The kitchen committee would like to extend our sincere appreciation to everyone who had a hand in a very successful Huskie season:

The shift workers and food donators for keeping our bellies full,

All the dads who are always there to diagnose, fix, call a guy or get their hands dirty,

Jim Callsen for the tables, Monty McGrath for the kid's step and Chris & Susan Theaker for their generosity,

And our loyal patrons for your support and encouragement!

The funds earned in the kitchen stay in our rink and pay for utilities, maintenance and upgrades to keep our favorite hang out space running smoothly!

The Kitchen Committee was able to contribute towards a new hot water heater, buy a new 2 door cooler and purchase 16 beautiful benches designed and crafted by our friends at the Glidden Colony!

Stayed tuned for some more exciting upgrades coming to the Eatonia Memorial Arena very soon!

“The greatness of a community is most accurately measured by the compassionate actions of its members” (Cesar Chavez)

I am so overwhelmed with the generosity that this community and surrounding area has demonstrated!! Absolutely astounding, but not surprising. Again, and again people have stepped up when needed. I want to sincerely thank each and every one of the organizations and individuals that have supported this worthy cause. It warms my heart that we are so fortunate to live in this wonderful community and country!

Again, my heartfelt THANKS!!
