## COUNCIL'S MESSAGE

Here we are, quickly approaching the end of the year!

We have recently hosted our annual public meeting, which was held on Thursday, November 21. We always encourage residents of town to attend this meeting as it gives them an opportunity to ask the council questions and provide feedback on concerns they may have. Thank you to all those that were able to attend.

One of the questions from the meeting was where does the money go for a fire call. Any money paid for a fire call goes to C.E.N. Fire Protection Association to cover costs to service the equipment, make necessary repairs, supply engine fuel, lubricants and any other supplies required to keep the equipment in operating condition; prorated share for power, energy and insurance for the fire hall; and wages to members of the Eatonia Fire Brigade for operating the truck and equipment in answer to calls and otherwise assisting in fighting fires originating from the area.

Another questions was how can residents be made aware of issues that the RCMP are dealing with. People can subscribe to the Sask Crime Watch Advisory Network, [www.saskcrimewatch.ca](http://www.saskcrimewatch.ca). It is very easy for people to subscribe too and receive police safety alerts and requests for assistance from the RCMP. It only takes a few minutes to sign up.

With December comes the Old Fashioned Christmas put on by the Eatonia & District Chamber of Commerce which is held on Saturday, December 14, 2019. Bring your family for a visit and photos with Santa. Kids can shop at Santa's Shop for their family. Lots of activities planned that day for everyone to enjoy.

Wishing you and your family a Merry Christmas and a Happy New Year!

Yours truly,  
Town Council

On September 10, 2019, the council of the Town of Eatonia passed the Protective Services Cost Recovery Bylaw No. 2/19 where the cost of fire prevention, suppression and emergency response services will be charged to the property owner who receives the service. This means that residents will be responsible for paying their own fire protection services. This will come into effect on January 1, 2020.

The Town of Eatonia, R.M. of Chesterfield No. 261 and R.M. of Newcombe No. 260 established a fire protection district which is known as the CEN Fire Protection Association. This association provides fire protection services to all residents within the boundaries.

Below is a breakdown of the fees they charge for fire protection services:

<u>SERVICE PROVIDED</u>	<u>FEE CHARGED</u>
Rural Call Out for the 1 <sup>st</sup> Hour	\$1,000.00
Urban Call Out for the 1 <sup>st</sup> Hour	\$1,000.00
Extra Call Out Hours Prorated After 1 <sup>st</sup> Hour	\$500.00 per hour prorated
Man Hours	\$15.00 per man per hour prorated
Extrication for the 1 <sup>st</sup> Hour	\$500.00
Extrication After the 1 <sup>st</sup> Hour	\$500.00 per hour prorated
Oil Field Call Out to Industrial Site	\$1,800.00
Non Production Call Out After 1 <sup>st</sup> Hour	\$450.00 per hour prorated
Single Engine Aircraft Tanker (SEAT)	As invoiced by the Provincial Government

If the fire department is dispatched for a false alarm, the property owner will be charged a fee as per the rates set out above. A false alarm is any incident in which fire personnel are paged or respond to a fire alarm system or security alarm system that is activated by mistake or as a result of a malfunction. Make sure to check your fire or security alarm system on a regular basis to avoid a false alarm.

**Make sure to check with your insurance broker to make sure that you have coverage for fire protection services in your policy.**

If you have any questions about the Protective Services Cost Recovery Bylaw, please contact the town office or a council member.

A HUGE thank-you to the wonderful staff at E.O.L.  
for care given to me.  
THANK-YOU also to everyone for visits, phone calls,  
cards and gifts. Much appreciated.  
MERRY CHRISTMAS to all & HAPPY NEW YEAR!  
LORNA CRIDLAND

## JUST A REMINDER....

As of January 1, 2020, the residents of the Town of Eatonia, as per Bylaw No. 2/19, will be responsible for paying their own Fire Protection Services.

If you have a home/tenant/condo policy with **SGI CANADA**, you will have to buy this coverage separately. The cost is \$20.00 for the first \$5,000.00 of coverage and \$10.00/\$1000 for higher limits. **Please be advised that coverage will only apply to a “fire” loss – not “false” alarms.**

If you have any questions or would like to have this coverage added to your policy, please contact our office.

## DECEMBER RECREATION NEWS

It's been a busy month in November and I would like to thank all the people that came and spent endless hours doing repairs in the arena, flooding, painting lines, caulking, starting up the plant and everything it includes to have a wonderful skating/hockey season.

The hockey signs in the arena for the 2019/20 season are well underway and we would like to say thank you to NRB Holdings, Tisdale's Sales & Service, 4-Hire Welding, KEE Sheet Metal, Hill Acme Machine Ltd., Owens & Sweitzer Ltd., G-Mac's AgTeam, All West Sales, Somerville Farms (2014) Ltd., Longhorn Oil & Gas Ltd., Kindersley & Dist Co-op Ltd., Richardson Pioneer Ltd., Baker & Hughes, Kindersley Trailer Sales Ltd., Eston Sheet Metal, AGT Foods, and Ritchie Bros. Auctioneers. We still have a few more coming in as well and I am waiting to see if Amazon/Facebook get back to me as well. If anyone would like to volunteer their time to assist the Rec Board in taking signs up and down feel free to call Gwen at 460-7130.

Would anyone happen to have a key to the skate sharpening room that they no longer require? Please feel free to drop it off at the Town Office. Would you like to learn to sharpen skates? Please see/call Gwen for more details.

I would like to say thank you to 4Fifty4 Dance Company for being our 1st business to have a banner at the pool for the summer season. If you would like more information on displaying your business logo, signage, family announcements and creative signage on a banner at the pool please call Gwen at 460-7130.

Thank you to all the youth that came to decorate my office windows for Hallowe'en and to all the youth that handed in their Hallowe'en quizzes. We had 2 winners that won a dozen cupcakes and extra-large candy bags. We had another family win a pizza from 21-44 and extra-large candy bags too. Winners are posted on our FB page.

I am looking for creative youths again to do a winter scene on my office window in the next week, please get a hold of Gwen if you are interested. A Christmas quiz will be going out soon to the Town Office and to the Eaton School. Feel free to hand it back to the Town Office by December 20/19 by 4pm please. Prizes will be given out January 2/20 between 1-4pm at the Town Office.

Youth that are of the ages of 14 – 15yrs of age will need to acquire the Young Worker Readiness Certificate Course for Saskatchewan, before applying for summer positions coming up this 2020 season. You will need to:

1. Complete the YWRCC and obtain a Certificate of Completion;
2. Provide your employer with a copy of your Certificate of Completion; and
3. Provide your employer with proof of age and written consent from a parent or guardian.

We had a few people that got too busy and were unable to be on the Sportsman Dinner Committee this year. Please welcome aboard a couple of new people; Matt McKinnon, Randi Somerville and Maryanne Becker. If you would like to help with the event please contact Gwen at 460-7130.

The Arena TV in the lobby by the pop machine has the rink schedule displayed on it. Please leave the TV on 24/7 as many people come to check it throughout the day and evenings. If you would like to have the google calendar assessable on your computer please email me and I'll add you. You can also view it on the Town of Eaton web site under recreation and then under arena. The schedule is done till the end of March 2020.

If any youth have any comics they draw or jokes related around recreation, feel free to come see Gwen about putting it in the Recreation News area of the newsletter with your own byline.

A friendly reminder that all recreations fees for the rink, swimming, skating, bonspiel, sportsman dinner and other rec fundraisers are to be paid by cash, e-transfer, member direct through any credit union or cheque please.

The Recreation Board is accepting applications for 2 vacant positions. If you are interested in joining the board and have an interest in recreation in our community, please contact Gwen for an application.

If it's cold and snowy, it's Playoff Football time! This was the case on Saturday, November 9<sup>th</sup> when the 1A 6-Man championship game featured the Kerrobert Rebels and the Eaton School Spartans in a battle for the Provincial title.

The Spartans finished the regular season with a 4-2 record while the Rebels were unbeaten. Both teams advanced to provincial quarter finals. On the road to the provincial final, the Eaton Spartans first travelled to Hague where they defeated the Hague Panthers, first in their league, by a score of 42-16. The next weekend, the Spartans were bound for Southey to challenge the Robert Southey Screaming Eagles in the provincial semi-final. The game against the Eagles was an intense match-up between two strong teams. At the end of Q1, Spartans led 16-14; Q2 22-20; Q3 44-20 and a final score of 44-36. The Spartans were off to Kerrobert to take on the Rebels for the 6-Man 1A Provincial title! It was the first time in 20 years that the Spartans would play for the Provincial Championship, having won back-to-back titles in 1998 & 1999 when Coaches Clint Hayes and Chad Guidinger were players on the teams.

The sidelines at Kerrobert were flooded with Spartan fans sporting school colors of black, red and white and cheering on the Spartans in their quest for the championship title. After the kickoff, Kerrobert Rebels were first on the board. Spartans battled back to score their own touchdown and then shortly after, an interception by the Spartans led to a second touchdown. At the end of the first quarter, the score was 12-8 for the Spartans. In the second quarter, Spartans scored a trio of touchdowns; Rebels got some momentum back with a couple of their own. At the half, Eaton led 30-26. In the second half, the Rebels started with the ball and were able to take the lead 34-30. The Spartans soon took over, completing a couple more touchdowns of their own, bringing the score to 44-40 for the Spartans at the end of the third. It was definitely a nail-biter of a game! The final quarter saw the Spartans put up another 19 points through strong offensive and defensive play. Spartans were victorious, defeating the previously undefeated Rebels, with a final score of 63-48. Eaton Spartans are the 2019 1A 6-Man Provincial Champions!

Eaton School, Westcliffe Composite School, the communities of Eatonia and Marengo, and all Spartan Alumni are extremely proud of these boys and their accomplishment. Congratulations to the team:

## EATONIA CEMETERY INFORMATION

The Cemetery Committee has completed Year 2 of projects working toward the challenging goal of improvements designed for beautification and easier maintenance.

Included were:

- 1) the ditch repair and grass seeding by the Dept. of Highways.
- 2) the planting of 58 Colorado spruce trees on two sides of the property with the installation of drip irrigation. Ron Theaker is to be recognized for his donation of the trencher while the town employees provided the labour. All costs were met by the committee.
- 3) the installation of two concrete runners on which 40 monuments were placed. Families helped the committee with the cost of construction. R.M. of Chesterfield supplied gravel.
- 4) the removal of 29 concrete and fibreglass grave covers by the town employees for a fee imposed by Town Office. Appreciation is due Lyle Jeffries and Jeff Stevens for supplying topsoil for grave repair.

Looking ahead to Year 3 in 2020, projects planned include:

- 1) the replacement fence along the highway.
- 2) the planting of 100 additional Colorado spruce trees. After a lengthy and costly legal procedure, approximately an acre of land was procured. It will support two rows of trees on three sides of the cemetery.
- 3) the removal of more concrete grave covers. It is disappointing to report of those families who, in 2017, had committed to do their own work, only one has completed the task. We urge the others to help us reach our goal of all covers removed before the Centennial celebration.

As the Centennial Committee anticipates a large attendance, it is expected many will visit the cemetery. We hope everyone with family graves will do their part to ensure these visits are emotionally rewarding. Due to the time restrictions of August 1 completion, the concrete runner project is placed on hold.

Appreciation is extended for the willing assistance from R.M. of Chesterfield and the Town of Eatonia in providing labour and equipment. Thank you to those who have aided our work financially – through private donations and through Donor's Choice. And again, it was most gratifying to be included in the organizations receiving monies from Eatonia Oasis Players.

The Cemetery Committee is funded totally by donation. Anyone wishing to participate in the upcoming projects is welcome to do so with the appreciation of the committee. Cheques addressed to Town of Eatonia, Cemetery Committee will receive a charitable donation receipt.

Inquiries for further information may be directed to Committee members: Troy Becker, Matt McKinnon, Cheryl Bailey, Leah Cooper, Brent Watts, Bill Wardill, Jerry and Bernice Radies, Jim and Belva Martin.
