June Rec News

Swimming Pool:

We have been busy preparing the pool for the upcoming season and things are coming along nicely. We are hoping to open the pool around mid-June with the first set of lessons starting June 19th.

Swimming Lessons:

This summer we are offering the following swimming lesson sets:

1st Set: June 19 – June 30

2nd Set: July 3 – July 14

3rd Set: July 17 – July 21

4th Set: July 24 – July 28

5th Set: July 30 – August 4

6th Set: August 14 – August 25

The first set of lessons will take place late afternoon to early evening and the remaining sets will take place in the mornings.

Please keep in mind that the one week sets are more intense and are better suited to more advanced swimmers. Some swimmers will find it difficult to complete all the required skills of their level in just one week.

Lesson times will be decided once registrations are in and we can plan each individual set according to the number of participants in each level. You will be informed of your lesson times the week prior to your lessons starting.

It is very important that distractions by spectators are kept to a minimum during lessons. Loud conversation or children running or playing make teaching and learning much more difficult. Please also be aware that there is absolutely no one allowed in the pool other than those who are actively participating in the lessons occurring.

Lesson registrations are available by emailing the rec office at eatoniarec@sasktel.net or by calling 306-967-2557. Lesson fees are **DUE** the first day of lessons and postdated cheques are accepted.

We will have ages 4-8 from 10-11:30am and ages 9-12 from 12:30-2pm. Each day will consist of an art or science project, a healthy snack and some form of physical activity/game. Please contact the Rec Office for a registration form as waivers need to be signed for all kids who plan on attending. This program is being offered free of charge so please plan on joining in the fun as much as possible!

Our “Summer Fun” co-ordinators will be Skye Radies, Danielle Townsend and Quinn Price. If you are interested in helping out on a casual basis, please contact the Rec Office.

DONOR'S CHOICE

Looking for individuals willing to act as chairperson or directors of the Donor's Choice Program.

Some major decisions have to be made before fall. If interested please call

Kathy Nunweiler at 306-967-2691.

If there is enough interest I would like to call a meeting before the end of June. Thanks.

I have had the privilege to have such a long career, with so many amazing colleagues and customers along the way. So many people have supported me, and helped make my 53 years as a hairdresser so successful and rewarding.

The first people I would like to thank are my colleagues. Jan Becker was the first hairdresser to work with me, and she and I were quite a team in the early years, working long hours and having lots of fun. Next came my daughter Shawn, who worked alongside me for 22 years. Without her, I honestly would not have survived, and I mean that sincerely. Barb Wagner has been my most recent partner. I cannot thank her enough for always being there for me when I went on holidays and never saying no. I was also very privileged to have some amazing apprentices, Jody Cooke and Betty Wilson. Jody is a beautiful person inside and out, and a fantastic hairdresser. Betty was very special to me as well. All of the girls who have worked beside me in the salon over the years have taught me lots and helped my business function. I am also thankful to my "shampoo girls," Geri Golightly and my mom Rose. They made many of my early days much easier!

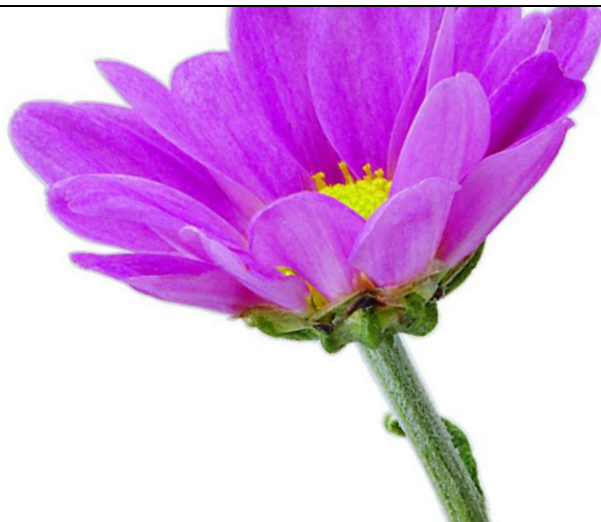

I would not have had a business if it were not for my amazing customers. I am so grateful to live in such a caring community, and many of my customers have become like family to me. The part of my career that I am going to miss the most is the daily interaction with my people. There has been a lot of laughter in my chair, and also a lot of tears. There has been news shared, celebrations, and many, many stories. So many of you have trusted me with not only your hair, but also your triumphs and tragedies, and I am privileged to have formed many great friendships in my salon throughout the years. The fact that I still have some of the same customers I had 53 years ago speaks volumes about your loyalty. I've done the hair of different generations of families, and it has been so interesting to see some of the young people whose hair I cut, bring their own young people in for haircuts and visits.

Thank you for all the many gifts I have received over the years that I still cherish today. I am also so thankful for the many surprises and celebrations, and especially to Iris and friends for all the planning and kindness. Throughout the decades I've seen a lot of style trends come and go, and I've done more than my fair share of up do's (just ask Gail Guidinger). I could write a book about all the funny and crazy things that have happened in the shop over the past 53 years, and many of you would be in it.

I would not have made it in business for this many years without the support of my family. They have made sacrifices and helped me out in so many ways. Thanks to my girls for doing their chores daily at home as they were growing up, allowing me to focus on my work. Special thanks to Shari for always being brave enough to paint the high parts of the building! Both my kids and grandkids have been such a hug help to me throughout the years, and I thank them all very much. I look forward to spending more time with all of them in the coming years.

Thanks to the community of Eatonia for supporting me for all these years, and being such a wonderful place to grow my business!
