May	19	No School PD Day
May	27	Strawberry Social
June	1	SCC Meeting @ 6:30
June	13	Grad 2020
June	18	Colour Night @ 7:00 p.m.

Thank you to the SCC for the treats during Staff Appreciation Week.

# Kindergarten

Thank you to those who have donated loose parts to the Kindergarten room.  
We no longer need any toilet paper rolls or paper towel rolls.

We are going to be busy over the next month. Look at the next newsletter for the surprise learning experience we are going to have in our room over March and part of April.

## Kindergarten Registration

Wednesday April 22nd @ 6:30 p.m.

**On behalf of the Sun West School Division, Eaton School invites parents/guardians to register children for Kindergarten who will be turning five years of age by December 31st, 2020.**

**Please stop by or phone Eaton School at 306-967-2536 to let us know if you have a child who will be attending.**

**The informational/registration evening is on Wednesday April 22nd in the school library.**

# News from Grade 1 & 2

**We are 100 days smarter!**

**We counted 100 items and created something using 100 items. Some students dressed up the way they thought they would look in 100 years! It was so much fun.**

## **Grade 3/4**

The Grade 3/4 students have had a busy month this February! In science, the class has been studying Strong and Stable Structures, and in Social Studies they have been exploring the ins and outs of exporting and importing goods. In English, they have been learning how to write a letter, and have completed their Flat Stanley Projects! Math has been filled with Multiplication and Division, and the class worked together to create a factor village!

Outside of their studies, the class has enjoyed visits from Deanna Callsen, to learn about goal setting and emotions; Sandi Toner, to explore being a Bucket Filler; Kristen Pierce, to learn new writing strategies; and many community readers!

The class also, along with the Kindergartens, visited the EOL on February 10, to read with the residents!

The students in Grade 3/4 have also enjoyed using the warmer winter weather to go skating a couple times in the month of February, including their Valentine's Day Skating on February 14!

Overall, the class has been busy, and the students are very thankful to everyone who has come to join our classroom and learning!

# Bredy's Bunch 5/6

Grade 5/6 learned all about sustainability, PH testing and soilless growth with our new hydroponics system!! A huge thank you to the grade 5/6 kids who set it up with Mr. Hayes help! We can't wait to be eating these healthy new vegetables that we have grown! A huge shout-out to our CNRL grant for allowing us this educational opportunity!

# POWER HOUR

February was full of Fun and Excitement at Power Hour! On the 4th, we held an Arts Day where the kids were free to create whatever they wanted! Some kids chose to paint beautiful pictures or build lego, while others got into groups and used their imaginations to make an assortment of wonderful creations from ordinary boxes! We were so blown away by their artistic talents! The kids were pumped to take part in our Nerf Gun Challenge on the 11th and it was hard to hold them down! They loved setting up barriers to hide behind and getting into teams to see who would be the last man standing. The game was definitely a HIT! Lol. I don't think it will be the last time we play this game! What a fun February!

In March, we will be taking the kids to the E.O.L. on the 3rd to play a variety of games with the residents! On the 26th we plan to get outside to enjoy some outdoor play! See you then!

Coaches, Mrs. Follensbee & Mrs. Nunweiler

# Midget Basketball

The Midgets had a great season of learning the skills of basketball.  
It was fun playing a couple of games with Eston.

***THE SHSAA  
CONFERENCE BASKETBALL  
CHAMPIONSHIPS***

***March 6 - 7, 2020***

***Eatonia, SK***

# Sr. Girls Basketball

The Senior Girls have had a great season so far and they are now gearing up for Conferences! This team may not have a lot of height, but they certainly play like they are 10 feet tall.

At the start of Feb, the girls hit the road and were bound for Davidson where they played very competitive teams from Cornach, Lashburn and Langham. Before the Feb break, they also played an exhibition game in Kindersley and were very happy to head home having defeated Kindersley.

The Spartans held their Eatonia Home tournament on Feb 7 & 8 in conjunction with our Senior Boys' team. The Girls came away with wins over Rosetown, Maidstone and Luseland to place first, giving their fans lots to cheer about. The Boys played host to teams from Davidson, Kindersley and Rosetown, ending the tournament with 2 wins and one loss.

A Spartan Shout Out and Thank You to the following for helping our tournament so successful:

Teams from Rosetown, Maidstone and Luseland for playing some great basketball

Coaches Elana Somerville and Cora Laich (Girls) and Coaches Michael Hault and Diedra Whitell for sharing their knowledge of the game and making it fun!

Referees: Randi Somerville, Tamara Parkins, Tawna Hansen, Hannah Eckstein and Layton Davis

All the Student volunteers who worked the clock, shot clock and scoresheets

Parents for making donations and volunteering to work the canteen

Shelly Eckstein and Bonnie Adams for organizing the canteen and cooking breakfast for our overnight guests (and thanks for the yummy bacon, Richard)

Our loyal Fans for their undying support and #spartanpride

For their last tournament of the season, the Girls play a full tournament format in Maidstone. Other teams invited include Onion Lake, Wilkie, Carpenter, Holy Rosary, Kerrobert and Tisdale. The Girls are looking forward to working hard and playing together against some strong teams.

The team, made up of both Eatonia and Leader players, will be competing in 2A Conference 8 Playoffs being held in Kerrobert on March 6 & 7<sup>th</sup>. Teams in the Conference include: Eatonia, Kerrobert,

Macklin, Wilkie, Shaunovan, and Biggar. The Girls hope to advance from Conferences to Regional Playoffs the weekend following, with Hoopla the next weekend Mar 21-23. Go, Spartans!

# Gr. 6-12 Band Trip

## April 5-8, 2020

As we are preparing to head to Edmonton, Alberta for the Contando Festival, the students have been working hard to get pieces ready. With this said, parents please check your email (and junk mail) for a permission click form! Itineraries and packing lists will be sent out shortly as well.

Can't wait!

Ms. Whitell

A real author, Kristin Pierce from Saskatchewan! She writes of our inner compass, self awareness & opening minds. Thank you Kristin for coming to talk and read to our students. The kids loved having you visit.

Not only are our students growing, but thanks to a donation from CNRL, plants are growing in our new hydroponics tower garden!

The tower garden arrived just before the Feb break and students are amazed at how quickly the plants have grown in two weeks. The tower grows up to 20 plants at a time and we have a large variety including: microgreen broccoli, basil, spinach, dill, celery, parsley, green butter lettuce, bokchoy, cherry tomatoes, collards, mint, redbutter lettuce, rainbow chard, romaine lettuce, thyme and arugula.

A huge Spartan THANK YOU to Theresa Fischer who came all the way from Outlook to speak with our K-10 students about sustainability (how the plants grow in the tower garden and how the minerals work with-out soil), how to test the ph levels and why that needs to be done, the importance of frequent harvesting, and more. Theresa has had her tower garden for 9 years now so she has a lot of knowledge and a passion for growing herbs and vegetables with it. We are grateful that she was able to share some of that knowledge with our students.

## SCC READING CHALLENGE & BOOK EXCHANGE

The Eaton School Community Council held their annual Reading Challenge to help teachers promote literacy. Students were challenged to a number of reading activities over a two week period.

Then, on Thursday Feb 27th, the students were able to get a number of “new-to-them” books at the Book Exchange. What a variety there was as Miss Radies happened to be doing some organizing in the library and donated several boxes of books to the Book Exchange. We had a lot of very excited students when they walked in and saw all the books!

Thank you also, to the SCC, who gave each Kindergarten student a special Spartan bookbag...“Today’s Readers are Tomorrow’s Leaders”.

To wrap up the Reading Challenge and Book Exchange, the SCC provided a pizza lunch for all the K-6 students. Yummy! What a great way to celebrate reading! Thanks, SCC!

**2020**

# The EATONIA BAND ASSOCIATION

***will be doing its annual Spring Fundraiser again this year!***

*We will once again be selling a variety of flowers, herbs, veggies, strawberry baskets, and succulents!*

*If you have ordered from us in the past you will be contacted in early April to place your order. If you haven't ordered from us in the past but would like to place an order, please contact Yvette Schuh at 306-460-9799, or any member of the Eatonia Band Association.*

*Plants are scheduled to arrive on May 5, in time for Mother's Day.*

*More details to follow in next month's newsletter.*

# safeTALK

## Make a connection.

# Help save a life.

safeTALK is a half-day training in suicide alertness. It helps participants recognize a person with thoughts of suicide and connect them with resources who can help them in choosing to live. Participants don't need any formal preparation to attend the training—anyone age 15 or older who wants to make a difference can learn the safeTALK steps.

**March 9, 2020**

**1:00pm – 5:00pm**

**Fisher Lounge – Kindersley Hospital**

**FREE OF CHARGE**

**Register by March 3rd to Deanna**

**Call or Text: 306.460.5157**

**Email: [deanna.callsen@saskhealthauthority.ca](mailto:deanna.callsen@saskhealthauthority.ca)**

**Participants must be at least 15 years old to attend.**
