Christmas season! It is truly
appreciated.

We wish you all the best in 2020!

COUNCIL'S MESSAGE

Welcome to 2020! We hope everyone had an enjoyable and relaxing holiday season.

Just to clarify from last month's council message in regards to "Where does the money go for a fire call?" In the newsletter it stated that wages were paid to members of the Eatonia Fire Brigade for operating the truck and equipment in answer to calls and otherwise assisting in fighting fire originating from the area. Just to expand on this, the members from the fire brigade donate their wages back to purchase fire equipment. We want to thank the fire fighters for their donations.

On December 10, 2019, the Town Council passed a False Alarm Bylaw to regulate and control false alarm calls. There are more details on this bylaw further in this newsletter.

If you have any questions about the False Alarm Bylaw and/or Protective Services Cost Recovery Bylaw, please contact the town office or a council member.

Looking for a municipal tax break for 2020? Stop by the town office before January 31st to receive a 6% discount on your prepayment of Municipal property taxes.

Interested in joining a committee in the New Year? Stop by the town office to find out what committees are looking for new members.

Yours truly,
Town Council

FALSE ALARM BYLAW

On December 10, 2019, the council of the Town of Eatonia passed the *False Alarm Bylaw No. 7/19* where the owner or tenant of a property having care and control of an alarm system will pay a response fee of \$500.00 for each false alarm if the fire department is dispatched.

This is in effect as of January 1, 2020.

A false alarm is an activation of a fire alarm system or security alarm system that is activated due to:

- the testing or servicing of the alarm system;
- the mechanical failure or malfunction of the alarm system;
- alarm user or alarm company error;
- the presence of pets of an alarm user at the alarm site;
- atmospheric conditions, vibrations, power failure or other phenomena.

Make sure to check your alarm system on a regular basis to avoid a false alarm response fee.

If you have any questions about the *False Alarm Bylaw*, please contact the town office or a council member.

PROTECTIVE SERVICES COST RECOVERY BYLAW

On September 10, 2019, the council of the Town of Eatonia passed the *Protective Services Cost Recovery Bylaw No. 2/19* where the cost of fire prevention, suppression and emergency response services will be charged to the property owner who receives the service. This means that residents will be responsible for paying their own fire protection services.

This is in effect as of January 1, 2020.

The Town of Eatonia, R.M. of Chesterfield No. 261 and R.M. of Newcombe No. 260 established a fire protection district which is known as the CEN Fire Protection Association. This Association provides fire protection services to all residents within the boundaries.

Below is a breakdown of the fees they charge for fire protection services:
