We are learning basic coding skills on activities on See saw!!!

Students are moving from being assessed to assessing themselves.

Students Popped into a new year with a celebration using #oneword as their reason to move forward in 2019!!!

Grade 3/4

This month the grade 3/4 class was busy before the holidays! They did an amazing job in the Christmas concert and had a great time at the Turkey Dinner. In class, they explored how to minimize water erosion, created Gingerbread Houses to "sell" in Writing, and finished off their novel, "Tales of a Fourth Grade Nothing!"

Make a connection.
Help save a life.

safeTALK is a half-day training in suicide alertness. It helps participants recognize a person with thoughts of suicide and connect them with resources who can help them in choosing to live. Participants don't need any formal preparation to attend the training—anyone age 15 or older who wants to make a difference can learn the safeTALK steps.

Spartan Christmas Turkey Dinner

All students and staff looked forward to what has become an annual tradition at Eaton - the Spartan Christmas Turkey Dinner!

On December 20th, we all gathered in the gym as a school family to share a delicious turkey dinner with all the trimmings and to enjoy fellowship as we celebrated the spirit of the holiday season. We Spartans are very proud of Eaton School. We are fortunate and grateful for the gift of our students and teachers, our families and our community. We have much to be thankful for at Eaton School and having the opportunity to come together like that makes us truly grateful.

The Turkey Dinner would not have been possible without the support and help of so many! The students and staff would love to give a loud Spartan Shoutout and Thank You to the following:

- All those who generously donated food or money for the meal, from turkeys to buns (Eatonia Hutterite Colony) to potatoes, corn, cranberries, flour, juice and more!
Shelly Eckstein for making our Christmas Turkey dinner another proud tradition at Eaton and for her help in organizing the donations and Team Turkey.
- Team Turkey for prepping, cooking and serving such a delicious meal: Sarah Becker, Heather Bews, Sherry Craney, Janina Evans, Melissa Hynd, Amy Knuttila, Shannon Leslie, Vanessa Price, Kim Punter, Tracy Quinney, Lisa Stevens, Susan Theaker, Erika King and Tessa King.
- The Eatonia Lions Club for their generous financial donation as well as the following members who carved turkeys and served: Lion Brett Becker, Lion Craig Bews, Lion Michael Craney, Lion Richard King, Lion Devon Punter, and Lion Darcy Scott.
Kristina Lothammer who joined us to play the piano, filling the gym with Christmas music
Kenny Somerville for dropping off and picking up the tables loaned to us by Somerville Farms
Our students who assisted with the set-up and clean-up.

The Spartan Spirit continues to shine at Eaton.

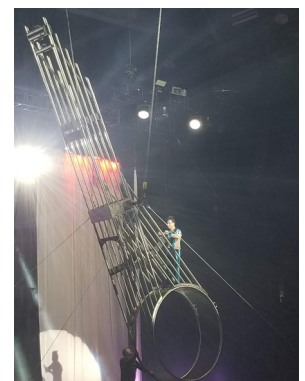

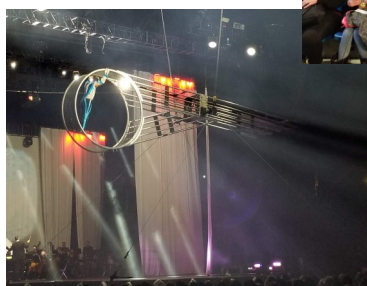

Band Students Wowed at "Wonderland"

The combination of Cirque Musica and the Saskatoon Symphony Orchestra entertained the fifty-plus Eaton Band students on Monday, December 17th at the Sasktel Center in Saskatoon. They not only experienced a live symphony performance, but they also were kept on the edge of their seats by the many circus performers. The audience was taken on a journey into a visual world of "Wonderland" with amazing acrobats, aerialists, hilarious hijinks and holiday cheer. The show blended the spellbinding grace and athleticism of circus performers with the majesty of the Saskatoon Symphony Orchestra performing the greatest holiday music of all time.

A bonus for the students was that our very own Miss Vanessa Klassen played the clarinet with the Symphony for that performance. She was thrilled to have her own cheering section!

It was an exciting musical opportunity for our students, made possible by the Eaton Band Parents' Association! The Band Parents' provided the transportation, a meal at Boston Pizza, the tickets for the evening, and supervision. Eaton students and staff want to thank the Band Parents' for giving them this memorable opportunity. Thank you so much!!

Band Program

Mr. Mealey's time as Band Director ended December 21st. Words cannot express how extremely grateful we are that Mr. Mealey agreed to come out of retirement and, once again, pick up the baton. As staff, students and families, we respect his decision to do so for a short period of time. So, a Spartan Shoutout and Thank You to Mr. Mealey! I am sure you will all agree that his sendoff at the Christmas Concert was memorable.

We were very excited to announce that the Band Program as we know it will continue from January to June of this school year under the direction of Miss Vanessa Klassen! Miss Klassen is from Kindersley and is a former student of both Mr. Mealey and Mrs. Oscar-Swan. She has studied music at Brandon University and has completed her Masters of Music at Ohio State University with plans to return to Ohio State in the fall to acquire her Doctorate of Music. She is no stranger to the band classes at Eaton as she worked with students at both Mrs. Hynd's and Mr. Mealey's requests. You may have noticed her playing clarinet at the Christmas Concert. The students were also very fortunate to be able to hear her play with the Saskatoon Symphony Orchestra at the Cirque Musica performance they attended on December 17th. Please be sure to welcome Miss Klassen whose first day was Monday, January 7th.

As a final note regarding the Eaton Band Program, Mrs. Hynd has resigned as Band Director. We are very sorry that Eaton School will be losing her, however, we respect her decision, knowing that it must not have been an easy one to make. We are thankful that she has enriched our students' lives through music, as well as that of our school and community. We wish her all the best wherever her journey takes her next.

The Band Director position for the 2019-20 school year will be posted this spring with the aim of finding a director who will continue the legacy of music created by past band directors.

I would like to say one last Thank You to Mrs. Hynd, Mr. Mealey and Miss Klassen for going above and beyond! I would like to recognize the support of the Eaton Band Parents' Association and our community which continues to be incomparable. Finally, thank you to our Band Students who show their pride in our Eaton Band program every time they play and perform.
