register by calling or texting Vanessa at 306-460-7130 asap. Thanks!

Quad Tickets:

The Recreation Board is selling raffle tickets on a 2017 Arctic Cat Alterra 500 Quad and 2017 Arctic Cat 150 Quad. The tickets are \$20 each and are available from Recreation Board members and Minor Hockey parents. The main draw will be held at the Big Bash Ball Tournament but there is an early bird draw at Minor Hockey Day for a table of 8 at the Sportsman Dinner featuring Theo Fleury! Get your tickets for a chance at the early bird prize!

Sportsman Dinner:

The planning is underway for the Sportsman Dinner & Auction being held on Saturday, April 14th 2018. We are very excited to have Theo Fleury join us to share his inspirational story! Sponsorship packages will be going out soon and keep your eyes open for ticket sales coming in December! Tickets would be a great gift idea for that hard to buy person on your shopping list!

Eatonia and District Recreation Board:

The Recreation Board is currently looking for a board member. If you are interested in joining the Recreation Board please stop by the Rec Office or call Vanessa at 306-460-7130. Thanks!

The Recreation Board has been working with Saskatchewan Parks & Recreation as well as Three Rivers West District to review our board and work on where we need to improve as a board and in the community. One of our first steps is getting members of the community to fill out a Community Profile Questionnaire. These questionnaires provide feedback and information on our community that will help determine what area/direction the Recreation Board

needs to move in. If you would be willing to help us out by filling out the questionnaire, please contact Vanessa at the Recreation Office 306-460-7130. Thanks!

The Recreation Board would like to thank:

The Community in Full Colour Co-op Paint Grant for the 23 gallons of paint we received. The paint will help us to continue with improvements at the Arena!

Sam Somerville for donating his portion of the Ballroom Blitz grand prize to the Eatonia Arena! We are very happy you had such a great dance pro to work with and that you pulled out all your moves for the big show!

Eatonia Lions Club for assembling the new tables at the Arena!

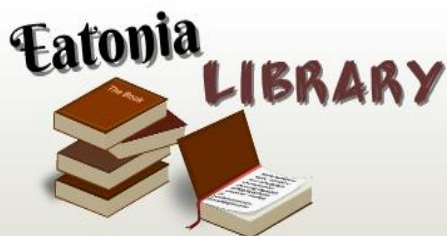

Sask Lotteries Trust Fund Grants:

Proceeds from the sale of Saskatchewan Lotteries products such as Lotto 6/49, Western 6/49, and Scratch & Win are placed in the Saskatchewan Lotteries Trust Fund. Grants from this fund are used to support more than 12,000 sport, culture, recreation and community groups in the province. Community groups in Eatonia receive funding from the Saskatchewan Lotteries Grant Program. Please contact the Recreation Director if you have more questions about this program.

We would like to take this time to extend a **HUGE THANK YOU** to the whole community for wrapping your arms around our family during our most difficult time. We are so very appreciative of all the support, prayers, mass intentions, well wishes, gifts and money you sent our way. Most of all we are thankful that everyone was rooting for our little miracle!! Kenlee is so blessed!! The money we received helped us greatly in our time of need. Our lives were definitely turned upside down, things were so uncertain but with time it slowly got back on track. Kenlee just celebrated her first birthday, the lord has certainly blessed us!! Our little miracle was born at 29 weeks; 2lbs 4.5oz and today we are excited to share that she is 17lbs!! Her little lungs were not fully developed so she spent 6 months on home oxygen- she is completely off of that and continues to do well. We have had some setbacks but continue to look forward to the future. We would like to invite everyone to a come and go birthday party for Kenlee on December 2nd from 2pm-4pm at the community hall meeting room. No gifts are necessary!! If you wish to bring a gift we will donate them to the Ronald McDonald House to help with families that are unable to go home for the holidays.

Ronald

Death ended Ronald Besler's suffering on November 17. Ronald was my wife's nephew, only son of Walter and Ruth Hoffman Besler and grandson of Alfred and Anna Besler who escaped from Ukraine to Canada after the Russian Revolution.

Walter Besler was a remarkable man. He was strong in body and in mind. He expanded a small farm through hard work and through building machines and tools to designs which grew in his own mind. In other circumstances he might have been known as an important inventor.

Ronald was still young when he lost his mother to cancer. Later, Parkinson's disease forced his father to give up active farming. Ronald emerged then as a man like his father – strong, quick-minded, inventive and tirelessly energetic. He, too, was forced to give up active farming too soon, by the onset of dangerous cancer.

My wife Marti and I thank all the people, on both sides of the river, who cared about him and for him during his long and painful struggle. We also thank the people who care about us because they understand that we have come again to a time when there is another empty place in our familiar circle.

There is solace in knowing Ronald's pain has ended and in knowing, for whatever time remains for us, we are in a good place among good people.

The **Eatonia Heritage Board** would like to extend Season's Greetings to Eatonia and community and say thank you for your on-going support.

We have specific people to thank for the volunteer hours that they contributed this past season. Thanks to the following:

- Ron and Brett Becker for their work in bringing the windmill to Town
- Del Price for his work painting the Station and constructing the new windmill vanes
- Ross Cook and Sandy Hyland for their help in refurbishing the Eaton House
- The Town Crew for their maintenance of the grounds

CURBSIDE RECYCLING

The Town of Eatonia has entered into an agreement with Triways Disposal Services to provide curbside recycle collection to residential residents.

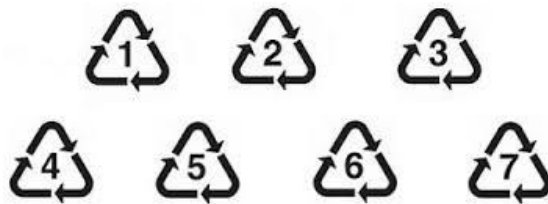

Triways will be dropping off a 95 gallon residential rolling blue cart around the middle of December. The carts will be emptied bi-weekly every second Thursday. The first pickup date will be January 4, 2018. Triways will send the town a yearly schedule that shows pickup days for recycle collection which will be distributed to households and provided on the eatonia webpage.

The recycling service is single stream – a system where all recycle materials, including cardboard, paper, plastics, tin and aluminum products, are placed unsorted in the blue recycle cart.
