Closed Monday, May 18th for
Victoria Day

NUISANCE GROUND HOURS

Monday, Wednesday, Friday

1:00pm – 6:00pm

Tuesday, Thursday, Saturday

9:00am – 12:00pm

Closed Sundays & Stat Holidays

Closed Monday, May 18th for
Victoria Day

SPRING YARD CLEAN-UP

The town crew will be going around
picking up grass clippings, leaves,
and tree branches on

Wednesday, May 6th, 2020.

Have your bags in the back alley
by 8:00a.m.

Bring on May and some warmer weather. It's time to put the shovels away!
And time to get out the rakes.

There is a Spring Yard Clean-Up planned for Wednesday, May 6th. This is an
opportunity to haul away any bagged grass clippings, leaves, and tree
branches. We ask that you have them in your back alley by 8:00a.m.

Please remember the town watering bylaw, if you are seeding new grass
and need additional water times please contact the town office. As well,
even numbered houses can water on even calendar days and odd
numbered houses can water on odd calendar days. You can water between
the hours of 7:00 and 10:00 morning and evenings on your assigned days.

We have been working on the Budget for 2020 and will have Tax Notices
out in May. If you have any questions regarding this please call the Town
Office.

Yours truly,
Town Council

Due to COVID-19
and our efforts to keep everyone safe and healthy,
the Centennial committee has made the decision
to postpone Eatonia Centennial 2020.

At this time we hope to reschedule this event
for July 30 - August 1, 2021.

If you would like a refund for your ticket please
email us at eatoniacentennial2020@outlook.com

This postponement includes the Veterans' Dedication Ceremony
at the cemetery. A "clean up Veterans markers and monuments" bee
had been planned for this spring. Now, families are asked
to do this on their own. The removal of accumulated orange lichen
requires gentle scraping, washing with water and dish detergent, patience and
perseverance. Other tune-ups will become obvious.

Thank you for your cooperation.

The Eatonia Oasis Living board of directors is forever grateful to the administrators, healthcare, dietary, housekeeping and maintenance staff for their utmost care of our dear residents during this time of Covid-19. They and our residents will be missing all the wonderful volunteers who cannot be there to lighten their workload. The residents have not seen their families inside the home for several weeks. A shout out to the families and friends for your understanding and patience.

NOTIFICATION TO CONSUMERS

In accordance with Section 44 of the Water
Regulations, 2002, the Town hereby
notifies consumers that the information on
the quality of water supplied to the
residents and compliance to sample
submission requirements is available for
viewing at the Town Office during regular
office hours or can be viewed on the
Town's Webpage at www.eatonia.ca

**Drinking Water Quality and Compliance
Annual Notice to Consumers
Town of Eatonia**

Introduction

The Water Security Agency and the Ministry of Environment requires that at least once each year waterworks owners provide notification to consumers of the quality of water produced and supplied as well as information on the performance of the waterworks in submitting samples as required by a Minister's Order or Permit to Operate a waterworks. The following is a summary of the **Town of Eatonia** water quality and sample submission compliance record for the 2019 time period. This report was completed on April 6, 2020. Readers should refer to Water Security Agency's [Municipal Drinking Water Quality Monitoring Guidelines, June 2015, EPB 502](#) for more information on minimum sample submission requirements and the meaning of type of sample. Permit requirements for a specific waterworks may require more sampling than outlined in the department's monitoring guidelines. If consumers need more information on the nature and significance of specific water tests, for example, "what is the significance of Selenium in a water supply", more detailed information is available from: http://www.hc-sc.gc.ca/ewh-semt/pubs/water-eau/index_e.html.

Water Quality Standards**Bacteriological Quality**

Parameter/Location	Limit	Regular Samples Required	Regular Samples Submitted	# of Positive Regular Submitted (%)
Total Coliform	0 Organisms/100 mL	24	24	0
E. coli	0 Organisms/100 mL	24	24	0
Background Bacteria	Less than 200/100 mL			

Water Disinfection –**Chlorine Residual in Distribution System for Test Results Submitted with Bacteriological Samples**

Parameter	Minimum Limit	Total Chlorine Residual Range	Free Chlorine Residual Range	# Tests Required	# Tests Submitted	# Adequate Chlorine (%)
Chlorine Residual	0.1 mg/L free OR 0.5 mg/L total	0.84 - 2.20 mg/L	0.18 - 2.07 mg/L	24	24	24(100%)

Water Disinfection - Free Chlorine Residual for Water Entering Distribution System from Waterworks Records- From Water Treatment Plant Records

Parameter	Limit (mg/L)	Test Level Range	# Tests Performed	# Tests Not Meeting Requirements
Free Chlorine Residual	at least 0.1	0.12 - 1.72 mg/L	365	0

A minimum of 0.1 milligrams per litre (mg/L) free chlorine residual is required for water entering the distribution system. Tests are normally performed on a daily basis by the waterworks operator and are to be recorded in operation records. This data includes the number of free chlorine residual tests performed, the overall range of free chlorine residual (highest and lowest recorded values) and the number of tests and percentage of results not meeting the minimum requirement of 0.1 mg/L free chlorine residual.

Turbidity – From Water Treatment Plant Records

Parameter	Limit (NTU)	Test Level Range	# Tests Not Meeting Requirements	Maximum Turbidity (NTU)	# Tests Required	# Tests Performed
Turbidity	1.0	0.13 - 2.76	4	2.76	365	365

Chemical – Trihalomethanes (THMs) and Haloacetic Acids (HAAs)

Parameter	THMs Limit (mg/L)	Sample Result (average)	# Samples Required	# Samples Submitted
Trihalomethanes	0.1	0.2447	4 (1 every 3 months)	4
Haloacetic Acids	0.08	0.0465	4 (1 every 3 months)	4

Note: Only water supplies derived from surface water or groundwater under the influence of surface water are required to monitor for THMs and HAAs. Waterworks using groundwater sources beyond the influence of surface water do not need to report THMs or HAAs since sampling/analysis will not likely have been performed unless otherwise noted in the waterworks permit to operate

Saskatchewan
Ministry of
Environment

General Chemical

Parameter	Aesthetic Objectives * (mg/L)	Sample Results (average)	# Samples Required	# Samples Submitted
Alkalinity	500	280	4	4
Bicarbonate	No Objective	341	4	4
Calcium	No Objective	233	4	4
Carbonate	No Objective	0	4	4
Chloride	250	44.4	4	4
Conductivity	No Objective	1952	4	4
Hardness	800	1106	4	4
Magnesium	200	127	4	4
PH	No Objective	7.7	4	4
Sodium	300	81	4	4
Sulphate	500	876.2	4	4
Total dissolved Solids	1500	1714	4	4

All waterworks serving less than 5000 persons are required to submit water samples for SE's General Chemical category once every two years if a ground water source and once per three months every second year if a surface water or blended surface/groundwater source. The General Chemical category includes analysis for alkalinity, bicarbonate, calcium, carbonate, chloride, conductivity, hardness (as CaCO_3), magnesium, sodium, sulphate and total dissolved solids.

The last sets of quarterly samples for General Chemical analysis were required in the following periods in the 2019 calendar year: January to March, April to June, July to September and October to December and were submitted on March 6, June 5, September 18 and November 20, 2019. Samples exceeded provincial aesthetic objectives for the General Chemical category for the following parameters: hardness and sulphate.

*Objectives apply to certain characteristics of or substances found in water for human consumptive or hygienic use. The presence of these substances will affect the acceptance of water by consumers and/or interfere with the practice of supplying good quality water. Compliance with drinking water aesthetic objectives is not mandatory as these objectives are in the range where they do not constitute a health hazards. The aesthetic objectives for several parameters (including hardness as CaCO_3 , magnesium, sodium and total dissolved solids) consider regional differences in drinking water sources and quality.

More information on water quality and sample submission performance may be obtained from:

8/08	September 9, 2008	Special Assessment for Watermain Replacement as a Local Improvement
1/10	January 14, 2010	Undertake Watermain Replacement as a Local Improvement
8/10	September 14, 2010	Special Assessment for Watermain Replacement as a Local Improvement

As per Section 107(2) of *The Municipalities Act*, the repeal of a bylaw must be made in the same way as the original bylaw and is subject to the same public notice requirements that apply to the passing of the original bylaw.

The public is advised that that these bylaws will be repealed
at the regular town council meeting on

Tuesday, June 9, 2020

For more information please contact the town office at

Phone – 306-967-2251

Email – eatonia@sasktel.net

Dated at Eatonia, Saskatchewan this 17 day of April, 2020

Management's Responsibility

The municipality's management is responsible for the preparation and presentation of the accompanying consolidated financial statements in accordance with Canadian public sector accounting standards (PSAS). The preparation of the statements necessarily includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgments and estimates by management is required.

In discharging its responsibilities for the integrity and fair presentation of the consolidated financial statements, management designs and maintains the necessary accounting, budget and other related internal controls to provide reasonable assurance that transactions are appropriately authorized and accurately recorded, that assets are properly accounted for and safeguarded, and that financial records are properly maintained to provide reliable information for the preparation of the consolidated financial statements.

The Council is composed of elected officials who are not employees of the municipality. The Council is responsible for overseeing management in the performance of its financial reporting responsibilities. The Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with external auditors. The Council is also responsible for recommending the appointment of the municipality's external auditors.

Close Hauta Bertoia Blanchette, an independent firm of *Chartered Professional Accountants*, is appointed by the Council to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and management to discuss their audit findings.

Eatonia Oasis Living

April 2020

Happy Spring! We hope everyone is staying healthy and coping well in these trying times. We are isolated here at EOL in our little bubble—Residents and staff are all doing well! We currently have 15 residents living here. We would like to welcome Bob Douglas and Ferne Gill to our home!

We have several thank you's to share.

- This has been a difficult time of adjustment for everyone—the residents, their loved ones, staff...Thank you to everyone for doing their part. What is asked of you does not always make sense, but knowing the common goal is doing what is best to protect the residents, everyone is cooperating!
- The Canada Potash Corporation for donating 1250 medical masks to us!
- Lucky Bastard Distillery for hand sanitizer
- The Prairie Centre Credit Union for the donation of TWO iPads! The residents can use these to have face to face contact with their loved ones!
- Last and certainly not least, to the staff of Eatonia Oasis Living. They are going above and beyond for the residents...from planning crafts, having impromptu sing a longs, doing nails, staying beyond their shift to plant seedlings for the gardens or just to visit, coming in on their day off to do hair, or simply spending an extra few minutes with the residents while delivering snacks and the mail; the list could go on...It does not go unnoticed! Your dedication is appreciated by all!

There are many wonderful things that are coming out of this bad situation, and these are only a few. This too, will pass. Until then, we will continue to do our best!

Just so you know...

- Recommendations from the Saskatchewan Health Authority include NOT accepting any flowers, cards, gifts, food etc. for the residents or the staff. For now, we are abiding by this recommendation.
- Visitors are still restricted.
- Emails can be sent to eol@sasktel.net if you want to send a message.

We thank everyone for their understanding and cooperation! Stay safe out there!

~ The Eatonia Oasis Living Residents, Staff and Board of Director

MAY REC NEWS

Pool

With the announcement of re-opening Saskatchewan, we found out that the pool is in phase 4 with the date TBD. Sadly, we are unsure of when or if the pool will be open this summer. We are hoping for the best.

Minor Ball

Ball is sadly going to be cancelled this year. If you have a child that is registered and you paid with cash I will be contacting you and if paid for by cheque they will be shredded if you want your cheque's returned instead, please contact rec office.

Bursary

Rec Board is doing two bursary again this year. If you would like to apply for one, a application can be mailed out to you.

Summer Camp Bursary Application

The Eatonia Recreation Board sponsors two bursaries in the amount of \$100 each to students attending summer camp.

Please have applications in by June 1, 2020
Eatonia & District Recreation Board
Box 405 Eatonia, SK S0L 0Y0
