## NEC Emergency Connect

The municipalities of Chesterfield, Newcombe, and Eatonia have launched a new communication system that will provide them with the ability to communicate with all residents/registrants on multiple platforms such as text, email, mobile phones, social media and landline phones.

The new service called NECC (Newcombe, Eatonia, Chesterfield Connect) provides municipal staff with the ability to send out information to people on their chosen communication service.

Connect uses Canadian technology "Connect-By All-Net". The software is integrated with the Alert Ready system that was recently developed in partnership with the federal and provincial governments to send out automated emergency alert notifications to all registrants.

Ways to register:

1. Self-registration by using the following link <https://cenc.allnetconnect.ca/Pubs/register.aspx> which can also be found on the following web page [www.eatonia.ca](http://www.eatonia.ca)
2. Stop by one of the municipal offices to pick up a form.

A kind, gentle soul has earned her wings in peace. With profound sorrow, Ed Lindeman has lost the love of his life and wife of 53 years, Shirley Anne (Knodel) Lindeman on April 28, 2021, at Leader Hospital. Shirley (or lovingly referred to as Shir!) was born on May 9, 1949, in Eatonia, SK to Otto and Mary Knodel.

Big sister Kathy (Nunweiler) welcomed a new sister.

Her children and daughter in law were her immense joy - left with eternal precious memories are Jaymes (Crossfield, Ab) and David (Kelly) (Redcliff, Ab)

She lived for her grandchildren Sheena, Chase, Carson & Carter and took great interest in following their sports and activities from the time they were young. Her life revolved around travelling with Ed to their numerous sports and activities. There wasn't many times when Grandma Shirley wasn't in the stands cheering them on until her health no longer would allow it.

She was excited to know that a baby girl would be joining their family this summer with Chase & Chloe. Ed & Shirley were the epitome of being a couple. They did not travel anywhere without one another and enjoyed following the chuck wagon circuit (reminiscent of Ed's cowboy days), journeying down to the NFR, camping and loved to go on visit travels to see family and friends. Shirley also loved to read. David and Kelly's close friends were very much treated like their family and always looked forward to a visit with them. There were many supper dates and gatherings with lots of love and laughter. Shirley's quiet and gentle manner will be missed by them as well.

"She flew up to heaven on the wings of Angels  
By the clouds and stars and past where no one sees  
And she walks with Jesus and her loved ones waiting  
And I Know she's smiling saying  
Don't worry 'bout me"  
- Alan Jackson, Sissy's Song

Thank you to the Leader Hospital Staff for the wonderful care you provided to Shirley Lindeman.

Our family also would like to send out a sincere thank you to all the people that provided us lunches, sympathy cards & extra help while during these difficult times of grievance!

Thank you so much from deep down in our hearts!

### These bundles of joy would love to be in your home for Father's Day!

Mary who is 11 months old has been spayed and has a beautiful spirit and is very affectionate. Mary loves to chatter her teeth at birds, spiders, flies, the TV and chase your mouse on the computer screen. Her favourite toy is the flying feathers on a rod and jumping in boxes. Mary loves to say hello around the shower curtain and walk around the tub when you are soaking. Mary is a very "old" soul cat that would be good as an indoor & outdoor cat.

Pepper who is 11 months old has been spayed and is a very loving cat who loves to be cradled in your arms where ever you sit even the "throne". Pepper is a very playful cat that likes to chase paper balls and lie on top of the fridge watching all the action below. Pepper has one eye but is a regular cat in all aspects. She also likes to play and run after all the other cats or jump into boxes & Ikea bags.

Suzie who is 10 months old has been spayed and is very playful and melts in your arms from attention. She will pat your leg when she wants up on your lap. Suzie will be a small cat in size and is very quick to catch a feather toy. She likes to cuddly on your chest under your chin and likes to sleep on the bed. Suzie follows our older cat Bob everywhere and sleeps with him too. She is also not afraid of the vacuum. All the cats have been trained to come at the sound of treats shaking in a bag, cat toys and they all know their names. If you are interested in providing a forever home to all or just one, please text/call Gwen at 306-430-4936. Serious inquiries only please. Each cat will come with food, litter and toys when adopted. If you take 2 cats, we will also include their cat condo as well.

# Growing Project 2021

The Eatonia Oasis Living Growing Project is underway and was planted before the much needed rain! This collaborative project shows how great our small town is at working together to make this fundraising project a success.

The proceeds from the Growing Project have been used to fund projects and used for the upkeep of the building. ## SPRING HAS SPRUNG

### Greetings to Everyone!

Spring is like a new year for me. A new beginning, a new anticipation, a time to plant and the harvest will come. After a long winter, we all are eager to be outdoors and embrace the sunshine and fresh air.

Our residents enjoyed bingo, exercises, and a game of trivia. Compliments of Lloyd Martin for researching the questions. A few tough ones. It made us put on our thinking caps.

A surprise from Steven Kanasevich who brought in baby chicks. Residents were thrilled to hold the one-week-old baby chicks. In just one-week feathers are starting to appear.

Please make an appointment when wanting to visit with family and friends. Screening will take place. Call us if you have questions!

## MOTHER'S DAY TRIBUTE

In honor of our mother's Marie Smith and Janine Specht volunteered to come in and do a craft with our ladies. The residents decorated teacups and filled them with pretty silk flowers. Each lady had their own unique design and color. Thank you, ladies for your creativity. Moe Scott made corsages for each mom to wear on Mother's Day and Candy Ashford decorated the tables with flower arrangements. A big thank-you for adding that special touch.

Our birthday of the month is Ferne Gill. In celebration of her 95<sup>th</sup> birthday, we ordered a special ice cream cake. Residents gathered in the activity room for coffee and cake and a few games of Bingo. Ferne, we wish you many more birthdays.

WE WOULD LIKE TO EXTEND OUR SINCERE CONDOLENCES TO THE FAMILY OF BETTY LOTHAMMER. IT WAS A PLEASURE GETTING TO KNOW HER!
