COUNCIL'S MESSAGE

APRIL 2019

Spring is here! The rink was converted to curling for the annual Fun-spiel and the ice will be taken out in the coming weeks. Thank you to all the volunteers who make the arena and all the events happen a possibility!

We are a quarter of the way through the year and council has already met to set the town's annual budget for 2019. More details will be published in the next newsletter about the process and the outcomes of what to expect for the remainder of the year.

Council is requesting that anyone who has a truck, boat, trailer, or any other personal property parked up on 1st Street West, to the south and west side of the old Water Treatment Plant, that you please remove your property from that lot. Due to liability issues and to allow for easier maintenance of the lot we request that you have your item(s) moved off by May 1st.

Just a reminder in regards to the garbage and recycling bins. We ask that you please remove these bins from the streets on non-pickup days and store on your property. This will hopefully eliminate the risk of damages being done to the bins.

If you would like to make a complaint regarding town employees, council, or committee members, please submit your complaint in writing to the town office. You may leave it in a sealed envelope which will be opened during the next town council meeting, please include your name so that we can appropriately follow-up.

If you would like to attend a town council meeting (2nd Tuesday monthly), please contact the town office and you can be added to the agenda for the next meeting. Regular council meetings are open to the public if you wish to observe our discussions and decision-making processes.

Go to www.eatonia.ca to check for local events, community hall calendar, bylaws, business listings, contact information, and more.

As always, we appreciate any feedback as we are here to serve the residents and ratepayers of Eatonia.

Yours truly,
Town Council
