MAYOR'S MESSAGE

Bring on May and some warmer temperatures. It's time to put the shovels away! Get out your lawn mower.

Please remember the town watering bylaw, if you are seeding new grass and need additional water times please contact the town office. As well, even numbered houses can water on even calendar days and odd numbered houses can water on odd calendar days. You can water between the hours of 7:00 and 10:00 morning and evenings on your assigned days.

The Sportsman Dinner was held in April and sounds like it was a big success once again. A job well done by all of those involved, thank you for making it happen!

Thank you to Amanda Longmuir for her term as President on the Recreation board and congratulations to Spencer Somerville who was elected by acclamation as President at their recent AGM.

By now you should have received a notice regarding property tax increase for 2018. Residential mill rate was raised 3 percent while the minimum tax was raised by 5 percent.

Total budgeted revenue for 2018 is \$1,373,000. This amount includes different boards, such as the Recreation and the Heritage boards, budgeted revenue. Property taxes generate \$418,000, grants \$494,000, services \$280,000, and fundraised/donations \$181,000.

We have over \$400,000 in capital projects, including finishing a small section of water main from the wells, sidewalks on Main Street, some curbing, and paving.

I will provide additional details next month. If you have any questions now about this, the 2017 Financial Statement, or anything else. Please email steven@steven CPA.ca or 306-838-3919.

Yours Truly,

 Steven Schwartz

May Rec News

Recreation Board:

Eatonia & District Recreation Board would like to take this opportunity to send out thanks to Matthew Hoffman for all the time and effort he puts into operating and maintaining the ice plant at the arena. Your help is very much appreciated!

The Recreation Board would also like to thank Amanda Longmuir and Clayton Schmaltz for the time, work and effort they contributed to the recreation in our community as members of our board. Their resignations will certainly leave some big shoes to fill!

The Recreation Board currently has two board positions available. If you would like an opportunity to be more involved in recreation in our community and would also like a chance to provide input on our programs and facilities you may want to apply! Stop by the Recreation Office or call 306-460-7130 and we can get you an application.

Pool:

I am still working on getting lifeguards in place and trying to make arrangements for lifeguards who are qualified to teach swimming lessons. I know many of you have been looking for registrations and lesson dates and I am doing my best to get that all sorted out. Unfortunately, this year it is looking like we are going to be short-staffed so I am trying to look at a few different options for bringing in extra help. Please watch for more information and updates on the pool in the next couple of weeks.

Summer Fun Program:

Thanks to Community Initiatives Fund for once again approving our application to offer the Summer Fun Program free of charge. The program will be done similar to last year with it being open to a couple of different age groups 3 days a week throughout the summer. The days will consist of arts/crafts/science fun, games and a snack. With regularly scheduled days each week we are hoping to see a consistent turnout of kids for this great program! We will also take a look at what time we offer the program to try and avoid interfering with swimming lessons.

Eatonia and District Recreation Board Bursaries:

The Eatonia and District Recreation Board will provide two \$100 Bursaries to individuals attending sports/recreation camps this summer. Please submit your application for a bursary no later than May 31st, 2018 to the Recreation Office.

If I accidentally missed anyone, please know that your support is truly appreciated!

The 2018 Sportsman Dinner & Auction raised approximately \$70,000! None of this would have been possible without the exceptional support from our community and surrounding communities! These funds go a long way in helping the Eatonia & District Recreation Board operate and maintain the recreational facilities in our community. Thank you!

The Eatonia Fire Brigade would like to send a big thank you to Lindsay Larock for donating her portion of the prize winnings from the 'Ballroom Blitz' Contest.

We will be using the funds to help purchase helmets and lights for our members.

THANK YOU LINDSAY!

Thinking of renovating or building a deck this summer?

Why do you require permits?

Demolition and Building Permits are required and inspections are performed, to ensure buildings provide the necessary life safety and fire safety requirements.

Stop in at the Town Office to see if you'll require a permit for the improvements being done to your home.
