COUNCIL'S MESSAGE

AUGUST 2019

Congratulations to Matthew McKinnon, who is our newest member of council! We look forward to working with him in the months to come.

Thank you to all the lifeguard staff, playground program staff, our Rec Board and Recreation Director, Gwen for working hard this summer to provide services throughout the summer months. Your dedication to these programs and services is greatly appreciated. Go check out the rec pages later in this newsletter to see all the fun and upcoming events they have planned.

The fire ban still remains lifted but please enjoy your fires in a proper fire pit with screen and in accordance to the *Fire Pit Bylaw* (Found at www.eatonia.ca/town/bylaws). Please watch our Facebook page and for posters in the event that a fire ban has to be implemented again.

Notices and phone calls will be sent out later this month to collect water meter readings. If you have not yet signed up for our text or email notices and would like to receive a water meter reading reminder via one of these methods please contact the office. Speaking of emailing, did you know that you can receive this newsletter via email as well? If you are not living locally but like to keep up to date on all the events happening in Eatonia contact the office and they'll add you to the email list.

As we approach the long weekend, it marks the one year countdown to Eatonia's Centennial Event. The centennial committee is working hard to plan lots of exciting things from July 31st – August 2nd, 2020 so mark your calendars! We look forward to celebrating our wonderful community with everyone.

Yours truly,
Town Council

ANNUAL WATERWORKS INFORMATION

Year: 2018

Name of Municipality: Town of Eatonia

Date: July 9, 2019

WATERWORKS RATE POLICY:

The water and sewer rates that are established for the next six (6) years were chosen to be an acceptable rate for residents and businesses. Water and sewer operating expenditures include waterworks' staff salaries, benefits and training; power, heat; insurance; chemicals; repairs; maintenance; supplies; etc.

Below provides the planned water and sewer rate increases of 10 percent every second year over the next six years. To demonstrate the impact, below are estimated monthly charges that reflect the rate increases on the base residential and business rates:

MONTHLY MINIMUM WATER CHARGE:

DATE	PER GALLONS RATE	MINIMUM MONTHLY CHARGE (4000 GALLONS)
January 1, 2020	\$0.01200	\$48.00
January 1, 2022	\$0.01320	\$52.80
January 1, 2024	\$0.01452	\$58.08
January 1, 2026	\$0.01597	\$63.89

WATER OVERTAGE CHARGE (BILLED QUARTERLY):

DATE	PER GALLONS RATE
January 1, 2020	\$0.0089
January 1, 2022	\$0.0098
January 1, 2024	\$0.0108
January 1, 2026	\$0.0119

MONTHLY MINIMUM SEWER SERVICE CHARGES:

TYPE	JAN. 1, 2020	JAN. 1, 2022	JAN. 1, 2024	JAN. 1, 2026
Café/Restaurants	\$17.70	\$19.47	\$21.42	\$23.56
Car Wash	\$10.65 & \$3.99 for stalls over 1	\$11.72 & \$4.39 for stalls over 1	\$12.89 & \$4.82 for stalls over 1	\$14.18 & \$5.30 for stalls over 1
Churches	\$10.65	\$11.72	\$12.89	\$14.18
Garages	\$10.65	\$11.72	\$12.89	\$14.18
Personal Care Home	\$88.58	\$97.44	\$107.18	\$117.90
Suites	\$10.65 each suite	\$11.72 each suite	\$12.89 each suite	\$14.18 each suite
School	\$88.58	\$88.58	\$97.44	\$107.18
Residences	\$10.65	\$11.72	\$12.89	\$14.18
Business/Residence Attached	\$10.65 min & \$10.65 min for each residence	\$11.72 min & \$11.72 min for each residence	\$12.89 min & \$12.89 min for each residence	\$14.18 min & \$14.18 min for each residence
All Others	\$10.65	\$11.72	\$12.89	\$14.18

Council will work towards water and sewer work revenues that cover water and sewer works expenditures. Council will closely monitor expenditures and review the rates on an annual basis.

By planning the water and sewer rate increases ahead of time, residents and businesses will be able to prepare for and adjust to increases. Bylaws will be passed every second year to increase water and sewer rates or sooner if needed.

ANNUAL WATERWORKS INFORMATION TOWN OF EATONIA

The objective of the waterworks rate policy is to work towards waterworks that are self-financing, where the users pay for the costs of the service. To accomplish this, the rates need to increase over time so that the revenues cover operating costs, to the extent possible. At the end of every year of the planned rate increases, Council will review its policy to determine if revenues are covering costs. At that time, Council will also need to consider increasing rates to build the reserves in order to cover future infrastructure maintenance and replacement costs.

This water and sewer works rate policy will work towards financially independent water and sewer works that do not have to compete with other key municipal financial demands under the municipal general revenue fund. This will ensure our waterworks can provide safe drinking water. Also, rates that cover costs will influence consumer demand and water conservation, and self-financing utility works will reduce pressures on property taxes.

CURRENT WATER AND SEWER RATES:

On September 12, 2017, Council passed Bylaw No. 4/17 to fix the rates to be charged for the provision of water and sewer services:

Monthly Water Rates:

4,000 gallons or less	Minimum - \$43.60
Over 4,001 gallons	\$8.10 per 1,000 gallons or part thereof

Monthly Sewer Service Charges:

Cafes/Restaurants	\$16.09 minimum
Car Wash	\$9.68 minimum and \$3.63 for each stall over 1
Churches	\$9.68 minimum
Garages	\$9.68 minimum
Person Care Home/ Health Care Centre	\$80.53 minimum
Suites	\$9.68 minimum each
School	\$80.53 minimum
Residences	\$9.68 minimum
Business with Residences Attached	\$9.68 minimum and \$9.68 minimum for each residence
All Others	\$9.68 minimum

WATERWORKS CAPITAL INVESTMENT STRATEGY:

The objective of the waterworks capital investment strategy is to address anticipated waterworks infrastructure maintenance and future infrastructure replacements in a timely fashion so as to ensure the municipal waterworks provides safe drinking water and that wastewater is managed responsibly for residents and businesses. The strategy uses the waterworks system assessment that was required by Saskatchewan Environment for infrastructure planning.

To cover the costs of future waterworks infrastructure maintenance and replacements, Council will need to undertake, in the future, a combination of increasing water and sewer rates to build the utility reserves and if needed long term borrowing.

This capital investment strategy will ensure that safe drinking water can be provided to the residents and businesses in the community in the present and future.

Replacing the main water supply line that goes from the wells to the water treatment plant was started in August, 2017 and the project was completed on December 13, 2018. The total cost of the project was \$559,279.91. This project was approved for funding under the Clean Water and Wastewater Fund (CWWF). The federal government funded 50%, the province funded 25% and the town funded the remaining share of 25%. The town funded their portion with a combination of the utility reserve and the capital trust fund which are invested in a savings account and from the operating fund. The proposed increases are to rebuild the reserves that were used for this project in order to cover future infrastructure maintenance and replacement costs.

ANNUAL WATERWORKS INFORMATION TOWN OF EATONIA

ANNUAL WATERWORKS FINANCIAL OVERVIEW:

The following annual information on the waterworks, as required under *The Municipalities Regulations*, is to be made available at the municipal office by September 1 of each year:

2018 Waterworks Overview:

Does not include amortization:

Total water and sewer revenues:	\$279,263
Operating expenditures:	\$143,743
Total debt payments on waterworks infrastructure loans:	nil

Comparison of waterworks revenue to expenditures plus debt payments, expressed as a ratio:

$$\frac{\$279,263}{\$143,743} = 1.94$$

Does not include conditional grants and amortization:

Total water and sewer revenues:	\$199,911
Operating expenditures:	\$143,743
Total debt payments on waterworks infrastructure loans:	nil

Comparison of waterworks revenue to expenditures plus debt payments, expressed as a ratio:

$$\frac{\$199,911}{\$143,743} = 1.39$$

RESERVES:

Reserves available for waterworks capital infrastructure as of December 31, 2018 are:

Utility Reserve - \$26,393.53
Capital Trust Fund - \$70,405.98

WATERWORKS ASSESSMENT:

The Round 3 Waterworks System Assessment required by the Saskatchewan Water Security Agency was completed on December 22, 2015 by Pinter & Associates Ltd. On January 5, 2016, Rodney Lemon, Environmental Project Officer deemed the assessment for the town complete and met the requirements of the Saskatchewan Water Security Agency Standard. The Waterworks System Assessment is available at the municipal office.

CAPITAL PLANS:

There are no capital plans for infrastructure projects right now.

AGREEMENTS:

There are no agreements entered into respecting the provision of municipal waterworks services.

Council passed a resolution to accept this annual waterworks information on July 9, 2019.

Remembering Our History

The community of Eatonia is gearing up for a festive celebration for the town's centennial. Ideas and visions are becoming plans in action for Year 2020!

Look back to 1920 – the reason for the celebration. People with ideas and visions were putting plans into action to build a community into a town called Eaton.

Stories of the 1900's from family memoirs are recorded in the Past To Cherish books. While entertaining to read, they tell of extreme obstacles and hardships. So many succumbed; many, including young children and babies died. The cemetery was registered in 1919 as families did their best to preserve the memory of those they buried there. But 100 years of Saskatchewan weather plus the orange lichen plant have deteriorated cement inscriptions rendering them unreadable.

To quote from the book, *"To pioneers such as these, their descendants owe a debt of eternal gratitude."* Grandparents, great grandparents, those "good old guys" and "really nice people" who built the town – let's not let their memorials be lost. Families are encouraged to take a look and put a plan in place to honour their heritage. Kudos to those who have already invested in renewing their monuments.

The ongoing removal of concrete and fibreglass grave covers is a plan of action. The vision.... those grave sites repaired with grass seeded before summer 2020. Families will continue to be contacted for this project. However, individuals, after discussing plans with Town Office, may take their own initiative for cover removal and site repair. Those who have previously committed to upgrade their family plots are asked to complete the task as soon as possible this year.

Granite and marble covers may remain in place, but it is important to note many require maintenance due to tipping and sinking. This work is solely the family's responsibility.

Inquiries for further information may be directed to committee members: Troy Becker, Cheryl Bailey, Leah Cooper, Brent Watts, Bill Wardill, Jerry and Bernice Radies, Jim and Belva Martin. Appreciation is extended to past town council representative, Doug Bredy, for his congenial participation on the Cemetery Committee. Doug qualifies for a seat with the "really nice people".

AUGUST RECREATION NEWS

RECREATION DIRECTOR

The flyover definitely added to the excitement of our Canada Day and was a great kickoff to the afternoon events to celebrate Canada Day. We had 250 cupcakes for the public to enjoy made from Em Squared Cakes - Miranda Maggrah. A pancake breakfast put on by the Eatonia Lions Club. A bicycle parade of 40 bikes decorated with red and white streamers, red balloons, red & white necklaces and all the youth were wearing red/white T-shirts compliments of registering in the parade. They were all behind the Fire Truck with RCMP officers Constable Dunlop & Constable McKay from Kindersley behind the parade in an SUV. Our pool was free all day for everyone and then a BBQ at Eatonia Oasis Living with a silver collection. At the end of the evening kids enjoyed bouncing in a castle and swimming again. We are already working on Canada Day in 2020 with another application for a flyover, entertainment, and much more. All this was possible by the Canadian Heritage Grant for Canada Day.

For next year's Canada Day celebration we are currently taking \$100 "Bangments" at the Town Office for doing separate fireworks for Congratulations for Birthdays, Anniversaries, Baby Announcements and Wedding Proposals. This includes music with fireworks before the main event. Fireworks for Canada Day for 2020 will be on Tuesday, June 30, 2020 as the Firework technician is booked for Canada Day.

EATONIA OASIS LIVING GROWING PROJECT 2019

We have been given the use of land by Mobil Grain/Big Sky Rail and the Town of Eatonia for a nominal fee and have partnered with a local farming company who has seeded Yellow Mustard for us. We have also partnered with Nutrien Ag Solutions who donated the seed and some of the chemical! We have an account set up at Nutrien Ag Solutions as well, for other expenses that incur. If you would like to contribute to this most worthy project, a charitable donation tax receipt can be given! Thank you to all who have helped make this happen!

We would like to thank the following who have supported this project so far:
