F Y I FOR YOUR INFORMATION

The town has hired a company to clean the streets. Virtue Construction & Street Sweepers will be here on

Thursday, May 9, 2024, at 7:30 am

There will be 2 commercial grade street sweepers to clean all the streets in town. They are estimating that it will take approximately a day to do the town.

Therefore, we need resident's cooperation to ensure this is a successful sweep. We ask residents to not park anything on the streets when they are here working. Offer to share driveways with your neighbors when possible. Clearing away the debris and leaves will freshen everything up in town.

Thanking everyone in advance for your Co-operation.

A friendly reminder, please ensure that your cats are not free roaming around town.

Uninvited cats can sometimes be frustrating as it may cause conflict between pets.

Don't let your cats be a nuisance to others.

Thank you for being a good neighbor!

Senior Citizen Achievement Award

The Heritage Board would like to recognize an individual, sixty-five years or older, who has demonstrated outstanding community contribution through volunteerism, and has made an impact in their community by investing time and effort to improve the quality of life for others.

Everyone is encouraged to nominate individuals who are deserving of this recognition.

The deadline for nominations is Monday May 27th at 12:00 pm (noon)

Criteria and nomination forms can be picked up & dropped off at Town Office or Call Sharon Price at 306-460-5267

Summer Students Wanted

The Eatonia Heritage Board is seeking to hire a student or students to act as a tour guide as well as to look after cleaning the buildings and light grounds keeping duties.

The student will work on Friday, Saturday and Sunday afternoons from 1:00 to 4:00. Job share opportunity. Flexible hours available for candidates with prior approval. There may be the option for additional hours on long weekends and events.

The start date will be at the end of June and will run until the end of August.

Please call Sharon Price at 306-460-5267 for more details.

Summer Students Required

The Town of Eatonia requires two summer students to work in the Public Works Department to cut grass, tend to flowers and trees, and other miscellaneous duties.

Must have valid driver's license.

The positions are to start around the beginning of July 2024.

For more information on this position, contact the Town Office at 306-967-2251

Applications can be sent to:

Ground Squirrels are out and about. The RM has 20 kg Oat bait bags which replaces Strychnine and works really well.

Contact the RM at (306) 967-2222 for more information.

GREAT NEWS FOR EATONIA

The Town of Eatonia received an official notification on March 26, 2024, that they were approved for a grant to reline approximately 14 blocks of sewer mains for a total cost of \$983,980. These sewer mains were installed in 1956 and are well past their useful life.

This is a joint investment with the federal, provincial, and local government as a part of a significant investment in green infrastructure projects. The federal government is funding \$393,592 and the provincial government is allocating \$327,961 while the town must provide \$262,427 of the funding.

New Line Trenchless Technologies has been awarded a contract to take on this project. They have started the work on April 4, 2024 and hope to complete the relining project by the end of April, 2024.

Thank you to the Federal and Provincial governments for supporting this project.

Management's Responsibility

The municipality's management is responsible for the preparation and presentation of the accompanying consolidated financial statements in accordance with Canadian public sector accounting standards (PSAS). The preparation of the statements necessarily includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgments and estimates by management is required.

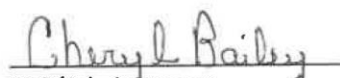

In discharging its responsibilities for the integrity and fair presentation of the consolidated financial statements, management designs and maintains the necessary accounting, budget, and other related internal controls to provide reasonable assurance that transactions are appropriately authorized and accurately recorded, that assets are properly accounted for and safeguarded, and that financial records are properly maintained to provide reliable information for the preparation of the consolidated financial statements.

The Council is composed of elected officials who are not employees of the municipality. The Council is responsible for overseeing management in the performance of its financial reporting responsibilities. The Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with external auditors. The Council is also responsible for recommending the appointment of the municipality's external auditors.

CHBB Chartered Professional Accountants, an independent firm of *Chartered Professional Accountants*, is appointed by the Council to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and management to discuss their audit findings.

Technology – We can't live without it, but what do we do when we don't need a device anymore?

RECYCLE MY ELECTRONICS

SASKATCHEWAN

The future is in your hands. Don't let it go to waste.™

What's Accepted

Electronics accepted at our drop-off locations

Display Devices

Televisions and monitors, including various technologies such as Cathode Ray Tube (CRT), all-in-one flat panel (LCD, LED and plasma) and rear projection.

Non-Cellular Telephones

Includes corded and cordless telephones, as well as telephone answering machines.

Home Audio/Video Systems

Includes VCRs, DVD and CD players, digital cable and satellite equipment, speakers, amplifiers, receivers, data projectors and similar audio/video systems.

Desktop Computers

Desktop computers (including those acting as servers) and all bundled keyboards, mice, cables and internal components.

Portable Computers

Includes portable computers such as laptops, netbooks, notebooks and tablets.

Computer Peripherals

Includes both wired and wireless manual input devices such as keyboards, mice and trackballs.

Desktop Printers

Printers designed to reside on a work surface, including laser and LED, ink jet, dot matrix, thermal, dye sublimation and "multi-function" copy, scan, fax and print devices. Stand-alone desktop fax machines are also included in this category.

Personal/Portable Audio/Video Systems

Includes docking speakers, portable stereos, portable CD players, portable audio recorders, tape/radio players, headphones, digital media (MP3) players, voice recorders, digital cameras and video cameras.

Home Theatre In-A-Box (HTB) Systems

Includes pre-packaged disc player/speaker/amplifier systems for use with video or television display to create a home theatre experience.

Vehicle Audio/Video Systems (aftermarket)

Includes amplifiers, equalizers, speakers and audio/video components.

Countertop Microwave Ovens

Countertop Microwave Ovens may include microwaves from hotel rooms or restaurant units similar in chassis type to household type units. Please note built-in or over-the-range microwave ovens and microwave/range hood combinations are excluded from the program.

Video Gaming Systems & Peripherals

Includes gaming console, hand-held gaming devices, as well as game controllers and both wired and wireless joysticks.

Floor-Standing Photocopiers/Multi-Function Devices

Floor-standing photocopiers and Multi-Function Devices (MFDs). This will include all printing and copying devices, utilizing all printing technologies that are floor-standing models with a maximum weight of 200 kg.

Global Positioning System (GPS)

Personal Portable & Vehicle (aftermarket)

GPS devices both for personal portable use (sports, leisure etc.), as well as aftermarket systems designed for use in a vehicle.

External Storage Drives & Modems

External hard drives, including home media network hard drives and external optical disk drives, as well as network-attached storage devices (NAS), external CD-ROM, DVD and Blu-ray drives.

E-Book Readers

Includes personal and portable devices designed primarily for reading digital e-books and periodicals.

Desktop & Portable Scanners

Includes optical document/image scanning devices that reside on a desktop and portable devices. Including scanners but not limited to business card, cheque, photo negative, ID card, as well as portable pen scanners.

5 Reasons to SHOP LOCAL

*“Going local does not mean walling off the outside world.
It means nurturing locally owned businesses . . .”* – Michael H. Shuman

1. **Encourage economic development:** when you purchase locally more money is kept in the community. Purchasing local helps grow other businesses as well as the local tax base.
2. **Go Green:** shopping locally reduces your fuel consumption, saving you money and time. Think green and lower your pollution emissions.
3. **Support community groups:** local business owners donate more to local non-profit/community groups than non-local owners. It is much appreciated when those groups buy locally in return.
4. **Local businesses create more jobs:** small local businesses are the largest employers nationally. The more jobs we have in the community the less people are required to commute = more time, less traffic, and less pollution.
5. **Invest in our community:** local businesses are owned by people who live in this community – your neighbors, friends, and family; they are less likely to leave, and are more invested in the community’s future.

(Sources: <https://rmtache.ca> and <https://lloydminster.ca>)

Fun Fact: 98.9 percent of all businesses in Saskatchewan are small businesses (fewer than 50 employees).

It is vital we support them – and support and build our local communities.
