## APRIL REC NEWS

### Pool Liner Replacement

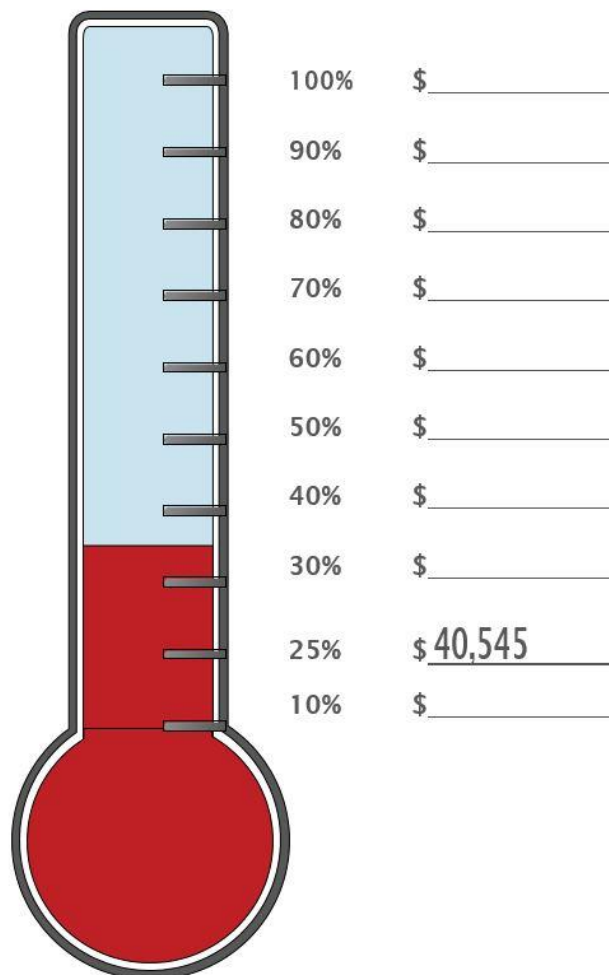

The pool in Eatonia was built in 2004 and over this time the liner has done very well. The warranty for the liner is 10 years, we have made it to 19 years with the original liner. The Rec Board needs to replace the liner this fall, at a cost of \$162,180. The Eatonia Community Co-operative is financially supporting this project. The Rec Board is appreciative of this financial assistance, without this help the project would not happen. The Rec Board's goal is to repay the Community Co-operative back for their assistance. So, remember to buy your Chase the Ace tickets, these proceeds will be going to the pool liner project.

### Arena

The arena was busy this season with hockey games, skate club, 3 on 3 and the Funspiel. It was great to have the Senior Huskies back this season. Thank you to all the minor hockey parents and other volunteers that keep the arena running throughout the season.

### Pool

We are now accepting applications for pool manager and full/part time lifeguards for the Eatonia Pool. Resumes can be dropped off, mailed or emailed (eatoniarec@sasktel.net) to the Recreation Office.

### Soccer

Soccer registrations went out through the school. You can also find the registration form on the Rec Board's Facebook page.

## Swimming Pool Liner Replacement Project

One of the Cooperative's newest projects is to financially support the Swimming Pool Liner Project being undertaken by the Eatonia Recreation Board. The goal is to begin the replacement of the liner in September 2023, following this summer's pool season, and finish the project in June 2024, if needed.

Donations to the Swimming Pool Liner Project can be made directly to the Eatonia Rec Board.

## New Fire Hall Project

The Cooperative (ECSC) has joined forces with CEN (Chesterfield, Eatonia, Newcombe) Fire Protection Association to purchase a new Fire Hall in Eatonia which will provide services to the residents within the community of Eatonia and the rural municipalities of Chesterfield and Newcombe.

The Eatonia & District Fire Brigade provides necessary services with the intent being to minimize loss of life and property in all aspects of Volunteer Emergency Response, including responding to home, building & grass fires, as well as emergency vehicular and critical incidents. The support of CEN residents is needed.

Any and all donations can be made to the Eatonia Community Services Cooperative and tax receipts will be issued.

## NEW EATONIA & DISTRICT FIRE HALL

Sponsored by Eatonia Community Services Cooperative and  
The CEN (Chesterfield, Eatonia, Newcombe) Fire Protection Association

### The Mission:

The Eatonia & District Fire Brigade provides necessary services to the residents within the community of Eatonia and the rural municipalities of Chesterfield and Newcombe with the intent being to minimize loss of life and property in all aspects of Volunteer Emergency Response, including responding to home, building & grass fires, as well as emergency vehicular and critical incidents.

### The Background:

In February 2022, CEN (Chesterfield, Eatonia, and Newcombe) Fire Protection Association was in the early planning stages of building a new Fire Hall in Eatonia which would provide services to the residents within CEN.

CEN approached the Eatonia Community Services Cooperative with a request to consider financially supporting a new Fire Hall project.

### The Options:

1. Wood structure, insulated shell, approximately \$550 000 plus utilities hook-up and cost of land purchase
2. Pre-cast concrete shell structure, approximately \$800 000, plus utilities hook-up and cost of land purchase
3. Purchase former Focus building (60x60x18) with 2 overhead doors, tin on inside walls, in-floor heat, office on main level, conference room on 2nd level, utilities in place, and land building sits upon (sub-divided), \$550 000

### The Decision:

With the support of the Eatonia Community Services Co-operative, The CEN Fire Protection Association will purchase the former Focus building from Matt McKinnon and Kenny Somerville.

The building will serve as the new Eatonia & District Fire Hall, accommodating the 2 fire trucks, a water truck and the rescue truck.

The three entities of CEN have made a 3 year commitment of 50% of the total cost. The Cooperative (ECSC) will be financially responsible for the other 50%.

**If you are a resident of Chesterfield, Eatonia, or Newcombe, your support is needed!**  
**Any and all donations to this necessary project are greatly appreciated!**

## Good Day People of Leader and surrounding communities!

We come to you today to ask your opinion on a venture we are working on. Due to the **raising costs & quality** of produce, and the **uncertain supply chains**, we are looking at purchasing a **hydroponic container farm**. It would have the capability to produce enough nutrient dense, long shelf life **"produce"** to supply all of Leader and surrounding area **all year around**.

As this is a rather costly endeavor, what we need to know is if **our people of Leader/surrounding communities** would **support** this undertaking, by **purchasing your produce** from our container farm, either through the local grocery store or directly at the container.

1. Would you purchase **Lettuce** from us?
  - a. If so – How many bunches/heads a week?
  - b. What do you feel is a fair price point for a head/lb of lettuce?
2. **Basil**
  - a. How many bunches / approximate lbs.?
  - b. Weekly / monthly?
  - c. What do you feel is a fair price point per bunch/lb?
3. **Dill**
  - a. How many bunches/ approximate lbs.?
  - b. Weekly / monthly?
  - c. What do you feel is fair price point per bunch/lb?
4. **Microgreens**
  - a. How many bunches? Approximate lbs.?
  - b. Weekly / monthly?
  - c. What do you feel is a fair price point per bunch/lb?
5. What other produce would interest you?
  - a. Example – Radishes?
  - b. Example – Strawberries?

If you have any questions about the product, please reach out to the email provided and we will do our best to answer your questions.

Sincerely,

**Chris & Nicole Schneider (Leader, SK)**
