MAYOR'S MESSAGE

Spring is here! Kind of. The recent weather changes have presented some challenges for the town crews and some residents as they've been dealing with ice blockages, you may have seen some steam trucks in town. The rink was converted to curling for the annual Fun-spiel and the ice will be taken out during the first week of April. Thank you to all the volunteers who make the arena and all the events happen a possibility!

We are a quarter of the way through the year and days away (at time of writing) to set the towns annual budget for 2018. I will put some details out in the days following the meeting about the process and the outcomes.

If you would be interested in making monthly payments towards your property taxes, please contact the town office and they will work out some arrangements.

You may have noticed some work happening at the cemetery recently and that will continue. There will be a work bee in the spring put on by a revived cemetery committee thanks to a generous donation.

Water quality has improved over the past month with turbidity (cloudiness) being back down to more regular levels. Please contact the town office and sign-up to receive your water meter readings notices via phone, email, or text message.

If you would like to make a complaint regarding town employees, council, or committee members, please submit your complaint in writing to the town office. You may leave in a sealed envelope which will be opened during the next town council meeting, please include your name so that we can appropriately follow-up.

If you would like to attend a town council meeting (2nd Tuesday monthly), please contact the town office and you can be added to the agenda for the next meeting. Regular council meetings are open to the public if you wish to observe our discussions and decision-making processes.

Go to www.eatonia.ca to check for local events, community hall calendar, bylaws, business listings, contact information, and more.

As always, we appreciate any feedback as we are here to serve the residents and ratepayers of Eatonia.

Yours Truly,

Steven Schwartz

Thank You

The Town of Eatonia would like to thank everyone who is making an effort to participate in the town's new recycling program with Triways Disposal. This recycling program was introduced to try and reduce the amount of garbage that was being hauled out to the nuisance grounds and we are pleased to announce that garbage has been cut down by about a third. We encourage everyone to continue recycling and ask that if you have not tried this new service to please give it a shot. All the information regarding your blue bin can be found on our website at www.eatonia.ca or by contacting the town office.

You may have heard, there has been some changes regarding not accepting plastic films such as, plastic grocery bags, Ziploc bags, saran wrap, plastic garbage bags, bread bags, and bubble wrap. Triways Disposal is still continuing to accept these item, meaning you are not required to make any changes to the way you are recycling until further notice. If there are any changes the town will be sure to notify you.

April Rec News

Arena:

The arena season ended with a weekend of fun hosted by the "Raising the Roof Committee"! They put on a Funspiel that ran Friday and Saturday and saw 14 teams join in the action. The concession and pub were open throughout the event for participants and spectators to enjoy. The weekend was a great way for the committee to kick off their fundraising for the roof repairs at the arena. We wish them best of luck with future fundraisers and hope you will all join in supporting their efforts!

Eaton School once again took advantage of having the curling ice in to enjoy some Phys. Ed classes down at the arena!

The community is welcome to use the curling ice! Gather your friends and family and enjoy a fun evening of curling!

The plant shutdown is slated for Tuesday, April 3rd with the ice coming out within a couple days of that.

Sportsman Dinner & Auction:

The Sportsman Dinner & Auction featuring Theo Fleury will be held on April 14, 2018 at the Community Hall. This event is currently sold out but tickets have been coming available quite regularly. If you would like to attend but missed out on tickets please call Vanessa at 306-460-7130 to get your name on the waiting list and we'll let you know if tickets come available!

If you are interested in supporting this event with donation of an auction item or cash please contact Vanessa.

Huge thanks goes out to all those who have sponsored and donated to our event so far, we truly appreciate your support! Thanks also goes out to the planning committee; this event would not happen without all of your help!

The money raised at the Sportsman Dinner goes directly towards operation and maintenance of the recreation facilities in Eatonia.

Ball/Soccer:

Minor Ball registration is wrapping up but if you haven't had a chance to register and would like to please stop by the office or send me an email and I can help you out with that. This year we have 2 t-ball teams and 1 parent pitch team. We have had an amazing response so far as each team already has 12 players registered! Thanks to Pam Schmaltz for coaching parent pitch and to Lindsay Larock for coaching t-ball, your help is very much appreciated. It would be great if we could find one more t-ball coaches for one of the teams.

Pool:

I am working on getting lifeguards hired and we will then move on to getting swimming lessons in place. Please watch the Eatonia and District Recreation Facebook page for updates on lessons and more pool information soon. It is our hope that we can have the pool open and ready to go mid to late June.

We are currently accepting applications for full and part time Lifeguards and Swimming Instructors for the Eatonia Pool. Please submit your resume including certifications and experience to the Eatonia Recreation Director no later than April 19th. Resumes can be dropped off, mailed or emailed to the Recreation Office. Thank you!

Summer Fun Program:

Thanks to Community Initiatives Fund for once again approving our application for the Summer Fun Program. The program will be done similar to last year with it being open to a couple of different age groups 3 days a week throughout the entire summer. The days will consist of arts/crafts, games and a snack. Thanks to the support of the CIF we will once again be able to offer this program free of charge to all participants. With regularly scheduled days each week we are hoping to see a consistent turnout of kids for this great program!

Summer Fun Program Co-ordinators:

We are currently seeking 2 or 3 motivated and dependable individuals that enjoy working with children to co-ordinate and supervise the Summer Fun Program in Eatonia this summer. Employment will be 3 days a week throughout July and August. You will be expected to help prepare and plan crafts, projects, games and activities for children ranging in age from 3-12 years. You will be provided paid time for the planning and preparation portion of your work. Please submit resumes stating qualifications, experience and days off that will be needed this summer to Vanessa at the Rec Office by April 30th, 2018.

Eatonia and District Recreation Board Bursaries:

The Eatonia and District Recreation Board will provide two \$100 Bursaries to individuals attending sports/recreation camps this summer. Please submit your application for a bursary no later than May 31st, 2018 to the Recreation Office.

Sask Lotteries Funding:

Please note that all organizations that received funding for April 1st, 2017 – March 31st, 2018 must have their final report submitted to Vanessa at the Recreation office no later than April 30th, 2018.

Proceeds from the sale of Saskatchewan Lotteries products such as Lotto 6/49, Western 6/49, and Scratch & Win are placed in the Saskatchewan Lotteries Trust Fund. Grants from this fund are used to support more than 12,000 sport, culture, recreation and community groups in the province. THANK YOU for your continued support!

The Eatonia Oasis Players would like to extend a heartfelt and resounding thank you to Eatonia and surrounding communities for your support and encouragement this winter during our preparations for the production of "Suite Surrender". Thank you especially to the Lions Club, Debbie Kroeker and Geri Golightly, the countless volunteers (and Connie and Duane Cridland for organizing them) and all the fans who took in one of our shows.

Also, thank you to the cast and crew of this year's production. After some quick calculations, I estimate each member of our club invested approximately 225+ hours into our club. Their hard work and dedication paid off, resulting in one of our best productions yet.

Congratulations EOP, I am so proud of you!

If your community group/organization would like to be considered for a donation from Eatonia Oasis Players, please submit a letter to: Krista Stevens, Box 94 Eatonia, SK outlining your request.

With gratitude,
Deanna Callsen
