Thanks and we look forward to a great season - stay tuned for upcoming games!

Our family would like to thank everyone for the kind words, food, flowers, and cards on the loss of our mother and grandma, Lennie Bews. She lived in Eatonia for over 55 years and she was so proud to be part of this community. That has been passed on to her children and grandchildren. Thank you.

We would also like to thank Eatonia Oasis Living for the care our Mom received the past 8 years. There is a sign on the wall in EOL that says: "Our residents do not live in our workplace; we live in their home." EOL was home for Mom, and the staff was her second family. From personal care, to homemade meals, to a clean well maintained home, to playing games, to crafts, to concerts & church, to visits from little people, these are the things that help make EOL so special. It was a great place for our Mom to spend her last years.

Thank you
