Private Swimming Pools

Reopening of indoor and outdoor recreation facilities is Phase 4 of the Re-Open Saskatchewan Plan. The date for this phase is to be determined yet. This phase includes swimming pools.

With this in mind, people might be considering a back yard pool. Pools are a source of fun, but can also be a potential danger.

Private Swimming Pools Bylaw No. 4/12 covers the construction and maintenance of private swimming pools, including requirements for locked gates and enclosures. As per the bylaw all private swimming pools must be enclosed with a fence or structure that encompasses the yard or the part of the yard in which the pool is located.

If you are considering a back yard pool, please contact the town office for more information.

Preventing Ticks In Your Yard

- Mow regularly, keeping your lawn free of tall grasses, particularly around the home and bordering the lawn.
- Don't allow fallen leaves to accumulate. Rake often.
- Whenever possible, keep playground equipment, patios, and lawn furniture in a predominantly sunny location.
- Keep your yard free of debris, trash, wood piles, old furniture, and other items that either give ticks a place to hide or attract the rodents that ticks feed on.
- If your yard borders or backs up to a wooded or overgrown area, create a border of rock or gravel, about 3-feet wide, to reduce the likelihood that ticks will crawl into your yard.
- Cedar oil is deadly to ticks. As a result, they hate the smell. Use cedar wood chips as barriers to keep ticks away and spray cedar oil on tick-infested

**The Residents of Eatonia and R.M. of Chesterfield & Newcombe
are invited to celebrate with our**

Eaton School Graduates of 2020

on Saturday, June 13th

A Graduation Vehicle Parade will begin at 7:30 pm.

Eaton School is holding a Graduation Parade to honor the nine 2020 Graduates of Eaton School and so that our local community of Eatonia and area residents can show its support of our graduates. People should not travel to attend this event.

The parade will begin at the arena, down Railway, up Main Street, and then will progress on a route down each street in Eatonia, ending at the school. The route will be posted closer to June 13th.

We ask that all who attend respect the following rules:

1. If you have a residence in town...please watch the parade, wave and take pictures from the comfort of your front yard. Please limit your viewing area to people who live in your home only. Remember: groups no larger than 10.
2. If you are from out of town...please find a spot along Main Street or at the arena to park your vehicle, ensuring that vehicles are at least 5 m apart. Please use angle parking on Main Street and remain in your vehicle. People should not move from vehicle to vehicle.
3. The grads will be on a flat deck trailer...so please allow enough space for the truck and trailers to utilize the streets and to make the corner turns. Also, we ask that no one approach the grad vehicle at any time. Please deliver gifts at a different time.
4. All Provincial Social Distancing restrictions must be abided by. Please keep this in mind if you are in agreement with Provincial Regulations or not.
5. Residents are encouraged to decorate their front yard. Balloons will be available for pick up at the Post Office and grocery stores downtown.
6. Gift and Card Drop Boxes for each of the graduates will be set up at the school on Saturday, June 13th for anyone wanting to pass along gifts and congratulations to the graduates throughout the day.

Thank you in advance for your cooperation and respect for social distancing during this unprecedented and unpredictable time as we abide by the Provincial Guidelines set out by the Ministry of Health.

Eaton School will also be Livestreaming our private graduation ceremony attended by the Graduates and their immediate families. Please check out our Eaton School website and social media sites for Graduation Celebrations and information.

Eatonia Oasis Living

June 2020

Happy Spring! We hope everyone continues to stay healthy and are being cautious as the world slowly starts opening up. We are still under strict restrictions at EOL and likely will be for some time yet—Residents and staff are all doing as well as can be expected. It is nice that we can sit outside now when the wind is down.

We currently have 17 residents living here. We would like to welcome Fern Sinclair and Wilma Kachmarski to our home! They are both here for respite care. Maybe you ladies will love it so much, you'll stay!

Belated Happy Birthday wishes go out to Yvonne Smith and Lloyd Martin in April; and Happy Birthday to Ferne Gill who celebrated her birthday in May!

Just so you know...

- We can now accept gifts of flowers, cards, reading material.
- Visitors are still restricted. Window visits can be arranged; as well as phone calls and Facetime visits!
- Emails can be sent to eol@sasktel.net if you want to send a message.

Growing Project 2020

Eatonia Oasis Living is partnering with local organizations and farmers to complete our third Growing Project which is now underway!

If any organization or individual would like to financially support this program, a donation can be made through EOL and a charitable receipt will be issued. An account is also set up at Nutrien Ag Solutions and payments can also be made there to cover some of the expenses, if that is a better option for you.

If you have any questions or would like more information please contact Krista Stevens by email eol@sasktel.net or phone 306-460-7552.

Watch for further updates!!

We thank you for your continued support and cooperation. Stay safe out there!
