THANK YOU

THE PROJECT IS COMPLETE! The pump for the irrigation pivot has been replaced and the pivot is up and running. Again the Council for the Town of Eatonia would like to thank Larock Farms Inc. - Brandon, Mitch, Brady and Greg – for spearheading this project. They provided the equipment and manpower to install the pump.

Thank you to the following for donating towards this project:

Jeff Stevens

Prairie Road Holdings Ltd. (Paul & Lisa Stevens)

The pump needed to be replaced as the old pump did not have enough pressure to run the irrigation pivot properly. The new pump will allow the pivot to put more water on the field which in turn will create a higher yield. This higher yield will generate more proceeds for Eatonia Oasis Living. The Town of Eatonia rents the irrigation land to Eatonia Oasis Living at no charge.

Just a reminder the commercial garbage bins located behind or beside business are for their use only. Please do not dump personal garbage in these bins. The landfill is open 6 days a week and is available for rate payers to use.
