Town's Webpage at www.eatonia.ca

EATONIA NEWS BULLETIN

MAY 2017

MESSAGE FROM THE MAYOR

I think it's safe to say that spring is finally here and just as plants spring to life, so will the town. Please watch out for kids in the streets.

Along with the highway work, you can look to see some curbing and paving in Peters court area and other areas of town. Work on replacing the main water line to town will commence soon as council has selected a contractor.

Work is progressing well on the new town office and staff is looking forward to the new space to work out of. Summer students will be starting at the beginning of May; we'd like to welcome back Tamara Parkin and Garrett King for their 3rd and 2nd years back.

Along with Canada's 150th celebration, Eatonia is putting on some fireworks display in conjunction with the Big Ball Bash on July 1st weekend; mark it on your calendar.

Remember that garbage pick-up is changing to back-alley pick up. This is to help keep our streets clean, do your part and pick up litter. There is lots of activity in the area, let's keep our town clean, and a Prairie Oasis people want to come live.

You should have received your 2017 property tax assessments, it was a difficult budget and looking ahead we have many difficult decisions to make. Please share what YOUR priorities for our town? How important are roads and sidewalks to you? Where do you see Eatonia going in the future?

Share your opinion, we will listen! My CORRECT email is Steven@stevencpa.ca and please feel free to contact my cell at 306-838-3919.

Thanks to town staff for all you do.

Yours Truly,

Steven Schwartz, Mayor

Management's Responsibility

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian generally accepted accounting principles and ensuring that all information in the annual report is consistent with the statements. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Council is composed of elected officials who are not employees of the Municipality. The Council is responsible for overseeing management in the performance of its financial reporting responsibilities. The Council fulfils these responsibilities by reviewing the financial information prepared by the administration and discussing relevant matters with external auditors. The Council is also responsible for recommending the appointment of the Municipality's external auditors.

Close Hauta Bertoia Blanchette, an independent firm of Chartered Professional Accountants, is appointed by the Council to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and administration to discuss their audit findings.

May Rec News

The Eatonia and District Recreation Board would like to thank **Matt Hoffman** for the many hours he volunteers to keeping up the plant at the arena. We truly appreciate your time and efforts!

Arena:

Though winter season is over for another year, things are still busy at the arena with upgrades and repairs to the kitchen, kitchen lobby and main lobby. The Recreation Board started work on April 24th and is looking forward to getting things spruced up for next season! Thanks to the Community Places and Spaces grant funded by the Community Initiatives Fund and the Co-op Communities in Color grant we were able to move ahead with these projects.

Pool:

Though it doesn't feel much like Spring or Summer, the swimming lesson registrations have started and we are in the process of getting all our lifeguards in place. This summer the swimming lesson sets are as follows:

- Set #1 - June 19 – June 30
- Set #2- July 3 – July 14
- Set #3 - July 17 – July 21
- Set #4 - July 24 – August 28
- Set #5 - July 30 – August 4
- Set #6 - August 14 – August 25

To register for lessons, stop by the rec office or find the registration form on our Eatonia and District Recreation facebook page. Please keep in mind when registering your child for lessons that the one week sets are more intense and may be difficult for some students. Some students may not be able to complete all the required skills in one week. Please watch for more information on pool opening date, public swim times, etc. throughout the month of May!

Summer Fun Program:

Please keep your eyes open for more information on this new and improved summer program coming out soon. It would be really great to see lots of kids take part in the "Summer Fun"!

Summer Fun Program Co-ordinators:

We are currently seeking 2 or 3 motivated and dependable individuals that enjoy working with children to co-ordinate and supervise the Summer Fun Program in Eatonia this summer. Employment will be 3 days a week throughout July and August. You will be expected to help prepare and plan crafts, projects, games and activities for children ranging in age from 3-14 years. You will be provided paid time for the planning and preparation portion of your work. Please submit resumes stating qualifications, experience and days off that will be needed this summer to Vanessa at the Rec Office by May 8th, 2017.

T-ball and Rec Soccer:

This spring we have T-ball running for kids ages 5-8 coached by Lindsay Larock and T-ball/Rec Soccer for kids ages 3-4 coached by Amanda Longmuir. These programs will run on Monday and Wednesday starting May 1st. If you would like to register please stop by the Recreation Office as soon as possible.

Sask Lotteries Funding:

If your group or organization applied to the Recreation Board for Sask Lotteries Funding for 2017-18 you will be hearing from us in the middle of May. Proceeds from the sale of Saskatchewan Lotteries products such as Lotto 6/49, Western 6/49, and Scratch & Win are placed in the Saskatchewan Lotteries Trust Fund. Grants from this fund are used to support more than 12,00 sport, culture, recreation and community groups in the province. Community groups in Eatonia receive funding from the Saskatchewan Lotteries Grant Program.

EATONIA HARVEST CRUNCH

BULLARAMA

April 20, 2017

Dear past supporter of Bullarama,

Regrettably, the Eatonia Bullriding Committee is announcing the cancelation of this year's event to our sponsors, supporters and various clubs that benefit from our event. We have plans to continue this major fundraising event in 2018, so please look for upcoming meeting dates.

Thank you to all of our many sponsors, volunteers and supporters for your past support and for being patient with us. We hope to see you all back for next year's event.

Sincerely,
The Eatonia Bullriding Committee

Screenings Project

We would like to thank the following for their donations.

Todd Schimpf
Gary Baker
Willis Wilson
Gail, Darcy, & Tim Wilson
Jim Townsend
Perry Bews
Duane Cridland
Ray & Leah Cooper

Thank you

To the R. M. Of Chesterfield council, ratepayers, former fellow employees, friends and all those who organized and attended the April 23rd retirement tea in my honour, I thank you. For the delicious lunch and drinks served that afternoon, and for the many gestures of kindness, cards, gifts and mementos, I am truly appreciative. My years working at the municipal offices in Laporte and in Eatonia were happy ones, and especially, I'm indebted to the people who made that possible: past and current councils, and the taxpayers of the municipality. Bev Dahl

Hantavirus Precautions

Health officials are reminding residents to take precautions against hantavirus when in areas potentially infested by rodents. People can get hantavirus by breathing in contaminated airborne particles from the droppings, urine and saliva of infected deer mice. Hantavirus infection is rare but it can be fatal. Symptoms of hantavirus can occur within one to six weeks of exposure and may include fever, muscle aches, cough, headaches, nausea, and vomiting. These symptoms can quickly develop into a severe and often fatal lung disease called hantavirus pulmonary syndrome. Exposure to hantavirus most often occurs when people clean up enclosed buildings such as grain bins, sheds, barns, garages, trailers, cottages and homes, or farm equipment and vehicles that have been in storage.

When cleaning rodent-infested areas:

- Ventilate the building by opening doors and windows for at least 30 minutes before cleaning;
- Use wet mopping methods and wear rubber or plastic gloves;
- Wear goggles and a well-fitting N-95 type filter mask when cleaning areas contaminated by droppings in a confined space;
- Dampen areas contaminated with rodent droppings with bleach disinfectant and remove droppings with a damp mop or cloth;
- Avoid using dry cleaning methods such as dusting, sweeping, vacuuming or air-hosing;
- Steam clean, shampoo or spray upholstered furniture with a detergent, disinfectant or a mixture of bleach and water; and
- Wash clothes and bedding with detergent in hot water.

You can also reduce exposure to hantavirus by:

- Blocking openings that might allow rodents to enter a building;
- Storing human and animal food, water and garbage in containers with tightly-fitted lids; and
- Moving woodpiles or other potential hiding places for mice away from your home.

For more information on hantavirus, visit the Government of Saskatchewan website at www.saskatchewan.ca/residents/health/diseases-and-conditions/hantavirus and HealthLine Online at www.healthlineonline.ca. For advice on symptoms or when to seek care, call HealthLine 811.

Eatonia Health Center offers physician services Tuesday's and Wednesday's as well as Lab services, Homecare and Meals on Wheels. Please call to book all appointments 306-967-2591.

The Eatonia Library Board

is requesting quotes for the construction and installation of a secure, weatherproof book drop for the Eatonia Library. The book drop would be installed at its current location, which is the east side of the Eatonia Train Station next to the entrance of the library.

The board is looking for a two slot drop in which one slot would be used for the collection of books and the second slot would be used for the collection of DVDs and other electronic media material.

The current drop is located on a cement pad 2 feet by 2 feet, but the size of the drop may be modified if needed.

Please submit quotes for the above to the Eatonia Library Board by **May 31st, 2017** to:

Fulfilling the residents' spiritual needs is an important part of their care, and everyone at E.O.L. appreciates you very much. Our services are Wednesday afternoons at 2:30 if anyone would like to join us.

Thank you to everyone who has made a contribution of any kind to our facility. We appreciate it from the bottom of our hearts!!

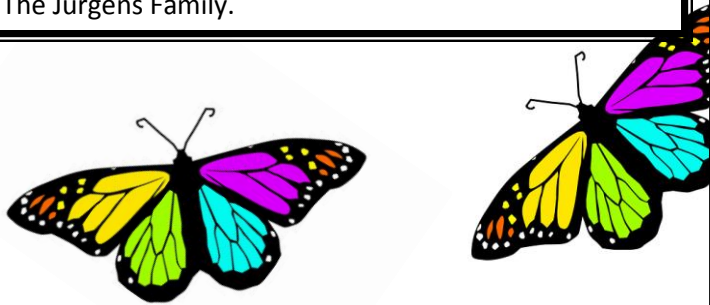

EATONIA NEWS BULLETIN

MAY 2017

Thank you

Our hearts are full of gratitude at the outpouring of your love and support during the difficult passing of our beloved Jerry. Your kindness, lasagnas, soups and pies kept us nourished and fed when cooking was the furthest thing from our minds. The cards, food and flowers touched our hearts, especially those from the fire department and town to which Jerry devoted so many years. Thank you for joining us as we said a fond farewell. Jerry would have been pleased.

With love,
The Jurgens Family.
