BOX 2235—KINDERSLEY, SASKATCHEWAN S0L 1S0

PHONE: 306.463.6655 FAX: 306.463.6410

West Central Crisis and Family Support Centre is a non-profit organization that covers a large geographical area of Saskatchewan. The community of Eatonia is part of our service area.

West Central Crisis Centre offers a wide range of services which include but not limited to individual counseling, couples counseling, crisis counseling, mobile crisis response, addictions and mental health supports, matrix program and various community supports. We also have the ability to come mobile to your community when necessary.

Recently a pilot project called FIRST has been introduced to our organization. This program looks at a wide variety of individual, family and community issues. Sometimes, people or families are struggling with finances, addictions, mental health or personal issues. A community or individual may have suspicion of these various concerns but not complete proof of what is going on behind closed doors in a home. This program is allowing for calls of concern to come to our office enabling us to approach the family or individual and assess or offer assistance. The individual who calls with a concern will remain anonymous when we approach the community member of concern. Our goal with this program is to get supports in place for people before circumstances get more intense requiring RCMP and emergency response. We would be offering a softer approach before having to involve other agencies. We look forward to getting into your community and being able provide service. Our office number is 306-463-6655.
