COUNCIL'S MESSAGE

Thank you to all the lifeguard staff and playground program staff for working hard to provide services throughout the summer months. With all the new guidelines and regulations for this year, your dedication to these programs and services is greatly appreciated.

Notices and phone calls will be sent out later this month to collect water meter readings. If you have not yet signed up for our text or email notices and would like to receive a water meter reading reminder via one of these methods contact the office.

You can also receive the newsletter via email as well. If you are not living locally but like to keep up to date on all the events happening in Eatonia contact the office and they'll add you to the email list.

Yours truly,
Town Council

PLEASE READ YOUR AD

RECYCLING RATE INCREASE

Recycling rates charged on the bi-monthly utility bills have increased effective July 1, 2020. You will notice this increase on the July-August, 2020 billing which will be mailed out on September 1, 2020. The rates are increasing from \$5.00 per month (\$10.00 on the bi-monthly bill) to \$6.00 per month (\$12.00 on the bi-monthly bill). This is due to the increased costs for the pickup and delivery of the recyclables from town to the recycling facility and administrative costs.

Thank you for recycling and for doing your part to divert waste from the landfill!

TAXES

From August – December, 2020 a 1% Penalty per month will be charged on all current taxes still outstanding. In January, 2021 a 10% penalty will be charged on all outstanding taxes

GARBAGE PICK-UP

Please have your bin out on the street
by 7:00 a.m.

Monday, August 3rd

Monday, August 17th

External Storage Drives & Modems

External hard drives, including home media network hard drives and external optical disk drives, as well as network-attached storage devices (NAS), external CD-ROM, DVD and Blu-ray drives.

E-Book Readers

Includes personal and portable devices designed primarily for reading digital e-books and periodicals.

Desktop & Portable Scanners

Includes optical document/image scanning devices that reside on a desktop and portable devices. Including scanners but not limited to business card, cheque, photo negative, ID card, as well as portable pen scanners.

Municipal Governance 101

Virtual Sessions for Election Candidates

**Are you running for re-election? Are you thinking of running for municipal council for the first time?
Do you just want to learn more about municipal governance?**

To encourage participation in municipal governance and increase understanding of what it means to be on council, Municipalities of Saskatchewan has created **Municipal Governance 101**, a series of virtual sessions designed for anyone who has an interest in municipal politics or who is thinking of running for council in the upcoming municipal elections.

Sessions start in September, with **Municipal Governance 101: Introductions to Local Government**. Open to everyone from a Saskatchewan city, town, or village, this one hour session will be held on September 1 at 6:30 p.m. In coordination to Local Government will cover what the role of council is, what your responsibilities are as councillor, and more.

On September 9, Municipalities of Saskatchewan will be holding session where town residents will have the chance to ask a panel of individuals experienced in municipal governance their questions.

For information on how to register for these sessions, please contact the town office.

Prairie Oasis Fitness Club

The restrictions set upon 24hr unstaffed gyms have been relaxed. We are planning on opening August 17th but still with some COVID restrictions. We will ask patrons to join "What's App" to book workout times. No more than 4 patrons in the gym at a time. Please maintain physical distancing of 2 meters at all times. Sanitize all equipment before and after you use it. You will have to fill out an assessment tool before you start your workout. If you are sick at all, please don't come to the gym that day! We are asking for volunteers to wipe down door knobs, light switches, sinks and taps daily. A cleaning list will be posted. If we work together and are responsible we can be safe & fit!

Eatonia Oasis Living

July 2020

Hello everyone! All is well at EOL! We are enjoying the nice weather. We were under restrictions for a couple of weeks, due to the increase of cases in the area, but are now slowly opening up again with out door visits. Appointments must be made ahead of time and visitors will be screened prior to visit. We thank everyone for their part in keeping our residents and staff safe!

We currently have 19 residents at EOL. We would like to welcome Bernie Bredy to our home! We also have Betty King staying with us for respite care. It has been great getting reacquainted with both of you!

Our best goes out to Evelyn Hoffman, Lennie Bews and Bob Douglas who celebrated birthdays in June and July! Thank you to the staff who made their day special! Check out our facebook page for pictures!

Just so you know...

- We can now accept gifts of flowers, cards, reading material.
- Facetime visits can be arranged! Thanks to the PCCU, we have two iPads to use for this! The residents think its pretty neat!
- Emails can be sent to eol@sasktel.net if you want to send a message to any of the residents!

Growing Project 2020

Eatonia Oasis Living is partnering with local organizations and farmers to complete our third Growing Project which is now underway!

If any organization or individual would like to financially support this program, a donation can be made through EOL and a charitable receipt will be issued. An account is also set up at Nutrien Ag Solutions and payments can also be made there to cover some of the expenses, if that is a better option for you.

If you have any questions or would like more information please contact Krista Stevens by email eol@sasktel.net or phone 306-460-7552.

Watch for further updates!!

We thank you for your continued support and cooperation. Stay safe out there!
