COUNCIL'S MESSAGE

SEPTEMBER 2019

Summer is nearly over and the students will be heading back to the classrooms on September 3rd. Please watch for students as they are walking or biking to and from school.

Thank you to our summer students Hannah Eckstein and Hayden Kulyk for all their hard work this year.

The pool will be closing on Monday, September 2nd with a dog swim from 5:00 p.m. to 7:00 p.m. The last day for the playground program is Thursday, August 29th. Thank you to all the lifeguards and playground program workers for an excellent job done. It is hard to believe that the summer is over and the ice will be going in soon.

In an effort to help reduce the waste taken out to the nuisance grounds Kelly Dearborn has begun taking compost material. All the information on what is acceptable and not acceptable can be found on the last page of this newsletter. They ask that all material be emptied out of any plastic bags and placed in to the pit. Any questions feel free to contact Kelly Dearborn.

Yours truly,
 Town Council

To The Ratepayers of the R.M. Of Chesterfield No.261
PUBLIC NOTICE

R.M. Council is once again asking the ratepayers to refrain from the following:

1. Utilizing "grid" the road allowance for personal profit by planting crops on property owned by the municipality without the consent from council.
2. Spraying unauthorized chemical on municipal property, including approaches, without consent.
3. Destroying signs posted on municipal property stating "Do Not Plow the Ditches."

Over the years, council has repeatedly asked ratepayers to refrain from the above mentioned and councils requests verbally and written have been ignored.

The actions of ratepayers that directly incur costs to the municipality may be held responsible for those costs including grass seed, signage, labour and what the municipality deems as "damage" under the Municipalities Act.

The R.M. Of Chesterfield has the right to maintain the road allowance including cutting crops that have been planted on municipal property.

The municipality has considered hiring a by-law officer to rectify the above mentioned and all rate payers will have to burden the cost.

Council will address any questions, concerns or comments at the next council meeting scheduled Tuesday, September 10th, 2019.

This notice is effective immediately.

I would like to thank you for funding my daughter Krystine's dog Torrance, through the Dog Guides of Canada. Last summer we got the call for our first interview. A month later I got the call that Krystine was accepted! I started to worry how I was going to pay for the dog. Only to be told that I was getting the dog for free! That was such a huge weight lifted off my shoulders as I am a single mother. It all happened so fast because before I knew it I was being flown out to Oaskville, ON. To start training in Nov. 2018. I had such a wonderful time while Torrance and I were training.

I cannot believe how much our lives have changed since Torrance has been in our lives! Going out shopping or going out to eat has been so much more enjoyable with Torrance.

We recently stayed in Regina to visit with grandma from Toronto. The last time grandma came down it was very stressful for me. This time actually felt like a vacation! Everyone had a wonderful time. Even when Krystine hurt her fingers on the hotel slide. Torrance was there to snuggle and comfort her. It was such a sweet moment between a dog and his girl!

Again I would like to thank you so much! Our family is very grateful to have gotten Torrance and that wouldn't have been possible without you!

Sincerely, Cynthia Cerney
