The replacement of the main sewer line on Main Street from 2<sup>nd</sup> Avenue to 1<sup>st</sup> Avenue is currently in progress. We appreciate everyone's patience and cooperation while the contractor is working. A grant has been applied for to help cover the cost of the project.

Halloween falls on a Saturday this year; please slow down and watch out for kids and adults out trick or treating. Remember to stop by EOL the residents love seeing all the kids dressed up. They will have treats outside at the front of the building. The residents will be sitting at the big windows and if the trick or treaters would like to parade in front of the windows that would be great. On the last page there is a poster to put up on your door or front window. It will help the kids know if you will be handing out treats this Halloween.

The ice is in at the arena earlier than usual this year. Check the schedule on the town website for times of public skating and shinny. Sadly due to the restrictions of hockey this season, the Huskies Senior Hockey team will be taking this year off.

Yours truly,  
Town Council

## Looking for homes for two 5m cats found in vacant lot.

Mary who is 5 months old is looking for her forever home. She has a beautiful spirit and is very affectionate. Mary loves to chatter her teeth at birds, the TV and chase your mouse on the computer screen. Her favourite toy is the ball wheel and crumpled paper/jumping in boxes. Mary loves to give you a few kisses and will lick your hand when you pat her. Recently she likes to lick your toes after you come out of the shower then lay on your feet. Mary is a very "old" soul cat that would be good as an indoor & outdoor cat.

Suzie who is 4 months old roughly is also looking for her forever home. She is very playful and melts in your arms from attention. She will pat your leg when she wants up on your lap. Suzie also chirps like a crane we think from being outside for 4 months and hearing them. She is black with a white patch on her belly. She likes to cuddly on your chest and likes to sleep on the bed. Suzie loves to chase paper balls, feather toys and Mary. She is also not afraid of the vacuum. Both kittens have been trained to come at the sound of treats shaking in a bag. If you are interested in providing a forever home to all or just one please text/call Gwen Britton at 780-242-4936 in Eatonias.

## WE REMEMBER . . . AND WE APPRECIATE

Bright red maple leaf markers with Canadian flags blowing in the wind throughout, Eatonia cemetery portrays a poignant message as we approach November 11 – Remembrance Day.

Kindersley Legion, in a benevolent project spearheaded by David Burke, placed markers on 40 WWI and WWII veterans' monuments with more to be installed. They also donated a plaque in honour of eight local men who served in the Boer War of 1898-1902. Two of these men, Charles Bailey and Major Charles Craig, are buried in the cemetery. The plaque, currently on display in the Town Office will be placed in the Legion room at the Station Museum. What a patriotic gesture! Be generous to the poppy fund!

Another project saw eight veterans' monuments receive facelifts from Veterans Affairs Canada through a contract filled by Cliff Neufeld of Kindersley.

The preservation of the gate from the original iron fence is most significant. It bears a plaque donated by Delia F. Craig in loving memory of her husband Charles E. Craig. Charles Craig was a founding father of the community north of Mantario which he named Craig-lands. After his settlement in 1911, his achievements were far-reaching, including starting Craiglands post office and school. He became secretary for the RM of Royal Canadian, living in Laporte from 1921 until his passing in 1932. Take time to read his story in *A Past To Cherish Vol.1*, page 135, and *Vol. 2*, page 122. Major Charles Craig is in the Arnott Larock family tree.

The centennial project of planting 100 spruce trees in a year of environmental extremes has been challenging. Appreciation is extended to the following for their help: Bob Quinney, Ron and Jan Becker, Ray Cooper, the Brent and Kim Watts' families, Stevens' brothers – John, Joel and Grady with friend Jack Hartell, and to Doug Bailey and Jim Martin for hauling thousands of gallons of water.

Recognition of the many work projects this year is appropriate. An efficient town crew removed many grave covers and Hannah Eckstein with the "big" mower certainly improved the highway ditch. Ted Miller kept the grounds neatly mowed and trimmed and Focus assisted with weed control. The RM of Chesterfield transported topsoil generously donated, for a second year, by Jeff Stevens.

Kudos to several families who undertook their own projects; these included cover removal, replacing deteriorated concrete inscriptions with new monuments, and seeding grass. (Orange lichen left unchecked will render many an inscription unreadable.) To see exemplary lichen removal to restore older monuments, visit the Stevens' family plot!

Thank you to Sam Somerville for the welcomed "relief" station. Finally, our appreciation to all those who have supported cemetery improvements financially with private donations and through Donor's Choice.

# EATONIA OASIS LIVING

## OCTOBER 2020

All is well at EOL! We are still healthy and are allowing limited visitation. We pray this continues.

We had to bid farewell to Harry Hill earlier this month. He has moved to the Heritage Manor. We will miss your great stories! We hope you will be able to share them with everyone there!

We had an Advanced Poll at EOL for the residents. Out of the fourteen residents, twelve voted! That was good to see.

Halloween is upon us and our home is decorated to the nines! Thanks to the night staff for keeping our place looking great! Things will look a little different for trick or treating at EOL this year. We will have treats outside at the front of the building. The residents will be sitting at the big windows and if the trick or treaters would like to parade in front of the windows, that would be awesome! Look for the arrows and hope to see you out!

***Please remember to call ahead if to book a visit. We only allow so many extra people in the building at a time, and one visitor at a time unless an exception has been made. Thank you for your cooperation!***

## HAPPY BIRTHDAY WISHES GO OUT TO TOM FRANCIS AND LLOYD ADAMS!

An interesting story...Tom and Lloyd were born two days apart in the Eatonia hospital, that was once located on the same lot as EOL. They had a conversation one day about how their lives began here, and now they are living their final years here!

### **EATONIA OASIS LIVING GROWING PROJECT 2020**

***Our Growing Project has come to a close! The crop has been harvested and we are waiting to sell. We would like to thank the following for their support, without which this project would not have been possible: Town of Eatonia, Hoffman Land & Cattle, Nutrien Ag Solutions, Kindersley & District Co-op, G-Mac's AgTeam, FMC, AMVAC and BASF. Thank you also to Larock Farms for doing the heavy harrowing after the crop was taken off. We have an account set up at Nutrien if there is anyone who would like to financially support this program. We have an amount of approximately \$10,000 left owing on this. A charitable receipt can be given or use the payment for a tax deduction for your farm. Thank you to those who have donated so far! If you have any questions, please contact Krista Stevens.***

***Thank you to everyone who has made a donation of any kind to our facility.  
We appreciate it from the bottoms of our hearts!***

**NEED A TAX BREAK!!**

***The EATONIA OASIS LIVING GROWING PROJECT 2020 has come to an end. We have an account at Nutrien Ag Solutions that is currently sitting at approximately \$10,000.00. If you would like to contribute financially to this project, you will receive a charitable receipt from Eatonia Oasis Living Inc.***

*If you have any questions or would like more information please contact Krista Stevens by email [eol@sasktel.net](mailto:eol@sasktel.net) or phone 306-460-7552.*

**EMPLOYMENT OPPORTUNITY**

***We are looking for casual Resident Care Aides and for Kitchen staff. For more information, please call Cora at (306)967-2447.***
