# PharmaChoice OF YOUR COMMUNITY

### Prairie Oasis Fitness Club

The Prairie Oasis Fitness Club has worked hard to ensure that the facility remains open and available to its members during the pandemic. The board has also purchased new equipment for the facility and we hope that all members are enjoying the facility. Our facility would not be what it is without the support of our community.

Thank you to the Eatonia Lions for the \$2,000 donation towards our facility. Your support means so much!

Thank you to everyone who supported the Mom's Pantry fundraiser. It was a great success and we hope that everyone enjoys their items.

Thanks to Vanessa Price for delivering the Mom's Pantry orders to Leader. We truly appreciate it.

The board will be holding more fundraisers in the future, including a Mom's Pantry one closer to the Christmas season. Watch for details.

#### These bundles of joy would love to be in your home for Mother's Day!

Mary who is 10 months old has been spayed and has a beautiful spirit and is very affectionate. Mary loves to chatter her teeth at birds, spiders, flies, the TV and chase your mouse on the computer screen. Her favourite toy is the ball wheel and crumpled paper/jumping in boxes. Mary loves to say hello around the shower curtain and walk around the tub when you are soaking. Mary is a very "old" soul cat that would be good as an indoor & outdoor cat.

Pepper who is 10 months old has been spayed and is a very loving cat who loves to be cradled in your arms where ever you sit even the "throne". Pepper is a very playful cat that likes to chase paper balls and lie on top of the fridge watching all the action below. Pepper has one eye but is a regular cat in all aspects. She also likes to play and run after all the other cats or jump into boxes & Ikea bags.

Suzie who is 9 months old has been spayed and is very playful and melts in your arms from attention. She will pat your leg when she wants up on your lap. Suzie will be a small cat in size and is very quick to catch a feather toy. She likes to cuddly on your chest under your chin and likes to sleep on the bed. Suzie follows our older cat Bob everywhere and sleeps with him too. She is also not afraid of the vacuum. All the cats have been trained to come at the sound of treats shaking in a bag and they all know their names. If you are interested in providing a forever home to all or just one, please text/call Gwen at 306-430-4936. Serious inquiries only please. Each cat will come with food, litter and toys when adopted. If you take 2 cats, we will also include their cat condo as well.

#### Adnel John Niles January 28, 1943 - April 3, 2021

After a brief and valiant battle with cancer, John passed away Saturday morning at Moog and Friends Hospice in Penticton, BC.

John is survived by his son Rodney (Brenda), daughter Melaney, granddaughters Amy and Frankie, grandson Sam, brother Arden (Donelda), sister Roxanne (Walter), nieces, nephews, cousins, as well as many other family and friends from BC, Alberta, Saskatchewan, and Manitoba.

John was born into a farming family in Eatonia, Saskatchewan. He was a talented musician and hockey player, and a faithful fan of the Saskatchewan Roughriders. He and his young family moved to Osoyoos, BC, in 1974, while he remained a member of the Royal Canadian Legion throughout his life, playing many Saturday night gigs with his parents and siblings. He retired to Okanagan Falls where he was surrounded by loving friends and neighbours, enjoying many rounds of pool and darts at the local Legion.

John was predeceased by his wife of 35 years, Myrt (2017), parents Adnel (1991) and Helen Niles (2000), and Delois "Mom" Olson (2019).

A celebration of life will be held in his home town of Eatonia at a later date. In lieu of flowers, the family asks for consideration of a donation to your local cancer or diabetes association, or your local Royal Canadian Legion.

The municipalities of Chesterfield, Newcombe, and Eatonia have launched a new communication system that will provide them with the ability to communicate with all residents/registrants on multiple platforms such as text, email, mobile phones, social media and landline phones.

The new service called NECC (Newcombe, Eatonia, Chesterfield Connect) provides municipal staff with the ability to send out information to people on their chosen communication service.

Connect uses Canadian technology "Connect-By All-Net". The software is integrated with the Alert Ready system that was recently developed in partnership with the federal and provincial governments to send out automated emergency alert notifications to all registrants.
