I need help finding a good home/s for these young cats

Mary who is 12 months old has been spayed and has a beautiful spirit and is very affectionate. Mary loves to chatter her teeth at birds, spiders, flies, the TV and chase your mouse on the computer screen. Her favourite toy is the flying feathers on a rod and jumping in boxes. Mary loves to say hello around the shower curtain and walk around the tub when you are soaking. Mary is a very "old" soul cat that would be good as an indoor & outdoor cat.

Pepper who is 12 months old has been spayed and is a very loving cat who loves to be cradled in your arms where ever you sit even the "throne". Pepper is a very playful cat that likes to chase paper balls and lie on top of the fridge watching all the action below. Pepper has one eye but is a regular cat in all aspects. She also likes to play and run after all the other cats or jump into boxes & Ikea bags.

Suzie who is 11 months old has been spayed and is very playful and melts in your arms from attention. She will pat your leg when she wants up on your lap. Suzie will be a small cat in size and is very quick to catch a feather toy. She likes to cuddly on your chest under your chin and likes to sleep on the bed. Suzie follows our older cat Bob everywhere and sleeps with him too. She is also not afraid of the vacuum. All the cats have been trained to come at the sound of treats shaking in a bag, cat toys and they all know their names.

If you are interested in providing a forever home to all or just one, please text/call Gwen at 306-430-4936. Serious inquiries only please. Each cat will come with food, litter and toys when adopted. If you take 2 cats, we will also include their cat condo as well. We are looking to place them in good homes and we would travel a couple of hrs to deliver them.

Thank you

CEN Fire Brigade would like to Thank Somerville Farms for their donation to their Wash Bay. It is much appreciated!

July 2021

EATONIA OASIS LIVING**Summertime Begins**

Greetings! A busy month of July in our home. Amid the ease of restrictions, we had the opportunity to take a few of our residents to the Great Sandhills Museum and Interpretive Centre. It was relished by our residents enabling them to take a journey back into time. A worthwhile visit and an excellent display of artifacts. Afterwards a stop at the 10-4 for ice cream. A travelling band from Moose Jaw called CAPO came to entertain us on the front lawn of the building. They played some old-time music from the past. Enjoyed by all. Two of our residents had birthdays. Velma Johnson and Lenora Bews. Residents gathered in the activity room and enjoyed cake, ice cream and socializing. Our usual week of Bingo, exercises, and trivia which has become a popular hit for all. We cover all sorts of topics such as History, Geology, Arts and Food to mention a few. Once again church services have started

with Anne Davey and Marie Smith accompanied by Belva Martin. A good turnout. Evelyn's great grandson Ethan played the violin for us. Great Job!

Marie and Janine came to do a craft with the Ladies which was Bumble Bees. Cute display of them at the desk. Thank you, ladies. The residents admire the lovely perennial flowers in the front of the building. Different types of flowers blooming at different times. Always an array of color. Wishing everyone a safe, fun filled summer

**We at Eatonia Oasis Living are still screening our visitors.
We encourage sanitizing of hands and the use of facemasks.
Thank you for your co-operation in maintaining a safe facility.**
