**FALSE ALARM BYLAW**

On December 10, 2019, the council of the Town of Eatonia passed the *False Alarm Bylaw No. 7/19* where the owner or tenant of a property having care and control of an alarm system will pay a response fee of \$500.00 for each false alarm if the fire department is dispatched.

**This is in effect as of January 1, 2020.**

A false alarm is an activation of a fire alarm system or security alarm system that is activated due to:

- the testing or servicing of the alarm system;
- the mechanical failure or malfunction of the alarm system;
- alarm user or alarm company error;
- the presence of pets of an alarm user at the alarm site;
- atmospheric conditions, vibrations, power failure or other phenomena.

Make sure to check your alarm system on a regular basis to avoid a false alarm response fee.

If you have any questions about the *False Alarm Bylaw*, please contact the town office or a council member.

**PROTECTIVE SERVICES COST RECOVERY BYLAW**

On September 10, 2019, the council of the Town of Eatonia passed the *Protective Services Cost Recovery Bylaw No. 2/19* where the cost of fire prevention, suppression and emergency response services will be charged to the property owner who receives the service. This means that residents will be responsible for paying their own fire protection services.

**This is in effect as of January 1, 2020.**

The Town of Eatonia, R.M. of Chesterfield No. 261 and R.M. of Newcombe No. 260 established a fire protection district which is known as the CEN Fire Protection Association. This Association provides fire protection services to all residents within the boundaries.

Below is a breakdown of the fees they charge for fire protection services:
