The Town of Eatonia has passed a bylaw that will allow carts to operate on the roads within town limits where the posted speed limit is not greater than 40 km/hr, which came into effect upon approval from SGI.

There are certain rules in place before you can operate a golf cart within town limits:

- The driver of the golf cart must hold at least a valid Class 7 licence;
- The owner of the golf cart is required to carry a minimum of \$200,000 in liability insurance;
- Golf carts must display a slow-moving vehicle sign;
- Golf carts can only be operated during daylight hours;
- Golf carts cannot be capable of operating at a speed of more than 24 km/hr; and
- Every owner of a golf cart must obtain a permit from the town office. A permit will be given when proof of insurance is provided. The permit must then be displayed on the side of the golf cart. The annual fee for a permit is \$100.00.

The rules of the road as set out in *The Traffic Safety Act*, will apply to golf carts, the same as they do for any other vehicle on the road. Traffic violations such as speeding, stunting, impaired driving, etc. will apply to the driver's license and will therefore incur the same penalties as if the violation has occurred while driving any other vehicle.

Golf Cart Bylaw No. 3/23 can be viewed at the town office or on the town's website, [www.eatonia.ca](http://www.eatonia.ca). If you have any questions in regard to the operation of a golf cart within town limits, please contact the town office.

The Eatonia Heritage Board would like to congratulate.

# Eatonia Oasis Living Newsletter

May 2024

Eatonia Oasis Living

eol@sasktel.net

Hello residents, families & friends,

May has been another great month for our residents. We have been showered with love & support from our families, friends and community. AND, we are loving the showers outside too. The old farmers are excited & checking the gauge regularly. We would like to thank all those who have helped to make our yard beautiful with donations of bird feeders, flower baskets, perennials, rain gauge and a homemade fountain. Mandy put the garden in on our back patio and we are looking forward to the warmer days ahead to enjoy the outdoors.

We had many great events taking place this month. We had a great turn out to celebrate Irene's birthday with family & friends. Thank you to the Catholic Church group for the delicious cake & entertainment.

We had a full house for our Mother's Day Tea & Bake sale, the residents enjoyed the day so much. The ladies auxiliary organized quite the bake sale and also served coffee & cake to all our residents & guests. The EOL board provided beautiful center pieces for the event. All our moms were treated to a beautiful rose, thanks to our friend Leah Cooper.

We would like to thank our student from Eaton High, Andrew Bating, for choosing EOL for his work experience program. He helped a lot in the kitchen, tidying the yard, assisting with exercises and activities & doing some extra spring cleaning. We enjoyed having you.

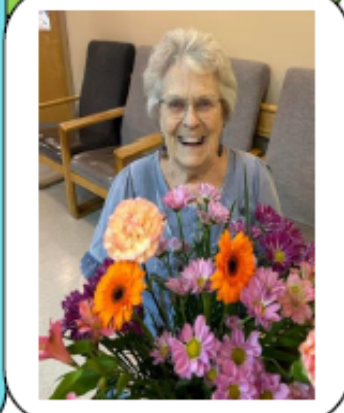

Follow us on our Facebook page to stay up to date on what's happening!!!

## June Coming Events
