Here we are, quickly approaching the end of the year!

We have recently hosted our annual public meeting, which was held on Wednesday, November 21st. We always encourage residents of town to attend this meeting as this gives rate payers an opportunity to question council and provide suggestions on various things happening in the community. Thank you to those that were able to make it out. If you were unable to be in attendance, one of the topics discussed is our upcoming changes to the residential garbage pick-up. Come middle of December your grey garbage bin will be delivered and the first garbage pick-up will begin Monday, January 7th. Re-occurring every two weeks. Details can be found on the back of this newsletter or on our website at www.eatonia.ca. As well, brochures will be mailed out with your next utility notice beginning of January.

We just want to make mention of the holiday hours for the office and nuisance grounds. The hours for the nuisance grounds have been slightly adjusted to accommodate the holidays. Please note the hours for Monday, December 24th and Monday, December 31st have changed to the mornings. You'll see these listed on the left hand side of this page.

With December comes the annual Old Fashioned Christmas hosted by the Eatonia & District Chamber of Commerce held on December 8th. Watch for posters with all the fun activities happening that day. Hope to see you out!

Wishing you and yours a wonderful Christmas & a Happy New Year!

Yours truly,
Town Council

Thanks to an agreement between the Prairie Oasis Fitness Committee and the Eatonia & District Recreation Board a new fitness program, under the direction of the Recreation Director, has been initiated for youth 14-18 years old. The program runs three days a week after school. The goal is to continue the program in the new year and possibly add another program for younger youth to participate as well.

2019 POOL SEASON:

Thanks to a joint effort between the R.M. of Chesterfield, the Town of Eatonia and the Eatonia & District Recreation Board, new incentives are being implemented in order to attract and retain lifeguards for the 2019 pool season. These incentives are to ensure our pool is open for the 2019 season. Look to future newsletters and Facebook posts for all the latest details. Any public opinions or suggestions towards attracting lifeguards will be welcomed. Interested lifeguards or questions anyone may have are asked to contact the Recreation Office at 306-460-7130.

FOREVER IN MOTION

Forever in motion is a program that helps older adults become physically active. It was developed by the Saskatoon Health Region and now provincially implemented by the Saskatchewan Parks and Recreation Association. The Recreation Director began the training process, which includes seven days in Swift Current to become certified to instruct the program. The goal is to initiate a Forever in Motion program at the Eatonia Oasis Living Center and open it up to members of the community as well. Classes hope to start in the new year.

DONOR'S CHOICE APPRECIATION

Thank you from the committee to:

- ❖ Debbie Adams and co-workers in Eatonia Agencies and Cheryl Bailey and Janay Matthews in the Town Office. Without the cooperation of these ladies, the campaign would not happen. As well, Debbie Adams is to be recognized for her annual donation of office supplies.
- ❖ Prairie Center Credit Union for their supportive donation for administration costs.
- ❖ The donors for a generous response to this year's campaign totaling \$11,700. \$7075 will remain in the community with Eatonia Oasis Living, Eatonia Cooperative Services and Eatonia/Mantario cemeteries.

Finally, appreciation is extended to Kathy Nunweiler as she completes twelve years of volunteering for Donor's Choice. In the role of treasurer, she has had the greatest workload. Thank you Kathy for your commitment and service!

While Bev Dahl has accepted the position of secretary - treasurer, the committee requires a fourth person. Anyone interested in helping with this important organization may contact Bev Dahl, Debbie Kroeker or Belva Martin.

CURBSIDE WASTE COLLECTION

The Town of Eatonia has entered into an agreement with Triways Disposal Services to provide Curbside Waste Collection to residential residents.

Triways will be dropping off a 95 gallon residential rolling grey cart between December 17-19. The carts will be emptied bi-weekly every second Monday. Triways collects on all statutory holidays, except New Year's Day, Good Friday and Christmas Day. The first pickup date will be January 7, 2019. Triways will send the town a yearly schedule that shows pickup days for waste collection which will be distributed to households and provided on the Eatonia webpage.

Triways will provide brochures for each residence explaining the program in more detail which will be mailed out with the next utility billing, picked up at the town office.

Please note there will be no rate increase to your utility notice for the waste collection.

Commercial garbage pickup will still be done by the town on your regular days. No changes will be made to commercial garbage pick-up.

- Animals or animal parts

CEMETERY INFORMATION

The Cemetery Committee has completed Year 1 of projects working toward the huge goal of improvements designed for beautification and easier maintenance.

Previous newsletters have outlined the tree project with Colorado spruce to be planted in spring 2019, the contacts with SaskTel for relocating underground cable, the Department of Highways for the ditch repair and the replacement fence.

Thank you for pleasant cooperation of those families who were approached for grave cover removal. The work load of the town employees along with the unseasonal fall weather slowed this project down. However, the goal to have all concrete and fibreglass covers removed by 2020 Centennial Celebration still remains.

The major innovative improvement for mowing and for monument care was the installation of two concrete sidewalk-like runners on which the headstones are placed. While eliminating the age-old problem of monuments sinking or leaning over time, the neat straight line placing is esthetically pleasing. The project, albeit a test of patience, was successfully completed. It was funded by donations. The committee hopes to continue this direction of improvement.

Appreciation is extended for the willing assistance from R.M. of Chesterfield, R.M. of Newcombe and the Town of Eatonia in providing labour, equipment, gravel and topsoil. Cheers for the fellows on tree removal and "dirt" jobs.

In light of the recent 'hit and run' incident in the cemetery, all families owning monuments are urged to check their household insurance policies. It is essential to have coverage on these valued memorial items.

Finally, thank you to those who have supported our work financially. The contributions from Donor's Choice campaign increased by \$1400 over 2017's cemetery donations. Also, it was most gratifying to be included in the community organizations receiving monies from Eatonia Oasis Players.

Inquiries for further information may be directed to committee members: Troy Becker, Doug Bredy, Cheryl Bailey, Leah Cooper, Brent Watts, Jerry and Bernice Radies, Jim and Belva Martin. We look forward to the return of Bill Wardill with his wise words from the voice of experience.
