# Kindergarten

**Kindergarten had a fantastic field trip to Aaron & Anika Becker's farm. We joined Westberry Kindergarten and had many farm experiences like making butter, climbing the John Deere machinery, petting a calf, chicken and bunnies, a wagon ride through the cattle pens, touching different seeds & grains and a yummy lunch from Kindersley Coop. Thank you Becker family, Kindersley Co-op, Ministry of Agriculture, John Deere & Pattison, and all the many volunteers who helped make the farm tour happen!**

**Thank you to Shea Swan for bringing his baby kitties to show his class!**

# Grades 1-4 Mash-Up Project in Health Safety

The collaboration and planning have paid off.

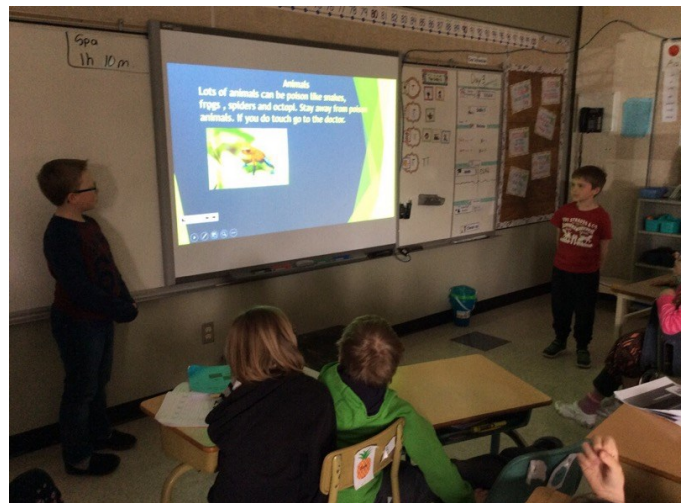

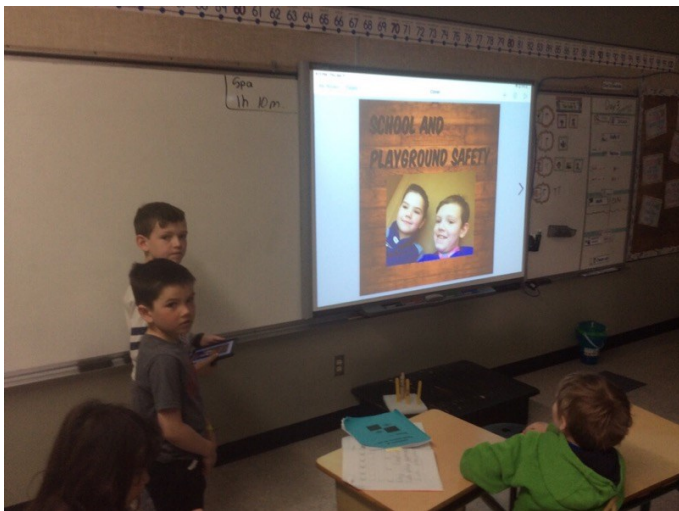

The students have worked hard and demonstrated their grit.

The projects ranged from snow and bike safety, to internet and travel safety.

They demonstrated their learning by using a PowerPoint, Lego, book creator, or a Video!

What a fun time by all to watch the production of each group!

Great job Grade 1-4s!

# Grade 5/6

## Bredy's Bunch

We have certainly had a busy bunch this month!! Grade 5/6 is preparing for Mother's Day with a special surprise for our loved ones!

Also we have been busy in math learning about perimeter, area, volume and capacity with many real life math projects!!

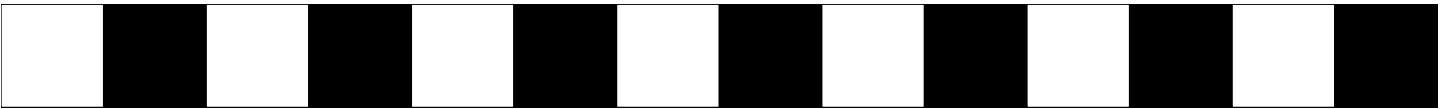

Our class is very excited to announce that we raised the \$700 dollars needed for our class trip to Luseland Bible Camp. We have learned the power of writing persuasive letters, making hot lunches and collaboration!

# Music Festival

Eaton School was very well-represented at the Kindersley & District Music Festival this year. Approximately 45 of our students participated in the vocal, speech arts, piano, percussion, instrumental, and band categories.

A big **congratulations** goes out to our scholarship recipients, including the Grade 1-4 Choir, Grady Stevens, and Dustin Becker for speech arts; Maggie Schwartz for percussion; Drew Hynd, Addisyn Connolly, the Sun West School Flute Quartet (Amber Adams), and Richie Adams & Emma McLay for instrumental; and the Grade 6 Band!

Spring is here and we were happy to be outside on the 15<sup>th</sup>. The kids played on the outdoor equipment and got lots of fresh air. It was so wonderful to watch them all having fun! We brought out a few pieces of equipment that they could use as a group or on their own. They had a blast! We had an ART Day on April 17<sup>th</sup>, where we painted Birdhouses. They were very colourful! Your children will be hanging them up at home to see if they can get a family to move in!

Sincerely,

Coaches

## Rock and Roll Literacy with Author Sigmund Brouwer

**When the Spartans welcomed author Sigmund Brouwer, we didn't know what to expect from this Canadian author. Rock and Roll Literacy was an amazing multi-media presentation! Sigmund is a story teller who used music and a sense of humour to remind us that we read stories, not books. He had the students' attention by dubbing them Story Ninjas and crowning our librarian Miss Radies as the Story Diva! Sigmund was able to share with them the importance of grabbing the reader's attention and messing with their feelings to keep them interested. His fun and engaging presentation inspired our students to read and tell their own stories! Thank you, Sigmund! The Story Diva will be signing out lots of great stories to our Story Ninjas and our teachers look forward to reading the Story Ninjas own stories.**

**The 5/6 and 7/8 classes took part in the Plastic Bag Grab Challenge. It is an initiative to recycle plastic bags and raise awareness of sustainable actions.**

**We managed to gather hundreds (possibly over 1000) of bags. They also made videos or pieces of art depicting different aspects of recycling. They did a great job and learned a lot while doing it!**
